BY FALLING WALLS

Three Wabash Employees Meet Death During a Fire at Toledo, O.

THE ROUNDHOUSE DESTROYED.

Twelve Men Buried Beneath a Huge Pile of Brick and Debris.

TOLEDO, O., March 18.—The roundhouse of the Wabash company in this city, located at the foot of South street, on the dock front, burned to the ground between 10 and 11 o'clock. Three-quarters of an hour after the first alarm was sent in the south wall of the building, 60 feet in circumference, fell in, burying 12 men underneath it. Two of them were instantly killed, a third died a short time after being taken out of the debris and the others were all badly hurt, one probably fatally. All but John Bowen were employees of the Wabash. The dead are: R. N. Bohlman, a painter; J. J. Preston, car inspector; John Bowen, spectator.

Fell Without Warning.

The fire started at 10:10, and a general alarm was turned in. Shortly after the firemen got to work the iron braces supporting the roof expanded in the intense heat, and the frail frame covering gave way with a muffled roar, falling in on the stalled engines. At this moment the southwest wall, 18 feet high and 18 inches thick, was seen to totter outward from the lateral pressure of the falling roof, and a yell went up to apprise of their danger the 15 men at work at this portion of the building. The warning came too late, and 12 of the men were buried in a pile of bricks several feet high. That only two were killed outright was nothing short of miraculous. The streams of water were

Poured on the Smoking Debris and as soon as possible the work of rescue began. Preston and Bowen were buried completely and were dead some time before their bodies were reached. Bohlman was taken out in an unconscious condition and removed to his home, where he died a few hours afterwards.

By this time half a dozen physicians had reached the scene and attention was directed towards caring for the injured. Leary, a machinist, was found to be the worst sufferer and it was feared he would scarcely live out the day. The others, though badly used up, will probably all recover. The property loss is estimated at \$100,000.

CLEVELAND BLAZE.

The Daily World and the Kellogg Company Burned Out.

CLEVELAND, March 18.—The Worthington block, at the corner of Ontario and Noble streets, occupied by The World newspaper plant and the A. N. Kellogg Newspaper company, was entirely destroyed by fire soon after 6 o'clock. The building was of brick and five stories in height. The basement and second floor were occupied by the Kellogg Newspaper company with a composing room and stereotyping plant, while the third floor was the Claffen Manufacturing company, makers of light hardware, and on the fourth floor were Bandeau Bros., manufacturers of dress and cloak trimmings. The loss on the building is estimated at \$40,000. The loss of the Cleveland World is placed at \$60,000. The Kellogg Newspaper company's loss is \$41,000. The Claffen Manufacturing company and Bandeau Bros. lose about \$15,000 each.

TWO BURNED TO DEATH.

St. Paul Women Victims of an Act of Carelessness.

ST. PAUL, March 18.—Nellie Closson, a milliner of 21, and her aunt, Mrs. Frances Summer, aged 38, were burned to death by a fire which originated at 6:50 a. m. at 833 Payne avenue. Miss E. C. Shale, a guest of Mrs. Summer, miraculously escaped death. She was but slightly injured, receiving only a few insignificant cuts on her hands. Her face was slightly scorched and her breast burned in spots. The blaze was occasioned by an explosion of gasoline poured on a burning fire. Miss Closson lived until 2 o'clock in the afternoon and Mrs. Summer until 5.

PLUNGE TO DEATH.

Man and Boy Fall Sixty Feet by the Breaking of a Rope.

DULUTH, March 18.—While Frederick Marcott, the inventor of a patent rope fire escape, was giving an exhibition at the Spaulding House, assisted by his little cousin, George Marcott, aged 12, the rope broke when they were at the third story and they fell head downward onto the sidewalk, some 60 feet below. The boy was instantly killed, his head being crushed like an egg shell, while Mr. Marcott, who struck partly on his back, was picked up unconscious and with several bones broken and his head terribly mangled.

IOWA INCENDIARISM.

Town of Algona Patrolled All Night to Prevent Fires.

ALGONA, Ia., March 18.—At midnight the fifth of a series of incendiary fires started in a building which was saturated with coal oil. The people here are much wrought up over these fires as there is no clue whatever to the incendiary. The local militia company was called out and patrolled the town the rest of the night. An organization has been perfected to the safety of the town.

A GREAT LOCKOUT.

Two Hundred Thousand English Boot and Shoe Operatives Idle.

LONDON, March 18.—The great lock-out of bootmakers, affecting 200,000 operatives, has commenced. As previously cabled to the Associated Press, owing to a complicated dispute concerning the use of improved machinery and other matters, the members of the National Federation of Bootmakers on March 8 notified the operatives to stop work. The employers refused to arbitrate the questions in dispute, claiming that the operatives did not accept previous decisions by the arbitrators. One of the results of this notice was that on the following day, the shoe operatives' union called out all the operatives who were not obliged to give a week's notice and 10,000 operatives left work that day. The lockout, it is expected, will eventually affect about 400,000 operatives.

Americans Do Better Work.

It has been stated here that it is a question, not of fair dealing between capital and labor, but of whether English boot and shoe making can be carried on in the face of American competition. In this connection it has been stated by the employers that even if the American operatives got twice the wages paid in England, they can turn out cheaper shoes, owing to their more intelligent use of machinery. The men locked out in England are said to have a fund of \$300,000 with which to see them through the first month of the lockout. But it is estimated the trouble will cost the Leicester district alone at least \$1,000,000 in wages.

HEAVY RAINS AND WIND.

Immense Damage and Some Loss of Life in Alabama.

GADSDEN, Ala., March 18.—News comes from several sections of the state of great losses in houses and cattle by the big rains and strong wind prevailing the past few days. At Pronto, Lucy Haversham, a 3-year-old girl, was blown some distance and struck a tree, breaking her arm and leg and several ribs. From Brewton and Eufaula come news of great damage to farms and destruction to cattle. The worst fatality occurred on the Goosa river, 30 miles above this place. A waterspout burst and the river rose out of its banks, unloading the house of Jacob Anderson and carried him, his wife and baby down the stream. The house was wrecked upon a rock and the three inmates drowned. Three men who were logging on the Goosa have not been seen since the storm and are thought to have been lost.

DEAD IN THEIR SHANTY.

Three Hunters Evidently Poisoned by Their Own Carelessness.

CHIPPEWA FALLS, Wis., March 18.—A horrible discovery was made by a party of men hunting in the neighborhood of Ingram. The dead bodies of Ed Duffney, John Hanson and another man were found in an old lumber shanty. From all appearances they had been dead a number of days, the bodies being frozen stiff. Duffney and Hanson were formerly employed by Alvord as woodsmen, but quit work to hunt wolves, using poison to kill them with. The supposition is that in preparing supper they accidentally got poison mixed with the food, carrying everything in the same sack. Their dog was found dead in the same room.

GRAIN AND SALT BURN.

Big Elevator and Warehouse at St. Louis Destroyed.

ST. LOUIS, March 18.—The storage warehouse and elevator of Hugh Rogers & Co., dealers in salt and grain, was destroyed by fire, causing a loss of \$200,000 on the building and contents; fully insured. The building was a two-story house, about 100 feet long and 40 feet wide, and contained salt and grain valued at \$180,000. The contents that escaped the fire were swept away and destroyed by the flood of water thrown on the flames. The fire broke out in the office, presumably from a stove. It raged all day, but was confined to the Rogers warehouse.

Litchfield Scorching.

LITCHFIELD, Minn., March 18.—The Litchfield flouring mills, owned by Church & Weber, burned at 1 o'clock, with the exception of the enginehouse. The warehouse, elevator and several hundred cords of wood were also destroyed.

Inmates Rescued With Difficulty.

MILLERSBURG, O., March 18.—The Holmes county infirmary near this place burned during the morning, causing a loss of \$25,000. The 46 inmates of the institution were rescued with great difficulty, but all were taken out safely.

Forty-three Bodies Recovered.

TROPPAU, Austrian Silesia, March 18.—Forty-three bodies have been recovered from the Moheggan mine and a number of miners are still unaccounted for.

Diamond Cutters to Be Deported.

WASHINGTON, March 18.—Secretary Carlisle has rendered a decision in the diamond cutter case, in which he holds that diamond cutting is not a new industry within the meaning of the act of 1885, and therefore the several diamond cutters who were brought to this country some months ago under contract to engage in diamond cutting must be deported.

Five Boilers Explode.

WORCESTER, Mass., March 18.—Low water in one of the fourteen boilers at the extensive boiler plant of H. N. Slater's south village woolen mills, in Webster, caused a terrible explosion. The plant and five boilers were ruined and other damage about the works was done.

Much Stock Burned.

ANAMOSA, Ia., March 18.—A barn on Henry Born's place in Walnut Grove, near Moreley, burned with 18 head of horses, 10 milk cows, 12 fat hogs, 53 sheep, the whole implement outfit of the farm, 250 bushels of oats and 30 tons of hay.

State of Minnesota, County of Brown | ss
In Probate Court, Special Term, March 1st, 1895.

In the Matter of the Estate of David S. Davies, deceased.

Letter Testamentary on the estate of David S. Davies deceased, late of the County of Brown, and State of Minnesota, being granted to Rachel Davies;

NOW IS THE TIME.

To buy your seeds. We have on hand all kinds of grass seed such as CLOVER, White, Red, Alsike, Alfalfa, Italian, Timothy, Rye, Blue Grass, Red Top and Orchard Grass. All of the very best quality.

Pioneer Drug Store.

AT AND BELOW COST.

I will now sell my entire line of Dry Goods at and below cost for cash or in exchange for produce.

Wm. Hummel.

THE LATEST.

The Chariot Race or Ben Hur March by E. T. Paul. For sale by Hauenstein, the Jeweler. Come and try it.

Marvelous Results.

From a letter written by Rev. J. Gundersman of Dimondale, Mich., we are permitted to make this extract: "I have no hesitation in recommending Dr. King's New Discovery, as the results were almost marvelous in the case of my wife. While I was pastor of the Baptist Church at Rives Junction she was brought down with Pneumonia succeeding La Grippe. Terrible paroxysms of coughing would last hours with little interruption and it seemed as if she could not survive them. A friend recommended Dr. King's New Discovery; it was quick in its work and highly satisfactory in results." Trial bottles free at O. M. Olsen's Drug Store. Regular size 50c. and \$1.00.

Of Interest to Mill Owners

W. S. FAUHL, having had six years' experience in Mill-wright work, can be relied upon to give satisfaction in contracts of all natures. Repairing of all kind also performed in the quickest and best way. Address: W. S. FAUHL, New Ulm, Minn.

State of Minnesota, County of Brown | ss
In Probate Court, Special Term, March 14th, 1895.

In the Matter of the Estate of Margaretha Losleben, Deceased.

On reading and filing the petition of Jos. A. Eckstein as Executor of the estate of said deceased, representing among other things, that he has fully administered said estate and praying that a time and place be fixed for examining and allowing the final account of his administration, and for the assignment of the residue of said estate to the parties entitled thereto by law; and also for his discharge as such Executor.

It is Ordered, that the said account be examined and petition heard by the Judge of this Court, on the 12th day of April A. D. 1895, at 10 o'clock A. M., at the Probate Office in the City of New Ulm in said County.

And it is Further Ordered, that notice thereof be given to all persons interested by publishing a copy of this order once in each week for three successive weeks prior to said day of hearing in the New Ulm Review, a weekly newspaper, printed and published at the City of New Ulm, in said county.

Dated at New Ulm, Minn., March 14th A. D. 1895.

By the Court,
Jonas Laudenschlager,
Judge of Probate.
