

CELEBRATE THE FOURTH IN NEW ULM

EXPENSIVE PATRIOTISM

Annual Sacrifice of Life and Property on Independence Day Should be Suppressed. Special Notice by State Fire Marshal Department.

Interesting Statistics.

C. E. Keller, State Fire Marshal, has inaugurated a publicity campaign through the newspapers of the State to the end that the people may more fully appreciate the woeful waste each year brought about to a large extent through carelessness. Asa M. Wallace, First Asst. State Fire Marshal and editor of the Fairfax Standard, is at the head of the publicity bureau. Below we publish the first bulletin relative to Fourth of July fireworks and hope that these timely suggestions will be carefully read by our readers: Independence day is coming; the day of powder, poisoning and lockjaw; the day of hospitals, ambulances, mutilation, fire and death.

The idea of the safe and sane celebration of July 4th is becoming more popular as the people generally fully appreciate the awful life and property loss that is entailed each year, by the careless handling and sale of the deadly firecracker. When the absolute prohibition of the use and sale of this instrument of suffering and death, to say nothing of the property destroyed each year valued at hundreds of thousands of dollars, is accomplished in our State and Nation, a grateful populace will have cause to give thanks, and meanwhile they can only hope and pray that the annual sacrifice can be kept down to the minimum.

In the mad scramble for the dollar the average American has gotten away from the educational significance of Independence Day, and the more sensational and hazardous the amusement, the louder are the plaudits of certain classes of the people. It is perhaps too much to expect a complete return to sanity in a year or two, but the business man and patriotic citizen in all the larger centers of population are taking more urgent steps each year to prevent this annual loss of life and property sacrificed in the name of a patriotic demonstration. Many of the cities and villages have taken steps toward the complete prohibition of the sale and use of fireworks of any kind, and the State Fire Marshal Department of Minnesota asks the co-operation of all municipal authorities and patriotic citizens of the State to the end that the expensive nuisance may be abated.

A striking illustration of what concerted effort along this line will accomplish is shown by the experience of Washington, D. C. In the year 1908 fireworks were sold in that city on July 4th, and one hundred and four people, young and old, were placed in the year 1909 the sale and use was prohibited and not one person was taken to any hospital in the city. The experience of the Capitol City of the Nation certainly demonstrates that satisfactory results can be obtained.

The following statistics covering a period of eight years will be of especial interest, demonstrating the necessity of the co-operation of the private citizen and public official to suppress this menace to life and property:

Year.	Dead	Wounded	Total
1903	466	3,393	3,859
1904	183	3,926	4,109
1905	182	4,994	5,176
1906	158	5,308	5,466
1907	164	4,249	4,413
1908	163	5,460	5,623
1909	215	5,304	5,519
1910	131	2,923	3,054
	1,665	35,620	37,285

Independence Day of 1911 is coming and how many are to be slaughtered? To what city, town, mother or father, is the year to bring suffering or sorrow the day after?

Chapter 28, General Laws of 1907, regulate the size of firecracker, and prohibiting the use of blank cartridge firearms as follows:

"Section 1. Every person who shall manufacture, use, sell or keep for sale within this state any blank cartridge pistols, blank cartridge revolver or

other blank cartridge firearms, blank cartridges, caps containing dynamite, and fire crackers exceeding three inches in length, and exceeding one-half of an inch in diameter, shall be guilty of a misdemeanor."

Village authorities and City Councils will be doing the public a signal service if they will forthwith pass an ordinance absolutely prohibiting the use and sale of these goods.

Miss Ella A. Steed, LL.B., now an Attorney and Counselor at Law.

Miss Ella A. Steed, formerly a resident of this city and for several years stenographer for Attorney Jos. A. Eckstein, graduated from the St. Paul College of Law on Thursday evening receiving her degree as Bachelor of Laws and on Friday morning was with her class of some thirty admitted to practice law in all the courts of this State before the Supreme Court. Mr. and Mrs. Jos. A. Eckstein of this city attended the occasion on the special invitation of Miss Steed. For the last three years, the young lady worked during the daytime as stenographer for the West Publishing Co. and Attorneys W. A. Oppenheimer and Morton Barrows of St. Paul, and at the same time took the evening course of three years in the St. Paul College of Law. Her aged father, who lives in Anoka and who was unaware of his daughter's hard work until a few days before her graduation, was present as well as two of her sisters, to witness the exercises and see the oath of an attorney administered to her in the Supreme Court. Miss Steed was the only girl lawyer of the class as well as of the school, although three years ago there was one lady in each class. Through the courtesy of the St. Paul Daily News, we have the privilege of presenting to our readers a cut of the new lady lawyer.

MISS ELLA A. STEED.

The St. Paul College of Law ranks high as a law school as all the instructors are judges and lawyers in active practice. Mr. Justice Bunn of the Supreme Court and Judge Hallam of the St. Paul District Court who presided at the graduation exercises, were some of the instructors of Miss Steed in the college. For the present, the new lady lawyer will continue in the service of her present employers, but she may hang out her own shingle some day and then some of the male practitioners better look out for breakers. Miss Steed is well known to the lawyers in this county and we would enjoy a legal combat in court between her and the best of them around here.

The Review acknowledges the receipt of an invitation from Miss Steed to the graduation exercises, but unavoidable work made it impossible for us to be present. We wish her however a bright career and the success which a hard working, plucky young lady of her stamp justly and richly deserves. Where is the next lady who can and will follow her course?

Weddings of the Season.

QUAST-NEUMANN.

One of the prettiest weddings and one that united two of New Ulm's most popular and charming young people was that which occurred Tuesday noon at twelve o'clock at the home of Mr. and Mrs. J. F. Neumann when their daughter, Miss Aurora, became the bride of Dr. L. C. Quast. The home was prettily decorated with pink roses, carnations and smilax. Miss Cecelia Eibner played Mendelssohn's wedding march as the bridal party entered and City Justice Brandt performed the ceremony. The bride was lovely in a gown of marquisette over white satin, wearing a veil and carrying a shower bouquet of white roses. Her only attendant was Miss Cora Manderfeld of St. Paul who wore a gown of pink. A brother of the groom, Paul Quast, acted as best man. After the ceremony a reception was tendered the young couple at which only the relatives of the contracting parties participated. The out-of-town guests were: Mr. and Mrs. Aug. Quast, father and mother of the groom, of Janesville, C. P. Quast, Wm. Quast, Miss Rose and Ella Quast also of Janesville, Mr. and Mrs. Gust Peters, of Spokane, Mrs. Peter Manderfeld and daughter Cora of St. Paul, Miss Florence Neumann of Springfield, C. The brides were gowned alike both wearing white crepe-de-chene and carrying shower bouquets of lilies of the valley and roses. Miss Hedwig was attended by Miss Lucy Marti who wore a pink organdy. Miss Carrol Remmele of Sleepy Eye who wore a lavender organdy was Miss Louise's attendant. Mr. Harry Dickmyer of Fairfax was best man for Mr. Becker, and H. F. Miss Milly Kaaschau, formerly of this city and Miss Cora Heinze of Mankato were the out-of-town guests. The young couples went directly to housekeeping and will be at home to their many friends after July 15th. The Review wishes them happiness joy and success in their journey thru' life.

POYNTER-STOLL.

An interesting and pretty wedding of this evening is that of Miss Ella Stoll daughter of Mr. and Mrs. Chas. Stoll, to C. E. Poynter which will be solemnized at six o'clock at the home of the brides brother-in-law and sister Mr. and Mrs. Alb. Spaeth, N. Washington St. The home has been beautifully decorated, the color scheme being white and pink with a profusion of flowers everywhere. Miss Wendt will play Lohengrin's Wedding March and just before the ceremony Mr. Ed. Stoll, a brother of the bride will sing "Because, I love you, Dear," piano accompanied by Miss Alice Mueller. Rev. G. Mayer will officiate. The bride will be attired in linen lawn, trimmed with German valenciennes and carry an arm bouquet of roses. She will have no attendants. A reception will follow the ceremony to which only the relatives and intimate friends have been invited. Miss Lulu Brownfield and little Miss Catherine Poynter of Bowlinggreen Ky. arrived last week to be present at the wedding. The newlyweds will go right to housekeeping in their new home, 710 N. Minnesota St. and will be at home after July 1st. The Review offers heartfelt congratulations. Mr. Hacker holds a responsible position as bookkeeper at the New Ulm Roller Mill and enjoys the esteem of a large circle of friends.

Puhlmann Twirls in Fine Form While Teammates Whang Ball.

With Limmy twisting them over in a splendid manner and everyone on the team cracking out hits, New Ulm showed up well last Sunday by trimming Winthrop by a score of 12 to 4. It was a sweet, as well as a hard-earned victory, for it wiped away the sting of the defeat on Decoration day. Puhlmann showed his true form, by way of emphasizing his performance managed to slam out a quartette of hits for his own entertainment. His support, too, was steady.

A total of 14 hits producing 10 runs in the first 4 innings was sufficient to depose Rick from the mound. The rattle of basehits resembled the rattat-tat of a hailstorm on a tin roof. The way the Brewers slammed, banged and whanged the spheroid showed that they would not be denied a victory. They piled away diligently and assiduously and managed to slip over an even dozen scores.

Beginning with dash and spirit they won their contest in the very first inning. Wicherski opened with a cracking single, Puhlman's triple, mann secured hits, Puhlman's triple, a sacrifice, another single by Dahms and finally an error, pushed 5 men across the plate and portended the forthcoming victory. Wicherski's double and Backer's single brought another in the second. Hits by Groebner, Anthony and Amann added a pain in the 3rd and a quartette of bingles produced similar results in the fourth. Finley pitched the rest of the game but did not get away unscathed for Dahms singled in the 7th and later was "squeezed" home by

Anthony. Then in the 8th, Backer gained applause by a good solid clout to right which was good for the entire circuit.

Winthrop scored 3 in the 2nd on Anthony's error, a walk, a wild heave to the plate by Lindemann and two singles. Altho they succeeded in getting men on bases they were never dangerous until the 9th when they gained another on two singles, aided by a questionable decision at second base. The visitors deserve credit for their gameness under adverse circumstances in the face of almost certain defeat.

The score:

Winthrop	4	0	0	10	0	0	0

St. Peter to Play here Sunday.

Next Sunday St. Peter will be here to play the local bunch and as both teams are going good at present a close hard fought game should result. If the form displayed against Winthrop is their true form, the home team should receive the generous support of everyone. Be on hand and encourage them.

The Pirates lost a free-hitting game to the Gibbon Sluggers last Sunday by a score of 10-8.

COURT MARTIAL FOR COMPANY "A" BOYS

Drills must be Attended or Excuses Obtained.

Captain Pfander of the local Company "A" of the National Guard ordered several court martials of members of the company for Tuesday evening at 8:30 o'clock. This was on account of absence at the drills without excuse. Captain Pfander has had considerable trouble in keeping up the attendance at drills. He has always been lenient in the matter of granting excuses and it seems that a few of the boys abused this privilege. It therefore became necessary for the captain, acting under the suggestion from headquarters also, to make out charges against several members.

It is to be hoped that these proceedings will serve as a lesson to other boys of the company. The duties in the company are not irksome and the officers have always been willing to grant excuses on very slight provocation, but it was necessary for the discipline of the company to take these steps. The company has been receiving some very good material for recruits lately and it is hoped that the good showing heretofore made by the company at the encampment will be repeated at the July encampment at Lake City, as the company has always reflected credit upon the city.

Rev. F. Pozek of the catholic church of St. George left last week for a trip to Germany and other European countries. He will visit with his parents in Australia for some time. In all he will be gone about three months. Rev. And. J. Biehl of the Josephinum College at Columbus Ohio., will take charge of the parish during his absence.

FORMER NEW ULM

BANKER DIES

C. H. Ross, Well known in Southern Minnesota and in Twin Cities Financial Circles Died at Minneapolis. Had Successful Career.

Man of High Ideals

"Be Ye Men. Horse or Dog; Drink Hearty with your friend." This inscription expressing a most beautiful noble and humanitarian sentiment, is found on the only public fountain in New Ulm in front of the Brown County Bank and the man who erected it and placed the inscription thereon is C. H. Ross, a former citizen of New Ulm. He is now dead, having passed away last Friday noon. The Minneapolis Journal pays the following high tribute to him; "Mr. Ross was a man of high ideals, a business man of the old school, who believed that the most scrupulous honesty was not a handicap to success. He was a generous giver; much interested in young men, in several instances taking them into his home and providing for their education. He was a loving, considerate husband and father. His home life was particularly happy and his comfortable residence on Kenwood parkway was scarcely ever without guests. C. H. Ross, member of Ross & Davidson, Minneapolis bankers, died of apoplexy Friday, at his home, 2000 Kenwood parkway.

Mr. Ross came to Minneapolis in 1891 from New Ulm and was vice president of the old Flour City National bank during its existence, and since that time has been in the banking business in North Dakota and Minnesota with headquarters in the Security bank building. He is survived by Mrs. Mary E. Ross, his widow, and two children, Mrs. F. L. Randall, St. Cloud, and C. F. Ross, Minneapolis; two brothers, W. E. C. Ross, Blue Earth Minn., and F. A. Ross, Ontario Cal., and a sister, Mrs. J. R. Goff, Columbus, Wis.

Mr. Ross was born at Great Falls, N. H., April 2, 1848, and in his youth went to Wisconsin. He started his banking career in 1867 in Rochester, Minn., where although a young man, he held the position of cashier in the bank of Chadbourne Brothers. In 1869 he moved to Blue Earth, Minn., to take the position of cashier in the Chadbourne bank there. In 1872 he moved to New Ulm to assume charge of the Brown County bank with which institution he was connected till he came to Minneapolis.

Mr. Ross has been ailing for more than a year, and during this time has been gradually giving up active business life. During the last six months, he has been obliged to depend largely upon his business associates. He left a large estate, also heavy life insurance. The brother of the deceased, W. E. C. Ross, president of the First National bank of Blue Earth probably will manage the estate, and all the business interests will be kept intact and the same policies continued.

New Ulm Farmer's Elevator Co.

The annual meeting of this prosperous institution was held last Saturday at Schell's Hall. The reports of the business manager and the other officers showed a marked increase over last year's business and the proceedings of the meeting manifested the encouraging fact, that the members are taking more interest in the institution than in previous years. The following board of directors were elected: Hubert Hillesheim, Henry Manderfeld, Jos. Sperl, John Reinhart, Herman Pfander, W. Boettger, Ed. Reinhart, Jul. Schroeder, Jos. Diepolder, John Huelskamp, Jos. Altmann, Alvin Resolt. The officers are: Pres. Jos. Sperl, Sec., Herman Pfander; Treas., Jos. Diepolder, Mgr., H. Thiede.
