## POWERS NOTIFIED

The Reply of Siam to the French Ulti-  
matum Was Unsatis-  
factory.

And France Announces Her Intention  
to Blockade the Ports of  
That Country.

English Newspapers Think It Time  
for Lord Roseberry to Make  
a Protest.

LONDON, July 25.—A dispatch from  
Paris to The Central News says that  
Siam's answer to France's ultimatum  
is unsatisfactory to the French govern-  
ment and that M. Pavie, French minis-  
ter resident in Bangkok is preparing to  
leave the city.

Notified the Powers.  
The government has notified the  
powers that it intends to establish a  
blockade of the Siamese coast without  
prejudice to other measures that may  
be taken with the object of securing to  
France the guarantee to which she is  
entitled.

A conference of ministers will be held  
to decide what additional measures  
shall be taken to ensure the obtaining  
of guarantees from Siam.

President Carnot is at Marly-le-Roi,  
and the cabinet will go there for delib-  
eration. The ministers will meet at 9  
o'clock in the morning, President Car-  
not presiding.

The French government is making  
arrangements with another govern-  
ment for the protection of French sub-  
jects in Siam during the absence from  
Bangkok of M. Pavie, the French minis-  
ter.

Would Rather Be Taxgatherer.  
LONDON, July 25.—A dispatch to The  
Chronicle from Paris says: The tenor  
of the French ultimatum to Siam  
leaves no doubt as to France's inten-  
tions. She would much prefer not to  
receive money down from Siam. The  
alternative of becoming taxgatherer in  
the coveted districts of Angkor and  
Battambang is far more to her taste.

ENGLISH STATEMENT.  
London Papers Think Roseberry  
Should Interfere.

LONDON, July 25.—The Times pub-  
lishes an editorial which it is thought  
expresses the general English opinion  
of the merits of the Franco-Siamese  
dispute. In commenting upon Siam's  
answer to the French ultimatum, The  
Times says: Siam's refusal to go be-  
yond just and reasonable limits or to  
concede territory to which France never  
put in an effective claim until the other  
day, is no excuse for a measure of hos-  
tility, ostensibly directed against the  
Siamese, but really striking at the com-  
merce of England and other countries  
having commercial relations with Siam.

The Globe says: The flagrant French  
aggression is aimed at England. Siam  
is merely a pretext. Hence the duty of  
the British foreign office is one of ex-  
traordinary difficulty. England's place  
in the situation is paramount. Firm-  
ness is necessary, for doubtless France  
is counting upon the feebleness of the  
British counsels. She is not hungry  
for war nearer home than the Mekong  
river.

The St. James Gazette says: One  
thought conveyed by Siam's reply to  
the French ultimatum is that she has  
suffered enough humiliation for a small  
power that has been unfortunate enough  
to get in the way of a big one. But  
France has gone forth to grab and to  
extort her desires at the cannon's  
mouth. We can endure the pillage of  
Siam, to the 18th parallel of latitude,  
but the pillage of Siam, China and  
Burmah to the 23d parallel is a differ-  
ent matter. We are afraid that Lord  
Roseberry (the British foreign minis-  
ter) must let the governments at Bang-  
kok and Paris know that this is going  
a trifle too far. Such a check in the  
present temper of the French may have  
serious results.

The Pall Mall Gazette, commenting  
upon the situation in an article headed  
"Blackmail," says: Siam has spoken  
with dignity and moderation. She  
gives up too much, but she does not for  
a moment recognize the other prepos-  
terous demands made upon her. In re-  
gard to these demands France must  
reckon with England. We must not  
hesitate to let our voice be heard. Lord  
Roseberry and Lord Dufferin (the British  
ambassador to France) must be  
alert and M. Develle (French foreign  
minister) more careful. If France  
cherishes the idea of Bombarding Bang-  
kok let her remember that the English  
gunboats in Siamese waters could blow  
the French gunboats out of the water  
in half an hour. Let France pocket  
her blackmail and be content.

Hard Fighting in Nicaragua.  
NEW YORK, July 25.—The Herald's  
Panama, Colombia, special says: News  
has just been received here showing  
that hard fighting has been in progress  
near Matereare, Nicaragua, between  
the Leon revolutionists and the govern-  
ment troops. Five thousand men are  
engaged in the battle, the result of  
which is not known here. Matereare is  
a small hamlet about 12 miles from  
Managua.

Third in Ten Days.  
KANSAS CITY, July 25.—The third  
murder in Kansas City, Kan., within  
the last 10 days was committed, during  
the morning, when Charles Blunk shot  
and almost instantly killed William  
Blackford. The killing was the result  
of Blackford paying too much attention  
to Blunk's wife.

Went Swimming Sunday.  
BLACK RIVER FALLS, Wis., July 25.—  
Two boys, aged 12 and 14 years re-  
spectively, named Hahan and Oligmay,  
were drowned above this city in Black  
river Sunday while swimming.

## FOREST FIRES RAGING.

Many Ranges in the Vicinity of Buf-  
falo, Wyo., Entirely Destroyed.

BUFFALO, Wyo., July 25.—Saturday  
and Sunday at Fort McKinney the tem-  
perature was 122 in the shade, and at  
Buffalo from 4 to 6 o'clock it stood at  
130 to 150 degrees. This is the hottest  
weather for eight years. Not a drop of  
rain has fallen for nine weeks, and the  
range is completely destroyed. Buffalo  
is surrounded by forest fires. At the  
southwest 20 miles of fire has been  
burning with more or less intermittent  
severity since July 7. The fire at one  
time came down into the valley, de-  
stroying all of Tulley's fields, pastures,  
corrals, etc., on Poison creek, and  
burning half of Horster's place south  
of Muddy creek. By great exertions

The Fire Was Checked.  
Up Clear creek canon another fire is  
burning. The cavalry troops from Mc-  
Kinney went out to endeavor to exting-  
uish it, but nothing can be done  
without rain. Ten thousand acres of  
choice timber are already destroyed  
just East of Buffalo. Another fire  
broke out in the Red hills, and is burn-  
ing some 10 square miles of grass,  
which was the last range fed in the  
locality. When the fire came into the  
flats approaching Buffalo all neighbor-  
ing ranchers and some citizens and fire-  
men from town fought it all night, get-  
ting it cut off. To the north another  
huge timber fire is seen in Sheridan  
county.

## EXPRESSES NO OPINION.

Senator Sherman Does Not Wish to  
Embarrass the Administration.

MANSFIELD, O., July 25.—"I cannot  
be interviewed on the cause and cure  
of the existing business depression,"  
said Senator John Sherman. "I have  
declined steadfastly to grant such re-  
quests, and shall continue to do so.  
The people have called upon the pres-  
ent administration to handle these  
questions, and neither I nor any one  
should dought to add embarrassment  
when so much already exists. Of  
course, I have my own ideas about  
these things, but until those who are  
appointed to settle them have sug-  
gested what they desire done, it would  
be unbecoming and improper to pro-  
pose remedies and venture opinions, as,  
for instance, Mr. Bland has done. This  
continual heaping of fuel upon the fire  
does no good. It keeps the country in  
a state of unrest."

## Clerks of Congressmen.

WASHINGTON, July 25.—First Comptrol-  
ler Bowler has made several de-  
cisions in answer to queries from Clerk  
Kerr of the house of representatives,  
regarding the employment of clerks by  
congressmen, provided for at the last  
session. He decided that congressmen  
are authorized to employ clerks during  
an extra session of congress, that any  
number of congressmen may employ  
and pay the same clerk if they desire  
and that clerks so employed do not  
have to take an oath of office.

## Likely to Smash Records.

QUEENSTOWN, July 25.—The Cunard  
line steamer Bothnia, Captain McKay,  
from Boston July 15 for Liverpool, ar-  
rived here at 7 a. m. She reports that  
at 7:30 Sunday evening she passed the  
Campania of the Cunard line, which  
sailed hence for New York at 1 o'clock  
Sunday. The Campanian was then 140  
miles west of Queenstown, having cov-  
ered the distance in 6 hours and 28  
minutes. It is predicted here that the  
Campanian will take a big slice off the  
record.

## To Help Pomeroy.

SIBLEY, July 25.—A committee of six  
ladies, one from each church in town,  
were appointed by the mayor as a re-  
lief committee to aid the Pomeroy suf-  
ferers. The ladies converted Memorial  
Hall into a workshop, and have made  
ready for shipment about \$200 worth of  
clothing, bedding, towels, nightdresses,  
etc. The business men's committee  
have about \$150 subscribed for the re-  
lief of Pomeroy.

## Four Missing.

ISHPEMING, Mich., July 25.—Three  
children and an old man are said to be  
missing since the destructive fire at  
Ewen, although the report has not yet  
been verified. Fully 300 families were  
made homeless and many of them pen-  
niless by the fire. Provisions and nec-  
essaries have been received from Besse-  
mer, Ontonagon, Ashland and other  
points.

## Hennessey's Pallium.

DUBUQUE, Ia., July 25.—Bishop Hen-  
nessey will be invested with the arch-  
bishop's pallium by Mgr. Satolli the  
week in September following the Catho-  
lic congress in Chicago. The Ameri-  
can hierarchy will attend.

## Thirteen Months in Prison.

DEVILS LAKE, N. D., July 25.—Daley,  
convicted of conspiracy to defraud the  
government of land in the Turtle  
mountain region, was sentenced to 13  
months in the penitentiary and fined  
\$1,000.

## Burned Out.

FAIRMONT, Minn., July 25.—Henry  
Jactorowski, a well-to-do Polisher of  
Fraser township, lost everything by fire  
during the night. The loss is about  
\$7,000. It is supposed that the fire was  
the work of tramps. Very little of the  
property was insured.

## Wiped Out the Family.

TEXARKANA, Ark., July 25.—Allen  
Jones, formerly editor of an afternoon  
paper here, murdered his wife and  
three children, aged 1, 4, and 6 years,  
and then completed his bloody work by  
taking his own life.

## Cashier Dropped Dead.

MOUNT HOLLEY, N. J., July 25.—  
Isaac P. Goldsmith, cashier of the  
Farmers' National bank of New Jersey,  
died suddenly of heart disease at his  
home here.

## INDICTED FOUR.

District of Columbia Grand Jury Re-  
turns True Bills in the Ford  
Theatre Matter.

Colonel F. C. Ainsworth, George W.  
Dent, William E. Covert and  
Francis Sasse

Held Responsible for the Loss of  
Twenty-three Lives—Crimin-  
ally Negligent.

WASHINGTON, July 25.—The grand  
jury has found a true bill against Col.  
Frederick C. Ainsworth, chief of the  
record and pension division of the war de-  
partment, George W. Dent, the con-  
tractor employed to make the ex-  
cavation for the electric light  
plant, William E. Covert, super-  
intendent, and Francis Sasse, en-  
gineer of the building, holding them re-  
sponsible for the Ford's old theatre dis-  
aster of June 9 last in which 23 persons  
lost their lives and a large number of  
others were injured.

The indictment sets forth the creation and organiza-  
tion of the record and pension division  
of the war department under an act of  
congress and the appointment by the  
president of Frederick C. Ainsworth, a  
captain and assistant surgeon in the  
army as the head of the division, with  
the rank of colonel, and that he was  
given charge of Ford's old theatre  
building and of the persons employed in  
it and was so in charge on the 9th day  
of June, 1893, at 10 o'clock, when por-  
tions of the second and third floors of  
the building fell. The indictment de-  
scribes in detail the excavations that  
were in progress for the purpose of put-  
ting in an electric light plant at the  
time of the accident and avers that  
Frederick C. Ainsworth, George W.  
Dent, William E. Covert and Francis  
Sasse undertook the performance of  
this work, and being

Wholly Unmindful of Their Duty,  
removed the part supporting the pier  
without first having caused the pier to  
be relieved by shoring from the great  
pressure upon it of the weight of iron  
columns, iron beams, cross beams and  
parts of the floors immediately above  
it. By reason of this most culpable  
negligence the pier sank and broke,  
precipitating parts of the second and  
third floors with their occupants to the  
ground. The grand jury then formally  
finds that in the manner described in  
the indictment the accused did wilfully  
kill and slay the persons whose death is  
under investigation. It is understood  
that Colonel Ainsworth and the other  
defendants will not be arraigned for  
some days yet as their trial cannot take  
place before the September term of  
court.

## COMMERCIAL TRAVELERS.

Expected That 18,000 Will Be in  
Their Parade at Chicago.  
CHICAGO, July 25.—The commercial  
travelers are gathering in Chicago from  
every nook and corner of the country,  
to attend the Columbian demonstra-  
tion. Eight hundred and ninety of  
them came up from Cincinnati and  
250 more from Cleveland. Every train  
arriving is filled with the pilgrims.  
Two trainloads are en route from Du-  
luth by way of St. Paul. The Iowa  
delegation, 400 strong, and Milwaukee,  
700, will reach here at 7 o'clock. The  
committee at the Great Northern  
hotel, where the headquarters will be  
opened, were kept busy all day hand-  
ling the large crowds and distributing  
badges. It is expected that 18,000 men  
will be in line in the parade.

## Killed His Coachman.

OCONOMOC, Wis., July 25.—William  
Schumacher, coachman for William  
A. Thompson of Chicago, was in-  
stantly killed by a blow struck by his  
employer. Young Thompson is a son  
of William A. Thompson, who died last  
year, and who lived at his summer res-  
idence in Island Lake, LaSalle lake. Mr.  
Thompson had occasion to visit his  
stable, where he found his coachman  
in an altercation with another em-  
ployee. Mr. Thompson entered and  
struck Schumacher a blow on the ear,  
from the effects of which he soon after-  
ward died.

## Robbed a Postoffice.

RED WING, Minn., July 25.—Burglars  
robbed the postoffice at Cannon Falls  
during the night, securing \$300 in cash  
and some notes. The store of Krobel  
& Westman, at the same place, was  
also entered, the safe blown open and  
\$1 secured.

## Small World's Fair Fire.

WORLD'S FAIR GROUNDS, July 25.—  
At 1:30 p. m. fire broke out in the north  
end of the Transportation building at  
the fair. It was extinguished before  
much damage was done.

## Hunt For Burglars.

CLEVELAND, O., July 25.—The office  
of the United States Express company  
at Perryville, O., was entered by bur-  
glars during the night and about \$2,500  
of express funds taken. No clue.
