Boulevard Broadway.

That's What the Council Decided to do at its Friday Session.

Appropriations Made for the Fourth and the G. A. R. Encampment.

A Stringent Bicycle Ordinance is Adopted.

The City Council held two sessions last week, one on Tuesday and one on Friday evening.

At the first meeting a committee representing the Commercial Union made a request for an appropriation of \$600 to assist in defraying the expenses of a joint celebration of the Fourth of July and the opening of the new road. After listening to various arguments as to the necessity of the appropriation, the Council decided to donate \$400 with a partial promise that they would come to the relief of the committee in case it should prove absolutely necessary.

At the suggestion of the Board of Health, a resolution relating to offal and garbage being thrown on the streets and alleys in certain parts of the city was passed unanimously and the city attorney instructed to draw up an ordinance in accordance therewith.

The delegates of the local Fire Department to the state meeting at Duluth were allowed \$80 towards paying their expenses.

A request of the Superintendent of waterworks to have a small addition built at the pumping station, to be used as a sleeping room for the assistant, was referred to the waterworks committee with power to act.

At the request of the Winona & St. Peter Railway Company the grade of Third North Street was changed so as to be five feet above the present established grade at the point where it is crossed by the Northwestern tracks. This will make the section between the two roads perfectly level.

A stringent bicycle ordinance, prohibiting the riding of wheels on walks and compelling the use of lanterns on the streets in the evening was presented by the attorney and unanimously adopted.

The Concordia Band was allowed the use of the southeast room of the second story of the German Park School Building for meetings and rehearsals, providing that the band give five concerts at the Park during the year and furnish music on Memorial Day.

At the special meeting on Friday evening, E. G. Koch, as chairman of the Board of County Commissioners, appeared before the council and asked permission to use part of the ground on Sublot 3, Outlot 445, for grading the road to the Metz bridge. The request was granted with certain trivial provisos which will be complied with.

Col. Baasen, representing Hecker Post, also appeared and petitioned for an appropriation towards defraying the Grand Army Encampment expenses in this city. The council allowed the Post the sum of \$150.

The important business of the evening, however, was the matter of boulevarding Broadway. The clerk read the proceedings of the Board of Public Works which recommended the proposed improvement or in other words the grading, graveling and boulevarding of Broadway from Third North Street to Fifth South Street, and upon motion the proceedings were ratified and the work ordered done immediately. The expense is to be borne as follows: One third by the city at large and two thirds by the abutting property. Sidewalks are also to be laid on both sides of the street, according to resolution adopted May 6th.

It was further resolved that the work on Broadway be executed according to plans and specifications on file with the city clerk and bids are to be received up to 5 o'clock in the afternoon of June 25th. All bids must be accompanied by a certified check for \$50.

A petition of John Hauenstein and others relative to the grading of part of Franklin Street was presented and the council decided to visit the said street for investigation on Monday, June 8th.

The petition of the Great Western Band for aid again came up, but no action was taken.

Building permits were granted to John Weratschka, Jacob Pfenninger, Ferdinand Sanwald, Louis Buenger, Peter Manderfeld and Fr. Baasen.

At the suggestion of the Fire Depart-

ment committee, the chief of the department was instructed to invite bids on 500 feet of 2 1/2 inch rubber hose and present the same to the council at its next meeting.

A motion ordering all owners and occupants of lots and premises fronting on State Street, between Second and Fifth South Streets, to have sidewalks laid, six feet wide and seven feet from the property limits and all according to grade before July 1st, was passed by a unanimous vote.

After hearing the report of the special committee on watering fountains, it was agreed to lay the matter over to some future meeting.

THE POPULIST CONVENTION.

The People's Party Have a Harmonious Convention.

The Brown County Populist Convention was held at Sleepy Eye Saturday morning, the following delegates being present:

New Ulm: Ernst Brandt, B. Marschner, Gottlieb Oswald and W. H. Merkel.
Sleepy Eye: Jesse Palmer, Mike Frantz and W. R. Hodges.
Springfield: H. Amstett, Henry Plath and Chas. Gamble.

Cottonwood, Edgar Small and John Dietz.
Home: C. P. Cutting, Henry Heimerdinger and James Montgomery.
Linden: Ole Jorgenson and Anton Ouren.

Hanska: Christian Ahlness, Anton Torgemsen and John Amundson.
Prairieville: Geo. Irwin and W. H. Palmer.

Stark: E. A. Larrabee and Hubert Hillesheim.
Albin: Peter Shelum was the only delegate present.

Ernst Brandt, chairman of the county committee called the convention to order and called for nominations for permanent chairman. Henry Heimerdinger was the only person mentioned for the place and was unanimously elected. Ole Jorgenson received a similar election as secretary.

The convention passed off harmoniously and was not disturbed by the presentation of any annoying resolutions. All seemed to be of one mind.

The following delegates were elected to attend the congressional convention which meets at Marshall today:

Henry Heimerdinger, Ole Jorgensen, James Montgomery, Jesse Palmer, Hubert G. Hillesheim, Hans Sigurdson, Chas. Gamble, Lars Fredrickson, Jacob Ranek, Christian Ahlness, Andrew Baeker, Alonzo Nichols and Ernst Brandt.

From this it will be seen that all but three are from the county districts.

HERMAN SEAR SUICIDES.

He Takes His Own Life by Hanging Himself.

Herman Sear, who has been in the employ of C. H. Hornburg as a tinner for several months, committed suicide by hanging himself in the rear part of Hornburg's store early Saturday morning.

Just what prompted the young man to thus end his life is not known, but he seems to have been sickly of late and troubled with terrible headaches. In the morning he arose unusually early and appeared considerably agitated while eating his breakfast. He then opened up the store, placed some of the show goods out in front, and went to the elevator way, which leads into the basement, fastened a rope about his neck and jumped off. Mr. Hornburg arrived soon after the affair had happened, and, being surprised to find the store open and no one around, made a search. He soon found a human form hanging in the elevator way, and in his surprise at once hastened for a doctor. Schoch was summoned and when he arrived found the body warm but lifeless.

Nothing remained but to cut the rope and wait for Coroner Rothenburg. An inquest was held in the afternoon, but it developed nothing save the fact that the young man had deliberately taken his own life.

Sear was only twenty-four years of age and was well-known in New Ulm, having been born and raised in this vicinity. His mother and a couple of brothers are still living in Milford township, but none of them have any satisfactory explanation to give of their relative's action. It is claimed however that he had been contemplating the deed for some time and is even known to have

hinted to his mother that he would do something rash, alleging that he was sick and could stand it no longer.

The funeral occurred Monday after noon.

Caucuses.

The Democratic primaries were held Wednesday evening, the attendance being meagre. Delegates to the county convention at Sleepy Eye were elected as follows: First Ward: Geo. Graff, M. Mullen, Henry Wehly, Richard Pfefferle, James J. Green, John Buschers and A. H. Lienhard. Ward Committees: C. W. H. Heidemman, Henry Wehly and Richard Pfefferle.

Second Ward: Otto Baarsch, O. C. Strickler, Willibald Eibner, Emil Wickerski, Henry Berg and John Henle. Ward committee, Francis Baasen, Otto Baarsch, and Henry Berg.

Third Ward: Fred Pfaender, Alb. Steinhauser, Wm. E. Koch, Chas. Brust, Capt. S. A. George and Henry Koehler. Most of the delegates went to Sleepy Eye by team.

THE DEMS HAVE TROUBLE.

The County Convention at Sleepy Eye was Far From Harmonious.

A Fight Precipitated Over the Financial Resolutions.

The Democratic County Convention which assembled at Sleepy Eye Saturday afternoon developed, before it had gone very far, into quite a stormy one. The financial question proved to be the stumbling block.

The attendance was very small, only four country towns being represented. The delegates present were as follows: New Ulm, 18; Sleepy, Eye 6; Springfield, 2; Mulligan, Home, Burrastown and Stark, 4.

Geo. Graff of New Ulm called the convention to order and Chas. Berg, of Sleepy Eye, was elected as chairman and W. E. Koch, of New Ulm, secretary. Editor Green of New Ulm was placed upon the committee on resolutions and together with his associates reported in favor of not adopting any resolutions on account of meagre representation. This at once started the squabble. Chief Heidemman took the floor and insisted that those present constituted a convention and were entitled to go on record. He wanted resolutions and insisted that the new committee be appointed. Chairman Berg ruled that this was in order and appointed a new committee of which Heidemman was chairman. The resolutions reported by this committee were strong ones—couched in Heidemman's own language. They endorsed the administration and Cleveland in particular, declared for a gold standard and against the free coinage of silver at the rate of 16 to 1.

When the resolutions were read Green and his supporters at once opposed them bitterly, Green making quite a plea for silver and in favor of keeping in touch with the national convention. Charlie Berg stated that it was the first time he had heard of a silver Democrat in Brown county. Green retorted that he would have a chance to discover lots of them before the campaign was over. Heidemman said he didn't care whether the National convention declared for silver and nominated a silver candidate for president or not. He wanted Brown County Democrats to take a stand and he wanted them to go on record as approving of Grover Cleveland's administration and antagonizing the silver heresy.

For a while the battle raged furiously over that small gathering of faithfuls and dissension broke out from every corner.

Finally the resolutions were put to a vote and passed by a small majority. The victors smole a bitter smile—those outside of the trenches were angry.

Then came the matter of electing delegates to the state convention. Here the administration men again got in their work by defeating Green and several others. The elected ones were Albert Steinhauser, Geo. Graff, A. H. Lienhard, Emil Wickerski and John Bushard of New Ulm, E. P. Bertrand, Charlie Berg and Hy. Kath of Sleepy Eye and Geo. Ross of Springfield. Not a single country town was honored with a place on the delegation. As a result there were some who went home mad, to state it mildly.
