TO CURE A COLD IN ONE DAY

Take Laxative Bromo Quinine Tablets. All druggists refund the money if it fails to cure. E. W. Grove's signature is on each box. 25c.

CLOSING EXERCISES HELD

Dr. Martin Luther College Graduates Class of Seven.

Nice Program Carried Out in Chapel Monday Evening.

Large Audience Witnesses the Presentation of Diplomas.

Seven young men, students at Dr. Martin Luther college, graduated from and received the diplomas of that institution Monday evening. A very elaborate and interesting program had been arranged to commemorate the completion of their course and it was carried out in a most satisfactory manner.

The commencement was held in the college chapel, which was artistically draped for the occasion, American flags and garlands being used in the decorations. Above the rostrum appeared the class motto, "Omni ad Dei Gloriam," and also a group picture of the graduates. Members of the faculty and Rev. C. J. Albrecht occupied chairs on the raised dais and facing them was the class.

A crowd that completely filled the large rooms and extended out into the hall listened to the closing program, which was opened with a hymn, Wm. Rowe acting as organist. President J. Schaller then delivered the annual address. In the course of his remarks, which were listened to with attentiveness, Prof. Schaller outlined the work that lay before the graduates. He informed them that educators in general could not expect great pecuniary reward for the services and that teachers for the church had even less to look forward to in the way of accumulating the world's goods. Their only recompense was to dedicate their lives to the Master and he counseled them to work diligently along the lines for which they had been trained.

After a second hymn Rev. C. J. Albrecht arose and addressed the class briefly, eventually handing them the rolls of parchment for which they had so earnestly striven. Wm. Rowe bade farewell to the school in his valedictory and then Prof. Schaller asked the prayer and benediction. The doxology, as played by Ernst Schulz, completed the commencement, but immediately afterward a special musical program was rendered.

In carrying out this program the students gave evidence of careful preparation and all of the numbers elicited hearty applause. It was as follows: Orchestra....."Eagle's Nest Overture" Organ Solo.....Ernst Schulz Violin Duet, By Kahner, Adalbert Schaller, Miss Ida Sperling, Accompanied. Chorus....."Pilgrim's Chorus" Violin Solo.....Henry Kahner, Miss Ida Sperling, Accompanied. Organ Duet.....Ernst Schulz, William Manthey Violin Quartet.....Henry Kahner, Wm. Bleck, Adalbert Schaller, Edgar Guenther. Chorus....."Der Her ist unsre Zuversicht" Orchestra.....Kindersymphonie Just prior to dismissing the audience

Prof. Schaller announced that it would be necessary to open the college earlier next fall than has been the custom. In order to complete the full forty weeks of school the students would be required to report on August 25th, the college to open the following day.

Students who received diplomas Monday night were Gustaf Albrecht, New Ulm; Henry Kahner, Appleton, Wis.; William Manthey, Watertown, Wis.; Arthur Pape, Fond du Lac, Wis.; Evan Reid, Concord, N. C.; William Rowe, Sheboygan, Wis., and Ernst Schulz, Norfolk, Neb.

CARRIERS ARE AT WORK

Free City Delivery Was Begun in New Ulm Monday.

Mail was delivered for the first time in New Ulm Monday morning. That morning Postmaster Krook caused the letter boxes to be placed in position and the three carriers made their initial trips over the routes. As if to accustom them to exposure, several showers fell during the day and in the intervals the sun beat down hotly.

At the present time the carriers are making two deliveries each day in all parts of the city, except to Dr. Martin Luther college and St. Alexander hospital. This, however, may prove too great a distance for the carriers to cover every day within the required eight hours. If such is found to be the case the district wherein two deliveries are to be made will be reduced in size and a single delivery made to the outlying sections.

Carriers are now required to report for duty at 7 o'clock in the morning, leaving upon their first trip a half hour later. In the afternoon they report at 1:45 and leave the office at 2:15. They are required to wear the regulation gray uniform but are not supposed to work longer than 8 hours per day.

One carrier, Adolph Burmeister, will have one hour of duty at the window between 6:30 and 7:30 each evening except Sunday. Temporarily the general delivery window will be used for the carriers' window, but the latter will soon have an aperture of their own. Hours at the window will be from 6:30 to 7:30 in the evening and from 12 to 1 Sundays. To avoid confusion mail will not be delivered to persons renting boxes.

Bank Looted at Vesta.

Robbers entered the Bank of Vesta last Tuesday night and robbed it of \$2,000 in cash and approximately \$30,000 in notes. Nitro-glycerine was used to open the safe, two explosions completely wrecking the strong box. The robbery was committed some time after midnight and the thieves escaped with a stolen team, which was subsequently recovered a few miles south of Milroy. Strange as it may seem no one in Vesta heard the explosions and the affair was not discovered until Wednesday morning. The robbery is supposed to have been the work of three well-dressed men who were seen about the village Tuesday and the Gold-Stack company of Redwood Falls, owners of the bank, are exerting themselves to the utmost to obtain trace of the suspects. As the bank carried burglar insurance they will be out nothing on the loss of the \$2,700 in cash and the balance of the booty will prove valueless to the robbers. It consisted of real estate mortgages, secured notes and other securities, but as the records were not injured the bank will be able to make all collections. Sheriff B. C. Schueller of Redwood Falls, was in New Ulm last Wednesday working on the case but was unable to obtain anything which might be used as a clue to the identity of the marauders.

Freight Fireman Hurt.

Charles Johnson of Waseca, fireman on a Chicago & Northwestern freight train, was injured in the local yards Sunday night. About 11 o'clock his locomotive backed down to the coal shed to take on coal. Johnson stood on top of the tender and pulled down the chute but as he was returning it to its place a switch engine which had been ordered to pull the through freight over the hill backed into the train. The stationary locomotive was pushed backward and Johnson was caught between the top of the cab and the coal chute. Both his legs were cut and bruised, his injuries being of such a nature that he suffered intense pain. Dr. O. C. Strickler was summoned and ordered the man taken to his home.

D. W. Bath, who purchased the Sleepy Eye Dispatch some months ago, visited New Ulm for the first time Monday, he making it a point to look up the county officers and visit with the craft. Mr. Bath is an agreeable gentleman and an experienced newspaper man.

SHOW EARLY IN SEPTEMBER

Agricultural Society Will Give Fair Second Week.

Directors Hold Meeting Monday Night and Elect Officers.

Vote to Go to St. James Tomorrow to Obtain Attractions.

During the second week in September the Brown County Agricultural society will hold its annual fair. This was decided upon at a meeting of the board of directors Monday night and it is the intention of the promoters to give the best show in the history of the association.

Monday night's meeting was held in the office of Hoidale & Somsen and various matters affecting the policy and interests of the society were discussed. All of the old officers were re-elected, with but one exception. Secretary H. N. Somsen absolutely declined to serve another year and his place was filled by electing Wm. Pfander, Jr. The officers now are Ferdinand Crone, president; Jacob Klossner, Jr., vice president; Wm. Pfander, Jr., secretary; Frank H. Behnke, treasurer.

It was the sense of the meeting that no time should be lost in setting about the preliminaries for the September exhibition and it was deemed advisable to begin looking up attractions at once. This part of the work will be in charge of the directors and it was voted to have as many of the latter as possible go to St. James tomorrow noon to inspect the attractions at the Knights of Pythias carnival.

As the association is now in excellent shape, no pains will be spared to give a fine fair in the fall. The indebtedness of the society is, comparatively speaking, small, and it is believed that the debt can be raised without great difficulty. In order to stimulate interest it was voted to place 100 additional shares in the society upon the market.

Last Thursday evening a meeting of the stockholders of the society was held in the office of Hoidale & Somsen. At that time Secretary H. N. Somsen submitted the following report of the financial condition of the association:

RECEIPTS.	
Cash on hand, Jan. 1, 1902.....	\$176.85
Profits on fairs.....	153.23
Sale of material to Indian	35.00
Massacre Committee.....	62.20
Rec'd from 1900 assessments.....	11.00
Base-ball receipts.....	41.96
Total receipts.....	\$444.74
DISBURSEMENTS	
Insurance and other expense.....	\$302.68
Interest.....	35.00
Paid for real estate.....	110.00
Paid on note of P. Kuehlbach.....	100.00
Total disbursements.....	457.68
Treasury overdrawn.....	5.89
OBLIGATIONS.	
Bills payable.....	\$300.00

After adopting the foregoing report the following directors were elected for the ensuing year: Ferd. Crone, Henry N. Somsen, F. H. Behnke, Chas. Hauenstein, Otto Schell, Wm. Pfander, Jr., A. J. Vogel, J. L. Schoch, J. Klossner, Jr., Ben Juni, A. J. Eckstein, F. Burg, Sr., Ph. Liesch, H. F. Schrader, C. H. Dirks. They will meet Monday evening to elect officers and map out plans for the coming fair.

Bought "Hello" Material.

D. L. Williams of Cambria, one of the directors of the Minnesota Valley Farmers' Mutual Telephone company of South Bend, was in the city for a few hours Saturday. While here he informed the Review that his company would soon begin upon the work of building the proposed line. Last week they purchased their wire, poles and other material in St. Paul and the actual construction work will be begun within ten days. When completed the "hello" line will be upwards of 200 miles in length and 180 subscribers have already pledged themselves to adopt the service. The first outlay will be heavy, the cost of construction averaging about \$120 per mile, and to meet it every subscriber has been assessed the sum of \$35. It is expected that the number of subscribers will greatly increase after the line has been in operation for a time.

Large Attendance Wanted.

President Andrew J. Eckstein, of the Minnesota State Pharmaceutical association, desires the Review to state that the meetings in Turner Hall next week will be open to the general public. They are not intended solely for druggists and the local committee would feel particularly pleased if there was a large attendance on the part of local business men and ladies. President Eckstein on Monday received word from the Ramsey County Medical society that that association would send three physicians to the convention.

Women's Underwear.

With warmer weather come thoughts of change of underwear. Heavy underwear must be laid aside and something cooler, more comfortable for the hot summer days must be secured. Remember, that at our store can always be found all kinds, or any kind of underwear a woman may want. Our summer underwear is now in and we believe there is not a woman in town, that will fail to find here exactly what she wants in this line. Vests of every style—without sleeves, or with long or short sleeves. Prices 5c up.

Surprised

weren't you—to find that such splendid clothing could be had ready to put on and wear right away? Well, it has surprised a good many others, too. Didn't know what wonderful progress had been made in high grade clothing? It is

K. N. & F. Made

that accounts for it largely. Has the makers guarantee, and ours too. The prices range from

\$10 to \$20.

CRONE BROTHERS.

At Held Bros. Book Store.

Just the thing for a graduating present

A box of Stationery, Fountain Pen, A book, A box of Candy.

HELD BROS. BOOK STORE.

OTTOMEYER'S

The hot weather is here and you will want to dress cool. Call at our store—we have what you want for this kind of weather.

Fine Summer Dress-Goods—in all the latest patterns. Silk Mitts and Gloves. Silk Ribbon—in all the latest shades. Silk Veiling.
