

ATTEND THE ART EXHIBIT OPENING THURSDAY EVENING NEW ULM THE MECCA OF ART LOVERS DURING THE TEN DAYS' EXHIBIT.

TRAINING DEPARTMENT IN NEW ULM HIGH SCHOOL

Board of Education Decides to Inaugurate Special Normal Instruction.

Teachers Elected For 1910-1911.

Section 1420 of the revised laws of Minnesota provides an appropriation of \$750 per year to such High Schools as "provide special Normal instruction in the common branches." No limit is fixed to the number of schools receiving this special aid. These will be known as the Training Departments and are governed by a set of rules adopted by the State High School Board.

The work shall be placed in charge of a special instructor holding a special certificate granted by the state superintendent for this work. Students enrolled for this special instruction shall not be permitted to join other classes and the instruction shall continue through the usual school year of nine months and shall be free of tuition. The state aid \$750 will be awarded at the close of each year of successful work. Not more than thirty students shall be assigned to one instructor. The idea of establishing these training departments in connection with the high school is to offer an opportunity to those who wish to become a teacher. By attending this special department these are not required to attend a Normal school. The New Ulm Board of Education has made formal application for establishing a special training department in connection with our High School.

At the regular monthly session last Tuesday evening the following teachers were elected for the school year 1910-1911:

High School—Rudolph F. Koessler, Principal; Mabel Wetterling, Latin; Marie Disney, History and English; Marian R. Gould, Mathematics and English; Richard Graves, Science; Herta Weschcke, Special German; Ida Koch, Normal Department, Eighth Grade. Union Building—Rose Staley, Seventh Grade; Marie M. Siebert, Sixth Grade; Daisy Richardson, Fifth Grade; Bertha Pfeiffer, Fourth Grade; Louise H. Jahnke, 3d and 4th Grade; Bertha M. Ruumke, Third Grade; Antonia Zieher, Second Grade; Anna E. Schmidt, First Grade. Washington Building—Elsie Buechler, 6th and 7th Grades; Mathilde Johnson, 4th and 5th Grades; Hilda Peuser, 2d and 3d Grades; Louise M. Meile, 1st Grade. East Building—Lydia E. Schilling, 3d and 4th Grades; Nora E. Pfeil, 1st and 2d Grades. North Building—Loida C. Beussmann, 1st and 2d Grades.

New Elevator To Be Built.

The New Ulm Roller Mill Co. whose plant was destroyed by fire some weeks ago is again in a position to take care of the trade the same as before the fire. The work of clearing away the debris is being pushed vigorously and the erection of a new elevator will be commenced within a short time. The management announces that they have a full line of flour and feed at the Cooper shop and that they will accept wheat at the Cereal Mill until the elevator is rebuilt. The contract for the erection of a large elevator was given to Mr. Bird of Minneapolis who will begin work in a few weeks. The office building which was partly destroyed is under construction and will be ready for occupancy in about two weeks.

Mr. H. Engel, head miller, last week was in Minneapolis in the interest of the company and in a few days will go on an extended trip through southern states, investigating the latest improvements in the milling industry.

Former Congressman Joel P. Heatwole passed away at his home in Northfield Monday afternoon, following a protracted illness, having suffered many months with Bright's disease. He was editor of the Northfield News, one of the brightest weeklies in the state.

Allen's Lung Balm
will cure not only a fresh cold, but one of those stubborn coughs that usually hang on for months. Give it a trial and prove its worth. 25c, 50c and \$1.00.

HUNTER AND DOG.

Artistic Photograph by Sweet in State Art Society Exhibition.

NEW ULM TO ENTERTAIN STATE ART EXHIBIT

Notable Paintings Shown. Exhibition of Bohemian and Indian Lace Feature of Interest. New Ulm Colony Well Represented.

Opportunity to Vote for Picture. Architectural Exhibit. Thursday Evening Opening. Governor Eberhart Present.

This is the week. Thursday is the day when the seventh annual exhibition of the Minnesota State Art Society will be opened in the Court room in this city. The ladies of the Current News Club who have officially charge of the affair have completed all preliminary arrangements in a very creditable manner. Fifty boxes filled with the rarest examples of fine art, paintings, sculptor and architectural work, artistic photography and handicraft arrived in New Ulm last Saturday and the exhibits are now being arranged in the court room under the direct supervision of Miss F. Flynn and Mr. Robert Koehler, members of the State exhibition committee.

All in all this year's collection contains over 600 individual exhibits and it is, indeed, a rare opportunity for the people of New Ulm and vicinity to be honored by the public showing of such products of arts which can be seen in large cities only. The exhibition is educational in every respect and ought to be visited by every man, woman and child during the ten days showing in this city. The admission will be entirely free and any information regarding the exhibits will be furnished cheerfully by those in charge.

The value of the entire exhibit expressed in dollars and cents is \$53,370.50. The following prizes have been offered:

Fine Arts: \$100.00 each for the best work in oil or water colors, sculpture, and architectural design (in perspective); \$25.00 for the best architectural design by a draughtsman.

Handicraft: \$20.00 for the best work in each of the following: 1, Jewelry; 2, metal work, wood carving, pottery; 3, book binding, leather; 4, designs; 5, laces, weaving, embroidery; 6, stained glass.

Artistic Photography: \$20.00 for the best group of photographs from life or nature; \$10.00 for the best single photograph from life or nature.

These prizes will be made known on the opening evening (Thursday) and the exhibits with prizes will be marked accordingly.

The exhibition is one of the very finest that has ever been given and the parties arranging the articles state that the court room is especially well adapted for the purpose. President Northrop will be present Thursday evening, also Governor Eberhart and Miss Newport, vice president of the State Society.

The most prominent art societies and industries in the country are represented in this year's exhibition. Articles are found from the Deerfield Society, Mass.; The Allenstand Cottage Industry, Asheville, N. C.; Handicraft Guild, Minneapolis; Hingham Society of Arts and Crafts, Hingham, Mass.; The Newcomb School of Art, New Orleans; etc.

The handicraft department consists mainly of basket-weaving, rug-weaving, Indian work and a very rare collection of the famous Bohemian laces of the New Ulm colony.

Among the paintings is to be seen a likeness of the late Governor Johnson which is a splendid artistic production; one by Robert Koehler, "Afterglow," which was the favorite painting during the Minneapolis exhibition. Another famous picture will be shown, representing "Quebec From the St. Charles", by L. Birge Harrison.

Paintings of the following famous artists are on exhibition: Julian Aden Weier; Alex VanLaer; Elmer Scofield; R. M. Shurtleff; Abbott H. Hayer; Douglas Volk and others.

It is customary for the exhibition city to secure a famous painting in remembrance of the event. Both St. Paul and Minneapolis secured valuable pictures by a voting contest.

It is expected that the people of New Ulm will show their appreciation also by entering into a contest for some valuable artistic work. The purchasing price will be raised by the amount secured through the sale of 10 cts. voting tickets, the buying of which is not compulsory.

Some local exhibits will be added to the collection. Artistic work of A. Gag and Miss Wanda Gag will be seen and F. W. Johnson will loan part of his famous collection of artists' portraits.

Let everybody turn out and visit the exhibition.

The following ladies of the Current News Club constitute the local exhibition committee and it is due to their executive ability and energetic efforts that the 7th Annual State Art Exhibition will be a success: Mrs. H. D. Beussmann; Mrs. G. F. Reineke; Mrs. C. H. Sauter and Mrs. Alfred Vogel.

BASE-BALL SEASON OPENS. MISFORTUNE IN ABUNDANCE

New Ulm Defeats Fairfax. Websters Shut out Winthrop, John Ahrens pitches sensational game.

The New Ulm Base-ball Team journeyed over to Fairfax Sunday and successfully defeated the latter team in their first game.

John Ahrens was on the mound for the locals allowing three hits and striking out nine men. New Ulm fielded perfectly and batted fairly well mostly depending on the hit and run game.

Score by innings: R. H. E.
New Ulm—1 4 0 0 0 0 0 0 5 5 3
Fairfax—0 1 0 0 0 0 0 0 1 2 2 4

Daniel Websters 6 — Winthrop 0.

With Schneider pitching in mid-season form the Websters handed a shutout to Winthrop at Winthrop last Sunday. Schneider allowed but 3 hits and fanned 18 men while the Websters annexed 7 bingles. The fun began in the second when Keim doubled thru the infield and counted on Antony's single. Antony scored on an error. They added another in the 3rd on errors and 3 in the 5th on 2 hits, an error, and 2 passed balls.

Winthrop had but two good chances to score. In the 6th a brace of singles put two on with none out but Schneider showed he was there by fanning McDonald, their best batter and the next one, too. The third was nipped off first. Then in the 8th with men on 2nd and 3rd and only 1 out, McDonald came up again. The best he could do was to left a fly to right. Schneider struck out the last one. Groebner's work behind the bat and Keim's all-around playing helped things along.

R. H. E.
D. Webster—0 2 1 0 3 0 0 0—6 7 4
Winthrop—0 0 0 0 0 0 0 0—0 3 8

Next Sunday the Websters will probably play the Fairfax Regulars at the local Fairgrounds. It will undoubtedly be an interesting game.

JEFFERSON DAY BANQUET

New Ulm Men Will Attend. F. W. Johnson One of the Speakers.

The Jefferson day banquet, which the Democrats of Minnesota are arranging, will come off Wednesday evening at the St. Paul Auditorium. It is looked upon as a sort of opening of the state campaign and a get-together meeting for the faithful to inspire them with the thought that the party still lives and to make known to the workers that the leaders believe they can elect a governor, some legislative members and some representatives to Congress. The after dinner speaking will be a sort of exhibition of the candidates the party expects to put up the coming fall.

About 200 Democrats from outside the Twin City have already accepted the invitation, and many more are expected to come. The dinner will be served on the stage at the Auditorium, and the public that does not care to partake of the dinner may hear the speeches from the galleries. Between 500 and 1,000 guests are expected for the dinner.

Most of the members of the Democratic state central committee are expected to be in St. Paul Wednesday, so a meeting of the committee has been called for Thursday. It is not likely that the committee will do more than name a subcommittee to fix the time and place for the state convention. The convention will probably be held late in August, according to the custom of the party. Dr. L. A. Fritsche, Capt. Albert Pfander, Fred Pfander and other leading local democrats leave to-day for St. Paul to attend the great love feast.

F. W. Johnson, who is frequently mentioned as a candidate for governor will also be present and has been put on the program by the arrangement committee as one of the speakers.

Geo. L. Smith and Mrs. Rudolph Massopust will represent the Congregational Church at the Convention of state Sunday School association which is held this week in Minneapolis.

Four Members of One Family Taken With Scarlet Fever. Two Died. Miller Family Moved from Mankato to New Ulm.

Demonstration of Neighborly Love

If there ever was an occasion to extend brotherly sympathy and to exercise neighborly love it is in the case of the Miller family who about ten days ago moved from Mankato to New Ulm. Mr. Jacob Miller, the husband and father works in the North Western roundhouse and lives with his wife and six children in a house on South German St. Soon after the arrival in this city the children were taken sick with scarlet fever and early Sunday morning Howard, 11 years old, died and became the first victim of the dread disease. He was buried privately Monday afternoon and during the time the parents committed the mortal remains of their dear one to mother earth, little Frankie, 7 years old, died and when the mourners returned they immediately had to make preparations for a second funeral which took place Tuesday afternoon. Two more children are down with the disease and although strong hopes are entertained for their recovery, their young lives seem to hang on a thread.

It is a sad case of misfortune that hovers over the family. Moving to a town with hardly any acquaintances, strangers among strangers, it is quite a task to bear such misfortunes as have overtaken the Miller family. Kind neighbors, however, are performing the Christian act of love and do all in their power to materially assist and comfort those in need and distress. The publication of names of these parties would be rude and the benefactors have the satisfaction within themselves of having been humane and helpful in times of need. Rev. Wheeler officiated at the funerals. Mr. Miller and family have the sympathy of the entire community.

There seems to be an epidemic of scarlet fever in this section of the state. Several cases are reported from Mankato with a number of measles cases. In Tracy the Public Schools are closed on account of the twenty-eight cases in that town. We understand that our health officer is taking all precautions against the spread of the disease in our city.

Maennerchor Concert.

Elsewhere in this issue the reader will find the interesting program of the Maennerchor concert to be held next Saturday evening, April 16th at Turner Hall. This society is well known among the public and needs no introduction. Several concerts have been held already and were greatly appreciated by the public. The New Ulm Maennerchor will attend the Saengerfest at Omaha, this summer and some of the chorus numbers on next Saturday's program are taken from the Saengerfest program. A social dance will follow the musical part of the evening and a large attendance is anticipated.

Tuberculosis Among Cattle in Milford.

A number of tuberculosis cases were found among cattle in the town of Milford and the cases have been duly reported by the attending veterinary surgeon Dr. Emil Mueller to the State Sanitary Board St. Paul. It is reported that this disease is found among cattle which has been recently bought by Edward Hensel and Robert Runk and which is said to have been examined by proper officials previous to the sale. Mr. Hensel loses 25 heads out of 30 and Mr. Runk will lose 4 heads. An official of the State Board will investigate these cases and the cattle, being condemned will be shipped to St. Paul and killed. Although the state pays 75 percent of the market value the owners of the cattle will experience quite a loss.
