A Cold, La Grippe, then Pneumonia is too often the fatal sequence, and coughs that hang on weaken the system and lower the vital resistance. Foley's Honey and Tar Compound is a reliable medicine that stops the cough promptly by healing the cause; soothes the inflamed air passages; and checks the cold. Keep always on hand. Refuse substitutes. O. M. Olsen.

Advertising should be as honest as the goods and such, we think, is generally the case.

When you see a big full-page, exaggerated advertisement you know the kind of clothing to expect.

At this store our aim is to have reliable clothing and conservative statements in our advertising. It is common-sense and we find it appeals to common-sense people.

Yes, the new spring hats are here.
