DON'T BUY AN
EDISON PHONOGRAPH
BEFORE CONSULTING US.

Several Parties have come to us of late and after seeing our Edison Phonographs (all of the latest types) and hearing the New Edison Amberol Records, began asking questions, why our records play so much longer and better—

After being told about the new changes, they said "Why we just bought one and didn't know about these new changes, else we certainly would have bought one of them"—

So when in the Market for a Talking Machine or anything in the Phonograph line be sure and call on us first and let us explain all the new points—You will get the very latest here and never be disappointed when buying at Headquarters.
