'PEN' TERMS FOR BURGLARS

Sleepy Eye Safe-Crackers Get Seven and a Half Years.

Upton and Murphy Plead Guilty to Grand Larceny.

Two Sleepy Eye Car Breakers Also Plead Guilty.

Seven years and six months at hard labor in the Stillwater penitentiary is the sentence meted out to Alex Upton and Ed Murphy, the two young men who pleaded guilty to grand larceny in the first degree in connection with the burglarizing of a Sleepy Eye store week before last.

Upton and Murphy were indicted by the grand jury, on two charges, one for grand larceny in the first degree, and the other for burglary in the first degree. They claimed that they were inexperienced in safe cracking and that the third man who was with them but escaped arrest did the cracking while they merely guarded the entrances.

They also gave some valuable clues which it is thought will lead to the arrest of the third man and they promised to tell where certain valuable papers belonging to Mrs. Salkowski were hid. In consideration to all this they were allowed to plead guilty to the first charge and the second was dismissed.

Upton gave his age as 32 years, while his companion gave his as 25. Neither are bad looking young men and if met in a crowd would easily pass for respectable men. Both told the court they had worked as common laborers and as upholsterers previous to their arrest.

Civil Calendar Quickly Disposed of.

The civil calendar proved to be easily disposed of, as but two of the twenty-seven cases were brought up for trial, the others being either settled out of court, continued, or dismissed. The murder excitement was responsible for this shortening of the court's work, the lawyers and litigants being willing to wait.

The two cases tried were McCormick Harvesting Machine company vs. George Tauer, in which the plaintiff was awarded \$113.26; and Peter Korolewski vs. Fritz Schleisner in which the plaintiff was awarded \$1.

The rest of the cases were disposed of as follows: Charles Neid, plaintiff, vs. John B. Haala, defendant, continued by consent.

John B. Haala, plaintiff, vs. Chas. Neid, defendant, continued by consent.

H. P. Peterson and A. H. Larson, as co-partners, and the Peterson Land company, vs. Berkner Bros., defendants, settled.

Thomas Brophy, appellant, vs. Albert Lamp, respondent, stricken from calendar on account of non-appearance.

Matt Hoffman, appellant, vs. board of supervisors of the town of Stark, Brown county, appeal from order of supervisors vacating road and from award of damages, settled.

Appellant and respondent same as above, appeal from order of supervisors laying out road and from award of damages, settled.

Charles Gamble, respondent, vs. Lorenz Gierg and Anna Gierg, appellants, appeal from justice court, continued by consent.

Louis A. Kruegar, plaintiff, vs. Magdalena Remiger and John Reimiger, defendants, demurrer to be argued in vacation.

Otto Kruegar, respondent, vs. Theodore Kroening, appellant, settled.

Henry Raschka, by Irene Raschka, his deserted wife, plaintiff, vs. John Raschka, defendant, settled. Same plaintiff vs. W. J. Julius, sheriff, settled.

Mary Guttum, plaintiff, vs. Henry Herr, defendant, settled.

Wenzel Merth, plaintiff, vs. Chicago & Northwestern Railroad company, defendant, continued.

Otis A. Fox, appellant, vs. board of supervisors of the town of Stately, respondents, stricken from calendar for non-appearance.

In the matter of the estate of William Koch, deceased, Edward Stoekert et al, appellants, vs. Robert Scher-

er, as guardian, respondent, appeal from justice court, to be tried in vacation.

William C. Frank, plaintiff, vs. Mary Bochum, formerly Vollmer, August Bochum, and Matilda Vollmer, defendants, to be tried in vacation.

Grand Jury Indicts Six.

The grand jury finished its work late Friday afternoon after a session lasting since Tuesday afternoon, and four indictments against six prisoners were the result of its labors. They included beside Dr. Koch, William E. Crandal, Ed Murphy and Alex Upton, John and Henry Miller.

Crandal was indicted on two charges, one for grand larceny in the second degree, charging him with stealing a pack of cards and a fine card case from the residence of Judge S. A. George, and the other with attempting grand larceny in the second degree, in trying to rob the Dakota House till.

It is the opinion of the police that Crandal is an all around crook and that he was selling flower bulbs merely to gain entrance to the houses, where he would lay his hands on any article of value that he could.

Ed Murphy and Alex Upton were charged with breaking into the store of Salkowski, Glotzbach & Clausen a week ago Friday morning, a full account of which was given in the Review of last week. Both are young looking men of tough appearance and the authorities are confident they have the right men.

The other two are charged with breaking into a box car in Sleepy Eye last summer and stealing some bottled beer.

Crandal and the alleged safe-crackers were arraigned Friday, and all three were represented by their attorney, Joseph A. Eckstein. Saturday they were again brought into court and pleaded not guilty.

The other two men were arraigned Saturday and Monday and entered pleas of not guilty. A. Frederickson was appointed their attorney.

Fruit at the Breakfast Table.

Nature Provides its own remedies, which, if used judiciously, insure perfect health at all times.

Aside from the pleasure of eating seasonal fruits before beginning the first meal of the day, this custom has undoubtedly arisen from the well known fact that nearly all fruit and more particularly plums and PRUNE-S contain natural laxative principles which act directly on the stomach and bowels.

Constipation, that dread and troublesome complaint which is undoubtedly the basic cause of nine-tenths of the dyspepsia, indigestion, biliousness, etc., so prevalent among our people today, and which if neglected, surely leads to more complicated and serious organic diseases, can surely be prevented, and when not too far advanced, can be absolutely cured by the judicious use of the modern laxative and cathartic California Prune Wafers.

They are not a patent medicine in the ordinary sense of the word, being compounded from fresh California Prunes, which every intelligent person knows is truly nature's laxative.

A dainty little wafer, always the same, compounded in a highly concentrated form from fresh California Prunes, they

are a natural dissolvent, acting on the contents of the stomach and bowels and not on the organs themselves.

They regulate the Liver and Stomach, Cleanse the System and Purify the Blood, Cure all Bowel Troubles, Biliousness, Bad Breath, Bad Blood, Wind on the Stomach, Bloated Bowels, Foul Mouth, Indigestion, Pimples and Dizziness.

Every household should have its family package of CALIFORNIA PRUNE WAFERS, and at the first signs of approaching illness or when under the weather, take a couple of wafers, and the doctor's bills will soon be much smaller than they are now.

You can eat what you please if you follow each meal with a CALIFORNIA PRUNE WAFER, which quickly dissolves the most indigestible food, and helps to carry it through and out of the system in a gentle and healthful manner, without the slightest pain, griping or nausea.
