

Mrs. Mary E. O'Fallon of Piqua, O., says the Physicians are Astonished, and look at her like one

Raised from the Dead

Long and Terrible Illness from Blood Poisoning

Completely Cured by Hood's Sarsaparilla.

Mrs. Mary E. O'Fallon, a very intelligent lady of Piqua, Ohio, was poisoned while assisting physicians at an autopsy 5 years ago, and soon terrible ulcers broke out on her head, arms, tongue and throat. Her hair all came out. She weighed but 73 lbs., and saw no prospect of help. At last she began to take Hood's Sarsaparilla and at once improved; could soon get out of bed and walk. She says: "I became perfectly cured by Hood's Sarsaparilla and am now a well woman. I weigh 128 lbs., eat well and do the work for a large family. My case seems a wonderful recovery and physicians look at me in astonishment, as almost like one raised from the dead."

My case seems a wonderful recovery and physicians look at me in astonishment, as almost like one raised from the dead. HOOD'S PILLS should be in every family medicine chest.
