John Kreuger was in town bright and early on Monday morning with a mysterious package done up in a red bandana hankerchief which he was taking 30th to Springfield to show to the County Fimeyer, Wherea Attorney. He also had a story for the ear of that official which has all the earmarks of tragedy behind it. The warning was legibly written with a lead pencil and was not signed. It was a friendly warning and not a threat, and friendly warning and not a threat, and the siven of a copy of this order for three successive weeks previous to said day of hearing in the New Ulm Review. a weekly newspaper printed and published at the city of New Ulm, in said County.

QUESTION ANSWERED

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers, and grandmothers, never thought of using anything else for Indigestion or Biliousness. Doctors were scarce, and they seldom heard of Appendicitis, Nervous Prostration or Heait failure, etc. They used Agust Flower to clean out the system and stop fermentation of undigested food aegulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid from, to make you satisfied there is nothing serious the matter with you. Sample bottles at
