## LOOSE AGAIN, AND STARVED.

## HOTEL IS BURNED AT HOT SPRINGS

FLAMES BREAK OUT WHILE IN-  
MATES ARE ASLEEP—ES-  
CAPE CUT OFF.

Six Unfortunates Are Burned to Death  
—Negress and Three Children  
Perish in Flames Which Burn  
Their Home in Asbury Park.

Hot Springs, Ark., Oct. 27.—The Rail-  
roadmen's hotel, located a block below  
the Iron Mountain railroad depot on Elm  
street, was destroyed by fire early  
Thursday morning, and when the fire  
was gotten under control six badly  
charred bodies found in the ruins. At  
the inquest they were identified as fol-  
lows: A. L. Mann, railway conductor,  
Denver, Col.; Mrs. Mack, pianist, city;  
Ed. Snyder, hotel porter; Harry Brad-  
ley, waiter, Little Gem restaurant; H.  
Roberts, Tacoma, Wash.; John McLeon,  
Austin, Tex.

The structure was a two-story frame  
building and the flames spread rapidly,  
cutting off all escape by hallway both up  
and downstairs. The crackling and  
falling timbers awakened Steve Mal-  
colm, proprietor, who gave the alarm  
to his sleeping guests the best he  
could. All escapes being cut off, the  
occupants jumped out of the second-  
story windows and those who were in-  
jured in this manner were: James  
Strickland, Venice, Ill.; William Strong,  
Rock Creek, Ark. The fire department  
searched the ruins for other victims, but  
no more were discovered.

### Mother and Three Children Perish.

Asbury Park, N. J., Oct. 27.—The  
bodies of Isabelle Spivey (colored), aged  
24 years, and her three children, Marie  
Louise, aged ten; Gladys, aged seven,  
and a boy of three years, were found  
in the burned ruins of their shanty early  
Thursday under such circumstances to  
lead the authorities to suspect that the  
two little girls had been killed before  
the fire started. Their skulls were  
crushed. Coroner Bennett, after a thor-  
ough investigation of the fire, said he  
could not find the slightest reason to sus-  
pect foul play. Mrs. Spivey, he says, ap-  
parently went to sleep and accidentally  
overturned the lamp. The fact that the  
skulls of two of the children were  
crushed is accounted for by the firemen  
walking on them. The bodies were dis-  
covered in a sudden mass of debris.

### TAFT NOT A CANDIDATE.

Secretary of War Declares He Will  
Not Make a Campaign for  
the Presidency.

Washington, Oct. 26.—The Post this  
morning publishes what it terms "Sec-  
retary Taft's Announcement," as fol-  
lows:

"I have no intention of resigning  
from the cabinet to make a campaign for  
the presidency, and furthermore, I  
have no intention whatever of making  
a campaign for the office of the na-  
tion's chief executive."

The Post says:  
"Secretary of War Taft is not plan-  
ning to enter a campaign for the presi-  
dency, has no intention of doing so, is  
content with his seat in the cabinet,  
and means to stay there as long as the  
president desires it. Such is the sub-  
stance of an announcement made by  
him yesterday, and which will tend  
to put at rest, temporarily at least, the  
talk of his being a presidential candi-  
date."

### Honors for Japan.

London, Oct. 26.—It is officially an-  
nounced that King Edward has com-  
manded that a special mission, headed  
by Prince Arthur of Connaught, be  
dispatched to Tokio early in 1906 to  
confer the Order of the Garter on the  
emperor of Japan. The king has also  
decided to immediately raise the Brit-  
ish legation at Tokio to an embassy.

### Lumber Dealer Fails.

Racine, Wis., Oct. 28.—L. A. Nelson,  
who for 25 years has been a prominent  
lumber dealer of this city, filed a peti-  
tion in bankruptcy, his liabilities be-  
ing \$50,000 and his assets less than  
\$10,000.

### Republicans Nominate Jerome.

New York, Oct. 28.—William Travers  
Jerome has been unanimously nomi-  
nated for district attorney by the re-  
publican county convention.

### SOME ONE BLUNDERED.

Error in Orders Causes Collision on  
the Rock Island Road in Iowa  
—Four Lives Lost.

Fairfield, Ia., Oct. 27.—Two fast pas-  
senger trains on the Chicago, Rock Is-  
land & Pacific railway collided, head-on,  
at a point one mile south of Fairfield  
early Thursday. The wrecked trains  
were No. 11, which left Chicago at 8:30  
Wednesday night for the west, and No.  
12, which departed from Kansas City  
at 6:30 Wednesday evening. Four per-  
sons were killed and between 15 and 20  
injured, none fatally. The dead are: F.  
J. Mills, Muscatine, Ia., engineer of No.  
11; Glen Canfield, Murray, Ia., mail  
clerk; Detective Griffith, Lucas, Ia., a  
tramp, name unknown.

The cause of the accident is laid to the  
train dispatcher's office. When the en-  
gineer of No. 11 appeared at Fairfield  
he was handed the following order:  
"Run 40 minutes late to Eldon." The  
fireman of No. 12 declares that they had  
clearance orders from Eldon and that  
the blame for the wreck was in the is-  
suanee of them from the dispatcher's  
office.

### A NOTABLE CELEBRATION.

Forty-Seventh Anniversary of Presi-  
dent's Birth Observed in House in  
Which He Was Born.

New York, Oct. 28.—In the house in  
which President Roosevelt was born, at  
No. 28 East Twentieth street, the  
forty-seventh anniversary of the presi-  
dent's birth was celebrated Friday night  
at a banquet attended by a hundred  
members of the Roosevelt Home club  
with invited guests. It is the purpose  
of the club to purchase the house and  
use it as a permanent headquarters. It  
was announced that an anonymous  
donor had offered to give \$10,000 to-  
ward this when the club shall have  
raised the remainder. The banquet was  
held in the room in which the presi-  
dent was born, a partition having been  
removed in order to give the club a  
larger space. The banquet room was  
profusely decorated with the national  
flag in various forms and banners show-  
ing a picture of the house and President  
Roosevelt's famous declaration: "All  
I ask is a square deal for every man."

### WORK OF BANK ROBBERS.

Vaults of Indiana Institution Blown  
Open and \$6,000 Taken—  
Battle with Citizens.

Ridgeville, Ind., Oct. 25.—Burglars  
early Tuesday morning blew open the  
safe in the Bank of Ridgeville, stole  
\$6,000, and after a running battle with  
a posse of citizens in which the cash-  
ier of the bank and two of the rob-  
bers were wounded the safe blowers  
escaped. Before going to the bank the  
robbers met the town watchman, over-  
powered and bound and gagged him.  
The bank's loss of \$6,000 is covered  
by burglar insurance, and neither the  
bank nor the depositors will lose any  
money.

### Bailey Released.

Peoria, Ill., Oct. 27.—Judge Slem-  
mons, in the county court, Thursday  
sustained the motion to quash the in-  
dictment against O. J. Bailey, chair-  
man of the finance committee of the  
school board, for malfeasance in office,  
in permitting N. C. Dougherty to carry  
on his alleged defalcations undisturbed.  
Following the delivery of the opinion  
Judge McCulloch, attorney for Mr.  
Bailey, moved his discharge from rec-  
ognition, which was allowed.

### Bank Robbed.

Redfield, S. D., Oct. 27.—The state  
bank at Rockham, a village 15 miles  
west of here, was robbed at an early  
hour Thursday night. The safe was  
shattered by nitroglycerin and \$3,000  
in currency, besides valuable securities  
stolen.

### Sent to Prison.

St. Joseph, Mo., Oct. 25.—W. H. Har-  
rison, charged with having forged \$700-  
000 worth of bills of lading and obtain-  
ing money on them, was sentenced by  
a jury Tuesday night, and the pen-  
alty fixed at five years in the peniten-  
tiary.

### Many Die in Chili Riots.

Buenos Ayres, Argentine Republic,  
Oct. 25.—A dispatch from Santiago,  
Chili, says that about 50 persons were  
killed and 500 wounded during the re-  
cent rioting there. It is hoped that  
order will be restored soon.

## RUSSIA IN THROES OF REVOLUTION

THE CZAR HESITATES IN THE  
MATTER OF ANNOUNCING  
CONSTITUTION.

Disorder Increasing in all Parts of  
the Empire. Provisional Gov-  
ernment Formed at Moscow to  
Take Control.

London, Oct. 30.—The correspondent  
of the Daily Chronicle at St. Peters-  
burg sends the following:

"The court is in revolt against the  
emperor, who is vacillating between  
the counsels of his ministers to grant  
a constitution with Count Witte as  
premier, and the advice of the re-  
actionaries to proclaim a dictatorship  
under Gen. Count Alexis Ignatieff, a  
member of the council of the empire."  
"One of the most ominous factors in  
the situation is the feeling among the  
Finns. There are only 4,000 troops in  
Finland, the 6,000 reservists sent there  
having been brought back because  
they developed revolutionary leanings."

"Should the Finns revolt, the gov-  
ernment could not reinforce the garri-  
sons because every soldier is wanted  
here, and the navy is unreliable."

London, Oct. 30.—A dispatch to the  
Standard to Odessa, timed 7 p. m., Oct.  
29, says:

"A collision between the military  
and a crowd of students and strikers  
occurred an hour ago in Tyraspoloskaya  
street. The soldiers, without warning,  
fired point blank into the people, kill-  
ing twenty and wounding sixty. The  
students are holding a stormy convoca-  
tion at the university."

"It is reported from Kieff that three  
regiments have mutinied in the south-  
western provinces and there are alarm-  
ing reports here of the doubtful fidel-  
ity of three battalions of infantry."

St. Petersburg, Oct. 30.—While Sun-  
passed quietly without bloodshed in  
the Russian capital and while the city  
is outwardly calm, developments all  
indicate that a crisis is imminent.

A meeting of the municipal council  
was held last evening at which a depu-  
tation of thirty members of the  
strikers' committee appeared. In an  
impassioned speech the leader of the  
deputation presented the following de-  
mands of the workmen and affiliated  
organizations.

Although the streets are filled with  
troops and reinforcements are now  
pouring in from Finland, the govern-  
ment seems utterly powerless to cope  
with the situation and many calm ob-  
servers seem seriously to believe that  
the present regime is tottering to its  
fall.

First—A constitution and political  
liberty.

Second—That the city furnish food  
to the workmen.

Third—That the city refuse further  
supplies to the troops and police.

Fourth—That the troops be removed  
from the waterworks, or otherwise  
the strikers would cut the water sup-  
ply.

Fifth—The immunity of the depu-  
tation from arrest.

### UP TO GOV. JOHNSON.

Governor Must Send Evidence of  
Guilt to Washington—Embas-  
sy in England Acts.

Washington, Oct. 30.—Peter August  
Ecklund of Clay county, Minnesota,  
who is wanted there by the local au-  
thorities on a charge of embezzlement,  
and who has taken refuge in London,  
will soon be brought back to the  
United States.

Announcement was made at the state  
department that before any action  
would be taken in the case, that Gov.  
Johnson must make a request of the  
secretary of state that Ecklund be ex-  
tradited. This request must be ac-  
companied by evidence of Ecklund's  
guilt. The governor at the same time  
must nominate some officer to go to  
England to bring Ecklund back. This  
can be done either by a United States  
marshal or the sheriff of Clay county.

When these formalities have been  
attended to negotiations will then be  
opened up with the British govern-  
ment for the extradition of Ecklund.

### Will Seed the Land.

Deadwood, S. D., Oct. 27.—Capt.  
Bullock of the forest reserve has an  
army of helpers composed of small  
boys who are gathering pine cones for  
which they are paid 25 cents a bushel.  
It was decided a short time ago to seed  
over all the burnt districts of this re-  
serve in order to produce new growth.  
This experiment was tried last spring  
on thirty acres of land near Ronbaix  
and proved amply satisfactory. The  
thirty acres produced one seedling to  
each square foot. With satisfactory  
results before their eyes, the forestry  
department decided to push the mat-  
ter still further. Capt. Bullock has  
been collecting pine cones with the in-  
tent of seeding all the burnt districts  
of the Hills next spring.

### Much Wool.

Helena, Mont., Oct. 28.—Never in  
the history of the sheep business in  
Montana have so many sheep and  
lambs been shipped out of this state to  
Eastern markets as this year. A Fort  
Benton commission man has figures to  
show that \$50,000 head have been ship-  
ped from Northern Montana, of these  
162,000 head going to a well known  
South St. Paul firm. From Eastern  
Montana comes the same report of  
many shipments, and it is predicted  
that there will be quite a falling off in  
the wool production.

## As a Hot Weather Beverage

good, properly cooled and  
served beer is always a  
strong favorite—you try  
other drinks, but you come  
back to beer. Made of pure  
water, pure hops and other  
materials and manufactured  
by skilled workmen, Schell's  
beer is hard to equal, im-  
possible to excel.

AUG. SCHELL BREWING COMPANY  
Phone 8-2.

apolis, Minn.

WANTED—By Chicago Manufactur-  
ing House, person of trustworthiness  
and somewhat familiar with local terri-  
tory as assistant in branch office.  
Salary \$18 paid weekly. Permanent  
position. No investment required.  
Previous experience not essential to  
engaging.

Address, Manager Branches, Como  
Block, Chicago, Ill. 40-06

### Woes of Wealth.

"Wealth has its penalties," said the  
philosopher.

"Yes," answered Mr. Cumrox. "It's  
pretty hard for a man to have to go  
guessing through a French menu when  
he would rather have pork and beans."  
—Washington Star.

### The Poor Printer.

One of Browning's remarks is char-  
acteristic. He once said to Dr. Knight  
that "all the unintelligibility of 'Sor-  
dello' is due to the printers. They  
would change my punctuation and not  
print my commas, semicolons, dashes  
and brackets."

C. H. Grove

his signature is on every box of the genuine  
Laxative Bromo-Quinine Tablets  
the remedy that cures a cold in one day

## SAVE HOUSEHOLD DRUDGERY

The dreariest household drudgery is to  
carry coal and ashes to and from stoves  
and grates. No need to do this penance  
where Hot-Water or Steam System  
is used—only one fire to care for,  
located just next the coalbin; and so  
economical too!
