OTTOMEYER'S SEMI-ANNUAL CLEARING SALE

It is scarcely necessary to emphasize to every lady the importance of our Twice-a-Year Clearing Sales, when we are clearing out so many lines of our high priced, useful, dependable merchandise with hardly any regard to our former selling prices or the original costs of same. We would urge upon the ladies to study this poster and they will find some rare bargains at this sale.

I would like to say that it is necessary for you to come early to this sale as some lines advertised here are not large and they may be closed out before the sale is well started.

Kindly remember the opening date, Saturday, Aug. 5th, continuing for two weeks. By all means come in and get your share of great values which we offer at great sacrifices. Kindly notice some of our snaps we offer.
