GROCERIES

The first precaution to be taken in buying Groceries is to be sure they are

FRESH AND PURE.

We sell so much goods that no part of our stock has a chance to stay long on the shelves. This keeps the stock constantly changing and consequently the goods are sure to be fresh.

As to purity, we look out for that. No goods that are not pure and in every way fit to use go into our store, and of course none goes out.

When you pass our store just notice the

Fine line of fruits.

CRANDAL DEMANDS VINDICATION

Man of Many Names Protests His Entire Innocence.

"I must be vindicated. I am innocent and can prove it and if my attorneys here can not clear me I will send back home for some that can." So spoke W. E. Crandal now occupying a cell in the Brown county jail on a charge of tampering with the cash drawer at the Dakota House last Tuesday, in conversation with a Review representative.

"Yes, my right name is Crandal," continued the young man "and my home is in Syracuse, N. Y. I am traveling for a millinery house, only this is the dull season so I have been selling these flower bulbs. I am a member of the U. C. T. and can prove it."

"I wouldn't have my house get hold of an account of this little scrape for anything. I am engaged to a girl in Syracuse and she has read an account of my arrest in the papers and is much worried. She says she doesn't believe it, though, and I have written her that I will soon be alright."

Crandal is a man between twenty-five and twenty years of age, of dark complexion and will weigh about 175 or 180 pounds. He is a fluent talker and gesticulated freely as he explained his case to the Review reporter.

He says that he is not a stranger to New Ulm, entirely, as he was here four years ago working on a picture

scheme which he sold to one of the local merchants. Crandal admits he tried to skip his board bill at Mankato but avers that that is the only thing "shady" of which he has ever been guilty.

He does not explain, however, his object in assuming a new name in practically every town he goes into and this alone has aroused as much suspicion as anything else.

Tully Stood Tough on His Head.

M. J. Tully, the hustling agent for Inter-State Accident and Relief association of this city, added laurels to his fame as a follower of the manly art at Marshall a short time ago. There was a bitter fight on between two of the candidates for the county office in Lyon county during the last election and at a political meeting held as a rally for one, someone turned in the fire alarm and broke up the meeting. The offense was finally fastened by general suspicion on a man named Kinney, but when he was tried in court at the term of court just closed he was able to prove his innocence and was discharged. This angered a tough element in Marshall and they made a sally on Kinney and attempted to give him a "hickin." It was here that Tully "batted in." The man had been acquitted and he did not intend to see him persecuted, and so when the toughs came there was Tully on the defense. He did valiant service with his fists and stood one obstreperous man on his head.

Do not spend more of your life in coughing and worrying.

Binder Twine Higher.

The state board of control today fixed the prices of binder twine for the season of 1905. They are a fraction of a cent higher than a year ago, due to an increase of 1 1/2 cents in the cost of the raw sisal fiber.

The fact that enough raw material has already been purchased to run the twine plant until August 1 makes it possible to sell the twine lower than the raw material can be purchased for at this time.

The 1905 quotations, f. o. b., Stillwater, are as follows:

Sisal, 500 feet to the pound..... \$.08 1/2
Standard, 500 feet to the pound..... \$.08 1/2
Standard mixed, 500 feet to the pound..... \$.08 1/2
Standard manila, 500 feet to the pound..... \$.08 1/2
Manila, 600 feet to the pound..... \$.10 1/2
Pure manila, 650 feet to the pound..... \$.12

PIONEERS DIE SUDDENLY

Herman Albrecht and William Amme Summoned.

Both Men Pass Away Monday, at Ripe Old Age.

Former Came to New Ulm in 1858, Latter in 1867.

Herman Albrecht, an old settler and one of the defenders of New Ulm during the Indian outbreak, died at his home on South Jefferson street Monday morning. Cancer of the stomach was the cause of his death, a disease from which the patient had been a sufferer since last August.

Mr. Albrecht was 75 years old, being born in 1829, in Germany. He came to America in 1855 and settled first in Cleveland. Three years later he moved to Milford township, Brown county, and had lived there steadily until he moved to town ten years ago. During the massacre Mr. Albrecht brought his family into New Ulm and shouldered a gun with the others in defense of the town.

Deceased is survived by three sons and three daughters, they are: Mrs. Charles Kuelbach and Mrs. Otto Kluegel of New Ulm, and Mrs. Gustaf Schroeder of Hinkley, and Herman, Gustaf and Robert, who are living on the old farm in Milford.

The funeral will be this afternoon at 2 p. m., from the Lutheran church.

William Amme.

William Amme, aged 78 years, a resident of New Ulm since 1867, died at his home on North Broadway, Monday afternoon from asthma. Death came suddenly, as the patient was perfectly well until Thanksgiving day when he was compelled to lie down several times. Since then he has been failing fast. He caught a cold a few days before Thanksgiving and this developed into the fatal disease.

Mr. Amme was born in Allsted, Germany, November 4, 1826, and came to America in 1867, arriving in New Ulm in that year. He was a mason and followed his trade until 1882 when he opened up a store here, which he has run since. He also ran a saloon for six years, but gave it up to devote his time exclusively to his other business.

He was married in 1867 and his widow and three children survive him. The children are, Mrs. Louise Hangart and Herman Amme of New Ulm, and Mrs. Theresa Waldgen of Germany.

The funeral will be held tomorrow afternoon from the Lutheran church.

CURED CONSUMPTION.

Mrs. B. W. Evans, Charwater, Kan., writes: "My husband lay sick for three months. The doctors said he had quick consumption. We procured a bottle of Ballard's Horehound Syrup, and it cured him. That was six years ago and since then we have always kept a bottle in the house. We cannot do without it. For coughs and colds it has no equal." 25c, 50c and \$1.00. Sold by Eugene A. Pfeiffer.

HALL'S VEGETABLE SICILIAN Hair Renewer

A high-class preparation for the hair. Keeps the hair soft and glossy and prevents splitting at the ends. Cures dandruff and always restores color to gray hair.

Fruit at the Breakfast Table.

Nature Provides its own remedies, which, if used judiciously, insure perfect health at all times.

Aside from the pleasure of eating seasonable fruits before beginning the first meal of the day, this custom has undoubtedly arisen from the well known fact that nearly all fruit and more particularly plums and PRUNES contain natural laxative principles which act directly on the stomach and bowels. Constipation, that dread and troublesome complaint which is undoubtedly the basic cause of nine-tenths of the dyspepsia, indigestion, biliousness, etc., so prevalent among our people today, and which if neglected, surely leads to more complicated and serious organic diseases, can surely be prevented, and when not too far advanced, can be absolutely cured by the judicious use of the modern laxative and cathartic California Prune Wafers. They are not a patent medicine in the ordinary sense of the word, being compounded from fresh California Prunes, which every intelligent person knows is truly nature's laxative. A dainty little wafer, always the same, compounded in a highly concentrated form from fresh California Prunes, they are a natural dissolvent, acting on the contents of the stomach and bowels and not on the organs themselves. They regulate the Liver and Stomach. Cleanse the System and Purify the Blood. Cure all Bowel Troubles, Biliousness, Bad Breath, Bad Blood, Wind on the Stomach, Bloating Bowels, Foul Mouth, Indigestion, Pimples and Dizziness. Every household should have its family package of CALIFORNIA PRUNE WAFERS, and at the first signs of approaching illness or when under the weather, take a couple of wafers, and the doctor's bills will soon be much smaller than they are now. You can eat what you please if you follow each meal with a CALIFORNIA PRUNE WAFER, which quickly dissolves the most indigestible food, and helps to carry it through and out of the system in a gentle and healthful manner, without the slightest pain, griping or nausea.
