ADMITTED MURDER

The Proprietor of the Gream City Hotel at Milwattkae Confesses a Crime.

He Strangled an Aged Guest and Then Set Fire to Her

Business Had Been Bad and He Did the Deed to Secure Her Money.

MILWAUKEE, Jan. 16.—Rudolph J. Pechmann, proprietor of the Cream City hotel, in which Mrs. Schrum was found dead after the building was partly destroyed by fire last Friday morning, confessed at noon the he strangled his aged guest for the purpose of robbing her, and afterwards fired her room. He failed to secure the woman's money. Pechmann is now in jail.

Pechmann said business had been poor with him for two years. He knew Mrs. Schrum had money, and it occurred to him that he might manage to secure it. For a week before the fatal night he watched every movement of his victim. Just before he was going to bed last Thursday he heard Mrs. Schrum get up and go to another room. He concluded that his chance had come, and he went into her room. When the old lady returned he threw a blanket over her head and choked her to He then made a search but could find nothing. He then went down stairs and told his wife the old lady was dead and that they might help themselves to whatever they might find. She refused to accompany him up stairs and he returned alone to make another search. Upon his return to the room he found that Mrs. Schrum showed signs of recovery and he choked her again. Then he set fire to the place and threw a lamp upon the floor. While the fire was spreading Pechmann made a final search for money, but was again unsuccessful. When there was a prospect that the fire would leave him worse off financially than when he committed the terrible deed, the murderer called the fire department. Mrs. Pechmann will not be arrested, as she had no knowledge that her husband intended to secure the money by committing murder. The whereabouts of the nfurdered woman's money is still a mystery.

MISAPPROPRIATION CHARGED. George M. Bogue of Chicago faid to Have

Used Hospital Funds. CHICAGO, Jan. 16.—George M. Bogue, one of the most prominent business men of Chicago, has been accused of the misappropriation of about \$75,000 of the funds of the Pres-byterian hospital, of which institution was president. Mr. Bogue admits that there is some entanglement with the hospital, but says any discrepancy will be made up immediately. Last summer he made an assignment and withdrew from the big real estate firm of Bogue & Co., and it is said that the misplacing of the hospital funds was the result of his financial embarrassment. The finance committee of the hospital is making an investigation but the institution's officials refuse to talk regarding

the probable outcome of the affair.

Deaf for a Year

Catarrh in the Head Catarrh is a Constitutional disease, and requires a Constitutional Remedy

like Hood's Sarsaparilla to cure it. Read: "Three years ago, as a result of catarrh, I entirely lost my hearing and was deaf for more than a year. I tried various things to cure it, and had several physicians attempt it, but no improvement was apparent. I could distinguish no sound. I was intending putting myself under the care of a specialist when some one suggested that possibly Hood's Sarsaparilla would do me some good. I began taking it without the expectation of any lasting help. To my surprise und great joy I found when I had taken three bottles that my hearing was returning. I kept on till I had taken three more. It is now over a year and I can hear perfectly well. I am troubled but very little with the catarrh. I consider this a remarkable case, and cordially recommend "Three years ago, as a result of catarrh, I
