Minnesota Readers.

MOTHER AND DAUGHTER DROWN

Perish in North Lake at Lindstrom
While Attempting to Save Woman
Guest and Her Young Son.Mrs. John Crosby and her daughter
Pearl, nineteen years old, lost their
lives in North lake, a branch of Lake
Chisago, in an attempt to save Mrs.
Chris Miesen of St. Paul and her son
John, nine years old. Mrs. Miesen and
young son were rescued by John Guen-
ther, a St. Paul man, who was fishing
nearby.The Miesen boy was the innocent
cause of the double tragedy. Accom-
panied by his mother, Mrs. Crosby and
daughter, he went to the southern
shore of North lake to bathe. A sandy
beach lines the shore for a consid-
erable distance, but not far from the
water's edge there is a drop treacher-
ous to one not a swimmer.The lad found a raft and, jumping
on it, was soon carried far out. He
leaped merrily from one side of the
improvised boat to the other, finally
losing his balance. Tumbling into the
water he screamed and the women
heard. Without reasoning that she
was unable to swim Mrs. Miesen ran
toward where her son was splashing
in the lake and, upon reaching the
place where the depth of the water
became greater, she, too, soon was
endeavoring to save herself from
drowning.The screams of the woman and son
urged Mrs. and Pearl Crosby to action.
Though unable to swim they rushed
through the water to assist them.
About the same place where Mrs.
Miesen sank they, too, went down.John Guenther of St. Paul, who
spends his summers in Lindstrom,
was fishing on North lake and a short
distance from where the quartet were
battling with death. He hurriedly
rowed toward the Miesen boy and
pulled him into the boat. Then he
rowed toward where Mrs. Miesen was
endeavoring to keep herself from
sinking and saved her. By this time
Mrs. Crosby and her daughter had
gone down for the last time.

FATAL COLLISION OF TRAINS

Brakeman Killed and Wife of Conduc-
tor Badly Hurt.A wreck occurred on the Milwaukee
road a mile and a half east of Granite
Falls.A heavy gravel train was going up
the grade to Minnesota Falls and in a
deep cut met the rear end of a con-
struction train backing down. Mrs.
Frank Hewitt, wife of the conductor,
was in the caboose, also William An-
drews, a brakeman, while Mr. Hewitt
and two children were riding on the
engine at the other end of the train.Mrs. Hewitt was badly injured,
while Andrews had his leg cut off and
was so badly hurt he lived but a few
hours. Mrs. Hewitt was taken to
Minneapolis for treatment.

FAVORS BALLOT FOR WOMEN

Governor Eberhart of Minnesota Goes
on Record.Governor Eberhart has declared that
he is heartily in favor of woman's
suffrage. He believes in its principle
and its application to the residents
of Minnesota.The governor's statement was is-
sued following the report that the wo-
men are soon to wage an active cam-
paign in this state. The governor said:"While I do not believe in forcing
suffrage upon the women of the state,
I do sincerely believe that they should
be given the right to vote the instant
they desire it."

Two Young Girls Drowned.

The Red Lake river has claimed
two more victims near the village
of Fisher. Pauline Wentzel, twelve
years old, daughter of Julius Went-
zel, Sr., of Crookston, and Clara
Ross, eleven years old, daughter
of Ferdinand Ross, a farmer residing
near Fisher, while wading in the river
stepped into a hole and before assist-
ance arrived were drowned.

Will Be State Fair Guest.

When former President Theodore
Roosevelt comes to St. Paul Sept. 6
to deliver an address before the Na-
tional Conservation congress he also
will be a guest at the state fair, which
then will be in full blast. It is equally
certain that he will make a speech at
the fair grounds and that his topic
will not be conservation.

Prominent Surgeon Dead.

Dr. Alexander Johnson Stone, sixty-
five years old, for forty years one of
the most prominent surgeons in the
Northwest, is dead at St. Paul. The
cause of death was bronchial and liver
trouble. Dr. Stone had been ill for
about two months.

Farmer Killed by Bolt.

Lightning struck T. B. Gram, a
farmer who resided near Wheaton,
while he was driving and killed him
instantly. His wife was riding with
him and was not hurt.

DAY ADDED TO CONGRESS

Programme for St. Paul Conservation
Gathering Completed.The programme of speakers for the
National Conservation congress at
St. Paul has been definitely decided
upon and all difference of opinion is
at an end, according to a telegram
from Chicago. It was also decided at
a conference between representatives
of the Twin City committee, B. N.
Baker and Thomas R. Shipp of the
national body that an extra day should
be added to the four days of the con-
gress, to be known as "President's
day," when President Taft is expected
to be the guest of honor and open the
meeting with an address. This extra
day is to be Sept. 5 and the congress,
as originally planned, will extend
through Sept. 9.It is proposed that "President's day"
shall be devoted to addresses by the
governors of the Western states who
were put on the programme at the
request of the local board. The gov-
ernors themselves are expected to ar-
range their programme. They will be
given free rein in choosing their top-
ics and will be allowed to speak of
the conservation movement from any
view point they desire.

cued From Fire.While attempting to reach a short
ladder which had been placed under
her window as a means of escape
from the burning building, Mrs.
Mary Casey of Duluth, seventy-
five years of age, fell from the second
story of the residence of her daughter,
Mrs. Josephine Schuey, and died a
few hours later at St. Mary's hospital.Besides Mrs. Casey and her daugh-
ter, Mrs. Schuey, others who were liv-
ing in the building were Mr. and Mrs.
A. Berg and four children. All except
Mrs. Casey escaped from the building
unhurt.

LIND SEEMS TO BE CHOICE

Only Name Mentioned at Democratic
County Conventions.John Lind—despite all refusals, let-
ters, telegrams and interviews—is the
choice of Minnesota Democrats for
governor and summarizing the reports
from the county conventions held Sat-
urday it seems certain that Mr. Lind
will be the nominee of the state con-
vention at Minneapolis.In the conventions the name of John
Lind was almost the only one heard.
At the same time there was sentiment
in most of the counties against the
issue for which Mr. Lind will stand—
county option.

ILL HEALTH IS THE CAUSE

Young Man Ends Life in a St. Paul
Hotel.Grasping the photograph of a pretty
young woman, Eloff Wicklund, twenty-
four years old, of Minneapolis, was
found dead on the third floor of the
New hotel at St. Paul by Mrs. Briffier,
the proprietress.The young man, slowly yielding to
the clutches of consumption, realizing
that his love dream could never come
true, had committed suicide by lock-
ing his door, filling up all the cracks
with neckties and then turning on the
gas.

One Dragged to Death in Effort to
Save the Other.Robert Wood, aged twenty years,
and Harry Storm, aged sixteen, were
drowned in the Blue Earth river
near Lake Crystal, where they
were swimming. Wood was seized
with cramps. Storm went to his re-
cue and was dragged to death by his
companion. Wood was the son of a
widow and lived on a farm. Storm
was the son of Sybert Storm, a farmer.

Man Accused of Murder Released.

Martin O'Malley, the wealthy farmer
of Derynane township, Le Sueur
county, who had been arrested on the
charge of murdering two of his step-
children, has been released, the prose-
cuting attorney admitting that the
complaint was loosely drawn. Fur-
ther proceedings in the case are pos-
sible when the chemists complete their
work of examining the organs of the
victims for poison.

Victim of Wreck Is Dead.

Engineer Ed Loomer, injured in the
wreck on the Chicago and Northwest-
ern near Sanborn, died at a Rochester
hospital. Freeman Shaffer is very low.
He is suffering from internal injuries
and is not expected to live. Loomer
died from the frightful burns which
he sustained. Both men dropped with
the engine and two cars into the river
when the bridge gave way.

by a Northern Pacific engine in the

RAIN CHECKS FIRES

Damage Is Immense in the Pa-
cific Northwest.

RAINY RIVER APPEARS SAFE

Ontario Town May Escape Destruc-
tion, but Loss in That Vicinity
Is Very Heavy.Portland, Ore., July 24.—Showers
during the past fifty-six hours have
done much to check the disastrous
progress of the great forest fires which
have been sweeping through the for-
ests of the Pacific Northwest and Brit-
ish Columbia. Despite the downpour,
however, several big fires continue to
burn in Idaho and British Columbia
and a few smaller ones in Montana,
Washington, Idaho and Oregon.A conservative estimate made by
men conversant with the situation
places the damage at \$4,500,000, with
a strong possibility that it will go
higher when full reports are made.
Some lumbermen state the damage
will reach \$6,000,000.The devastation wrought by the
fires during the past week has been
terrific. Two towns, Whitewater and
Ryan, Wash., were wiped off the map.
Thirteen persons, including a woman
and child, were burned to death.
More than 400 persons lost their
homes and stretches of country once
heavily covered with millions of feet
of choice timber have been converted
into a desolate waste of smoking
ashes.

RAINS SAVE RAINY RIVER

Downpour Checks Fires Threatening
Canadian Town.Winnipeg, July 24.—The latest re-
port made to the Canadian Northern
railroad officials from the Rainy River
fire threatened district is that a strong
southeast wind is blowing the fire
away from the town. It is also rain-
ing quite hard. The people of the
town now believe that all danger is
past.Nearly 1,000 feet of hose was dis-
patched by express to Rainy River
and all the available engines of the
Canadian Northern railroad were sent
to be ready in case the rolling stock
of the railway should have to be
moved.To the north of Devlin and Crozier
the flames cut a wide swath and har-
dly a stick of green timber can be seen.
The loss will be heavy both to the set-
tlers and to the government. It is
certainly the worst calamity in years
and a large number of settlers will be
homeless and almost penniless.

Heavy Rain in Wisconsin.

Merrill, Wis., July 24.—Forest fires
are being checked by a heavy rain.
All the 400 homeless of the fire swept
town of Heinemann are cared for
Bloomville and Gleason have been
saved. It is hoped that the fires will
be entirely quenched within twenty-
four hours. It is estimated that twenty-
five square miles have been burned
over in the section just north of here.

Washington Fires Under Control.

Seattle, July 24.—All of the forest
fires burning in various parts of
Northwestern Washington were re-
ported under control by the Washing-
ton Forest Fire association. Although
little rain fell in King county a heavy
downpour checked fires in Whatcom
and Skagit counties.

FAMOUS PORTRAIT IS STOLEN

Copy Put in Place of Original Paint-
ing in the Louvre.Paris, July 24.—The Cri de Paris
states that Leonardo da Vinci's mas-
terpiece, "Mona Lisa," the most fa-
mous portrait in the world, was stolen
from the Louvre one night about a
month ago, through the complicity of
a high official of the museum.A copy of the painting was put in
place of the original, the report states,
and the genuine painting is now in
New York.The paper says a New York million-
aire collector, whose initials are J. K.
W., has the original. An offer of \$5-
000,000 for the painting, made by the
British government, had been refused.

OCEAN LINER IS ON FIRE

Passengers Taken Off Southern Pa-
cific Steamer Momus.Charleston, S. C., July 24.—The
wireless at the navyyard picked up a
message from the Southern Pacific
liner Momus, reporting fire in the
after hold. The vessel anchored in
twelve fathoms of water. The Momus
of the same line is standing by and
has taken off the passengers. The
fire is not under control. The steam-
ship Momus is off Cape Canaveral, on
the coast of Florida.

Texas Mob Burns Negro.

Belton, Tex., July 24.—Belton has
joined the string of Texas towns pos-
sessing an "orderly mob," having
quietly and successfully burned the
body of Henry Gentry, a negro, in the
public square. Gentry shot and killed
Constable James Mitchell whom Mit-
chell tried to arrest him for housebreak-
ing.

Cardinal Gibbons Congratulated on
Reaching Seventy-sixth Year.Baltimore, July 24.—Cardinal Gib-
bons celebrated the seventy-sixth an-
niversary of his birth. He received
many letters and telegrams of con-
gratulation from men and women in
all walks of life in this country and
from Rome.The only American cardinal was
born in Baltimore July 23, 1834, and
with the exception of a few years has
spent his entire life here. He enjoys
good health, although somewhat fee-
ble, and continues to perform the ac-
tive duties of his office. During the
past few months he has confirmed
over 300 persons in the different parts
of the archdiocese.
On June 30, next year, the vener-
able cardinal will celebrate the fifti-
eth anniversary of his ordination to

MURDER OR SUICIDE?

Mystery Surrounds Death of
Railroad President.Chicago, July 21.—Ira G. Rawn,
president of the Chicago, Indianapolis
and Louisville railroad (the Monon
Route), died of a bullet wound at his
summer residence in Winnetka, fifteen
miles north of Chicago.Members of Mr. Rawn's family say
he was killed by a burglar.The police are working on a theory
that Mr. Rawn killed himself.As a basis for their suicide theory,
the police advance the following rea-
sons:They point to the fact that Mr.
Rawn was operating vice president of
the Illinois Central railroad at the
time fraudulent car repair contracts
were put through, and that recently
he has been drawn into the Illinois
Central graft investigation as a chief
witness.They say that the action of Mr.
Rawn's relatives in refusing the aid
of the Chicago detective department
to search for the alleged murderer is
suspicious.They declare that there exists a
lack of convincing evidence that an
intruder had actually been in the
Rawn residence.Friends and business associates of
the dead man say that he had been
looking badly for several weeks. Some
attributed Mr. Rawn's worried ex-
pression to the investigation of the
conspiracy by which the Illinois Cen-
tral railroad alleges it was mulcted
out of hundreds of thousands of dol-
lars. This is now going on in court.
The ultimate outcome of this investi-
gation, it is said, would have involved
Mr. Rawn, at least indirectly.

industrial school for girls. At the
time Cownie resigned Governor Car-
