MERRITT WILL GO

Leaves the Philippines During the Week to Attend the Peace Conference.

Story Not Confirmed at Washington but is Undoubtedly Authentic.

AT PEACE WITH AGUINALDO

Rumor Current That Everything Has Been Settled Satisfactorily.

Warships Olympia and Raleigh Sent to Hong Kong to Be Drydocked.

MANILA, Aug. 30.—Steamers are entering the river as usual. The Americans are temporarily maintaining the former Spanish tariff. Business is brisk. The United States warships Olympia and Raleigh have gone to Hong Kong to go into dock. Admiral Dewey has transferred his flag to the Baltimore.

General Merritt will sail on the steamship China on Tuesday, on his way to Paris to attend the sessions of the peace conference. No agreement has yet been reached with Aguinaldo upon any subject although circumstantial rumors are current that everything has been settled to the mutual satisfaction of those concerned.

STORY PROBABLY TRUE.

Manila Dispatch Regarding Merritt Not Confirmed, However.

WASHINGTON, Aug. 30.—No confirmation could be obtained from officials of the war department of the report that General Merritt would sail Tuesday from Manila to attend the session of the peace conference at Paris. There are reasons to believe, however, that the report is correct, although the war department may not be advised as yet as to the exact date of General Merritt's departure from Manila.

General Merritt's instructions when he went to the Philippines were thoroughly to familiarize himself with the situation on the islands. These instructions probably were given him in anticipation of the peace conference. Since his arrival at Manila he undoubtedly has gathered a fund of information that would be of distinct value to the American peace commissioners and the idea is to have him attend the conference in an advisory capacity. He would be able to supply much detailed information that it would be impossible for the commissioners to obtain from any other source.

PEACE FOOTING OF 100,000.

Next Congress Will Be Asked to Increase the Standing Army.

NEW YORK, Aug. 30.—One of the important matters which will occupy the attention of congress at its next session will be legislation to increase the strength of the permanent military establishment, says the Washington correspondent of The Tribune.

Chairman Hall of the committee on military affairs of the house of representatives, who is in Washington, where he expects to remain until early in November, is devoting much attention to the subject and has already discovered that the war has removed some of the more formidable obstacles which hindered and finally prevented the enactment of a satisfactory law for the reorganization and increase of the army at the last session of congress. Early in the coming session he will introduce a bill to correct the defects in the existing law and to increase the strength of the army on a peace footing to 100,000 enlisted men. He feels confident that the measure will be passed.

LEFT THE POPULISTS OUT.

Idaho Democrats and Silver Republicans Name a State Ticket.

BOISE, Ida., Aug. 30.—The Silver Republicans and Democrats have concluded to fuse, leaving the Populists out because of the latter's failure to harmonize the two factions. The Democrats named the governor and the Silver Republicans the congressman. Nothing has developed respecting the programme of the Populists.

HASN'T ASKED GERMANY'S OPINION.

BERLIN, Aug. 30.—A high official at the foreign office assured the correspondent of the Associated Press that the United States government had not asked Germany's opinion or wishes regarding the Philippines. The official added that he did not believe America would ask any power to participate in the Philippines settlement.

Will Sail on the Seneca.

WASHINGTON, Aug. 30.—The Porto Rican military commission will sail for Porto Rico on the Seneca, which at present is one of the vessels of the war department, but probably will be transferred to the navy. Admiral Schley will hoist his flag upon her while the Brooklyn will go on dock for repairs.

Yellow Fever at Vera Cruz.

VERA CRUZ, Mex., Aug. 30.—Several cases of yellow fever have been declared themselves and strict sanitary measures are being taken to prevent a spread of the disease. The state authorities have adopted precautions against the importation of the fever into Gulf ports within their jurisdiction.

HIS AFFLICTION FATAL.

Ex-Governor Matthews of Indiana Passes Away at Winona.

WINGATE, Ind., Aug. 30.—At 6:30 A. M., at the quiet Meharry homestead, where he was taken immediately after his sudden affliction, ex-Governor Claude Matthews passed away peacefully, surrounded by the members of his family. The only word he spoke after he was stricken was to his wife a few hours before he died. He immediately lapsed into a profound coma from which he did not recover.

Governor Matthews was born in Bath county, Ky., the birthplace of Abraham Lincoln, Dec. 14, 1845. He left Kentucky in 1868 and settled in Vermillion county, Ind., where he had a farm of 3,000 acres. Although always having a strong predilection for politics, Mr. Matthews rarely sought office. He served a term in the legislature in 1876. In 1890 he was nominated and elected secretary of state and in 1892 he was chosen governor.

PROMOTIONS FOR VALOR.

Officers Who Helped Capture Manila Are Honored.

WASHINGTON, Aug. 30.—President McKinley has rewarded a large number of the army officers who took part in the storming and capture of Manila. Among the number Brigadier Generals Anderson, MacArthur, Greene and Babcock who are made major generals of volunteers. Of the Thirtieth Minnesota Colonel Reeve has been made a brevet brigadier general, Captains Bjornstad and Seebach brevet majors and Lieutenant Lackare brevet captain.

VOLUNTEERS IN A WRECK

Two Killed, One Fatally and Six Seriously Injured.

TOO FAST AROUND A CURVE

Engine Jumped the Track, Derailed Five Cars and All Rolled Down a Steep Embankment.

BIRMINGHAM, Ala., Aug. 30.—Two enlisted men of the Sixty-ninth New York volunteers were killed instantly, one fatally and six seriously injured in a wreck which occurred on the Louisville and Nashville railway near here. The killed are: Peter Farley, Company G, Sixty-ninth New York; Frank Glennon, private, nephew of Colonel John Duffy.

The train was carrying the Sixty-ninth New York from Fernandina, Fla., to their new camp at Huntsville. The train wrecked was the first section. It was going at a high rate of speed. Ten miles north the engine and tender jumped the track derailed five cars which rolled down a steep embankment. The soldiers claim the train was running too fast around a curve. The injured were brought here and are being given every attention at the infirmary.

CONDITION VERY BAD.

Soldiers Still at Santiago Disappointed Over Delay in Starting.

SANTIAGO, Aug. 30.—The transport Roumanian will leave for Montank Point during the day with 650 men of the Seventy-first New York, Second and Ninth Massachusetts, the Second regulars, the Tenth cavalry and the Sixteenth and Twenty-first regiments. The condition of the men is extremely bad, the disappointment over the delays in getting them away having greatly affected their spirits. Ambulances were found to be necessary to convey most of them to the steamer. The condition of the Spanish prisoners at Guantanamo is desperate and it is feared death will claim nearly all of them before they reach Spain. Their condition is the result of hard living and poor food. The rations and medicine sent from Santiago were practically too late.

BELIEVES WAR CERTAIN.

Chinese Minister at St. Petersburg Has an Opinion.

LONDON, Aug. 30.—A special dispatch from Shanghai says it is stated there that the Chinese minister at St. Petersburg has informed his government that in his opinion the Chinese question will precipitate a conflict between Russia and Great Britain. This state of affairs, he says, is owing to the British ambassador presenting a note at St. Petersburg of such a peremptory nature demanding freedom of enterprise in regions where Russian influence is supposed to predominate that Count Muraviev cannot accept.

Will Go to Yucatan.

MERIDIA, Mexico, Aug. 30.—Many Spaniards, residents now in Havana and other Cuban ports, are preparing to come to Yucatan and settle, believing they can improve their fortunes. On the other hand Cuban land proprietors among the refugees here are refusing to sell their lands and will soon return.

Other Countries Demand a Share.

SHANGHAI, Aug. 30.—A dispatch from Peking, dated Aug. 27, says the French, Italian and Dutch ministers have formally demanded a share for their respective nationalities in the professional chairs at the new university of which an American, Professor Martin, is president.

Three from Illinois.

WASHINGTON, Aug. 30.—Gov. Tanner of Illinois was at the war department, and as the result of a talk with him, Adj. Gen. Corbin issued orders to muster out the First, Fifth and Seventh regiments of Illinois.

AN OVATION FOR SCHLEY.

Here at Santiago. Covered by Navy Department Employees.

WASHINGTON, Aug. 30.—Admiral Schley received a great demonstration at the navy department. He came to the department quite early, and after a call upon Acting Secretary Allen he emerged from the main door of the secretary's office. His presence in the building had become known, however, and as soon as he was seen cheers rent the air from the clerks who had assembled to catch a glimpse of the hero of Santiago. The officers and clerks from the navy, state and war departments crowded the corridors leading up to the navy department, until it was impossible to pass through. They crowded around the admiral, eagerly reaching forward to shake his hand. The lady clerks were even more demonstrative, and the admiral was kissed by young and old without discrimination. It was finally necessary to form a line and pass the crowd around through the large rooms of the secretary's office, in order to give them a chance to shake hands with Admiral Schley.

Many prominent army officers took part in the demonstration. The admiral finally escaped into Captain Crowninshield's office. Admiral Schley left Washington during the afternoon and expects to sail for Porto Rico next Wednesday with the military commission.

THE DANGER

to which the Expectant Mother is exposed and the foreboding and dread with which she looks forward to the hour of woman's severest trial is appreciated by but few. All effort should be made to smooth these rugged places in life's pathway for her, ere she presses to her bosom her babe.

MOTHER'S FRIEND

allays Nervousness, and so assists Nature that the change goes forward in an easy manner, without such violent protest in the way of Nausea, Headache, Etc. Gloomy forebodings yield to cheerful and hopeful anticipations—she passes through the ordeal quickly and without pain—is left strong and vigorous and enabled to joyously perform the high and holy duties now devolved upon her. Safety to life of both is assured by the use of "Mother's Friend," and the time of recovery shortened.

"I know one lady, the mother of three children, who suffered greatly in the birth of each, who obtained a bottle of 'Mother's Friend' of me before her fourth confinement, and was relieved quickly and easily. All agree that their labor was shorter and less painful."
