BLIZZARD

The name instantly suggests a sentiment. The cigar is a nice, COOL smoke. The aroma, or, more properly speaking, the "Bouquet" of the "BLIZZARD" cigar comes through the judicious blending of the leaves that go to make up the cigar. This skill of blending and working Havana tobacco can only be acquired by years of patient work. The "BLIZZARD" cigar represents not only the choicest, brightest, cleanest, most carefully selected leaf, but the best workmanship at our command. Critical smokers prefer this cigar for its general excellence and exquisite bouquet. TRY ONE.

If your dealer does not handle it, send us \$1.00 and we will forward, prepaid, a box containing a dozen "Blizzard" cigars.
