SENATOR HEYBURN.

Idaho Statesman Succumbs
 Following Lingering Illness.

SENATOR HEYBURN IS DEAD

Idaho Solon Expires at Washington
 After Lingering Illness.

Washington, Oct. 18.—United States
 Senator Weidon Brinton Heyburn of
 Idaho died in his apartments here
 after a lingering illness. He was
 sixty years old and had been in the
 senate nine years.

A complication of diseases involving
 the heart and kidneys caused the
 senator's death. He had not been
 well since last March, when he col-
 lapsed after delivering a speech in the
 senate on the arbitration treaties, in
 spite of the doctor's warning that the
 effort might cost him his life.

Several weeks ago, apparently gain-
 ing strength after a serious relapse,
 the senator and Mrs. Heyburn made
 preparations for a trip West. Another
 relapse followed, however, and since
 then the patient had been growing
 steadily weaker.

BOSTON CLUB WINS WORLD'S PENNANT

**Struggle for Championship Last-
 ed Ten Innings.**

Boston, Oct. 17.—The Boston Red
 Sox, pennant winners of the American
 league, are the world's champions of
 1912. Defeating the New York Nat-
 ionals in the final game by 3 to 2 in
 ten innings of a bitterly fought strug-
 gle, they captured their fourth vic-
 tory of the world's series and carried
 off the premier honors in baseball.

The Giants won three games of the
 series that was played before more
 than a quarter of a million people,
 and one contest was a tie. The total
 receipts for the eight games were
 \$490,833, and each Red Sox player
 received \$4,024, while the Giant play-
 ers each came in for \$2,566. The
 score by innings:

ABOUT THE STATE

News of Especial Interest to
 Minnesota Readers.

HONOR MEMORY OF JOHNSON

Statue of Late Governor Unveiled on
 the State Capitol Grounds at
 St. Paul.

With a great throng of admirers of
 the former governor on the state
 capitol grounds at St. Paul the
 memorial statue erected by the people
 of John Albert Johnson was unveiled.
 The bronze likeness of the state's
 illustrious executive, who died on Sept.
 21, 1909, stands towering from a gran-
 ite pedestal at the roadway landing
 directly in front of the gray stone
 building, a wonderful reproduction of
 Johnson, the man.

In the governor's reception room—
 the place where the late executive re-
 ceived so many guests—invited friends
 gathered to pay another tribute to his
 memory. With the band playing
 Sousa's "Stars and Stripes Forever,"
 they marched to the platform erected
 at the side of the statue about which
 the crowd had collected. There, Bish-
 op J. J. Lawler delivered the invocation
 and a moment later Miss Jeanette
 Lynch, daughter of Fred B. Lynch,
 Minnesota's national Democratic com-
 mitteeman, pulled from the bronze fig-
 ure the veil which hid it from view.

Hon. C. D. O'Brien, president of the
 Johnson Memorial commission, made
 the presentation speech. Governor
 Eberhart, in a brief speech, accepted
 the statue in behalf of the people of
 the state. He paid a glowing tribute
 to his predecessor.

The address of the day was deliv-
 ered by Congressman W. S. Hammond
 of St. James, who spoke on "The Life
 and Work of Governor Johnson." Con-
 gressman Hammond reviewed the life
 of the dead governor from the time
 he was born at St. Peter in 1861 until
 his death in 1909, telling of his early
 struggles to support his mother and
 himself, spoke of his rise to fame and
 pointed out the possibilities of his fur-
 ther efforts had he lived.

The statue was built with a fund
 raised by popular subscription. Of
 \$24,072.71 paid in \$21,500 has been
 used for the statue and expenses, leav-
 ing more than \$3,000. It has been
 suggested that the surplus be used, to-
 gether with \$1,500 raised by the citi-
 zens of St. Peter, Governor Johnson's
 home town, to erect a replica of the
 statue in that city.

APPEARS LIKE SUICIDE PACT

Two Men Hang Themselves in Woods
 Near St. Paul.

The bodies of two unknown men,
 partly decomposed, were found in the
 woods near the main road between
 Riverside and Newport in a position
 to suggest that they had carried out a
 suicide pact. The discovery was made
 by five young men, two from St. Paul,
 who were rabbit hunting in the woods,
 and were led to the spot by their
 rabbit dogs.

One of the bodies, that of a man
 about fifty-five years, was still sus-
 pended from a limb of the tree by a
 light clothes line, with his knees
 crooked, suggesting that he had taken
 his own life. The other body had de-
 composed to such an extent that the
 trunk had fallen to the ground, leav-
 ing the head suspended in a noose.
 The bodies were on separate limbs on
 opposite sides of the tree.

TRAIN GOES THROUGH DRAW

Engineer Killed and Two Other Train-
 men Injured.

Engineer Charles Cramer was killed
 and Fireman Frank Weber and Brake-
 man John Garvin were injured when
 an engine and eight cars of stock went
 into the Mississippi river through the
 drawbridge of the St. Paul Bridge and
 Terminal company at South Park, a
 suburb of St. Paul. Both Weber
 and Garvin were hurried to St. Jo-
 seph's hospital in St. Paul, where the
 first examination failed to disclose
 fatal injuries, although both are badly
 bruised and cut.

Hundreds of head of cattle, sheep
 and hogs were killed.

THREE MINERS DROWN IN LAKE

Minnesotans Lose Lives When They
 Attempt to Cross in Storm.

Three miners living at the south
 end of Longyear lake, near Chisholm,
 were drowned while returning home
 in a rowboat. A severe storm pre-
 vailed on the lake and the boat was
 capsized. The victims were Frank
 Noman, Tony Gorse and Tony Don-
 liner.

Search disclosed the men's hats
 and coats floating on the lake and the
 overturned boat.

Loses Life Under Wheels.

Louis Bell, thirty-four years old, a
 driver for Clarence C. Gray, grain
 dealer, fell from his truck at St. Paul,
 the front wheels passing over his
 body. Pedestrians saw the man fall
 from the seat and notified the police.
 Bell was rushed to the hospital, but
 he died without regaining conscious-
 ness.

THIRTY INJURED IN WRECK

Twin City Train in Headon Collision
 With Freight.

At least thirty persons were injured in
 the collision between the Twin City
 passenger train on the Chicago Great
 Western road and an extra freight, a
 mile and a quarter north of Spring
 Valley.

Miss Mabel Seymore of Rochester,
 Minn., was hurt in the head and neck
 and injured internally. Her case is
 the most serious. She is being cared
 for at a hotel in Spring Valley.

Conductor Frank A. Mellen of St.
 Paul had his hand and leg injured.

The two trains came together head-
 on at a curve where thick foliage con-
 cealed each from the other.

JAMES J. HILL GAVE TO HARMON FUNJ

Railroad Man Assisted in
 Campaign of Ohioan.

James J. Hill, the St. Paul railroad
 magnate, and Thomas F. Ryan of
 New York were among those promi-
 nent in the business world who made
 contributions designed to further the
 candidacy of Governor Judson Har-
 mon of Ohio for the Democratic presi-
 dential nomination.

Testimony to this effect was given
 the Clapp investigating committee by
 Lieutenant Governor Hugh T. Nichols
 of Ohio, who managed the Harmon
 boom. Mr. Hill contributed \$15,000
 and Mr. Ryan \$77,000.

Commenting on the contribution
 made by Mr. Hill the witness said the
 donation was a generous one, and was
 apparently prompted by the admira-
 tion of the donor for Governor Har-
 mon.

"Mr. Hill's contribution came late
 in the campaign at a time when few
 believed that Governor Harmon had
 any chance for the nomination," said
 Mr. Nichols.

MANY INDIANS CONSUMPTIVE

Federal Officer Finds More Than 70
 Per Cent Afflicted.

Dr. L. Clark of the United States public
 health service has just visited Nett
 Lake and Orr. He is delegated to
 make an examination into the preva-
 lence of consumption and trachoma
 among Minnesota Indians.

His report shows that not a case of
 trachoma was found among the Bois-
 fort Indians. At the settlement at
 Nett Lake no consumption was found.
 More than 70 per cent of Indians ex-
 amined at Pelican Point were found
 to be afflicted with the disease.

KILLS WOMAN AND HIMSELF

Unrequited Love Cause of Double
 Tragedy at Duluth.

Because of unrequited love, Herbert
 Palmer of Duluth shot and almost
 instantly killed Kate Perry, aged
 eighteen, a Finnish girl. He then
 turned the weapon on himself and in-
 flicted a wound in the breast that
 proved fatal in a few hours.

The shooting took place at the Ma-
 rine hotel, where the murdered girl
 was employed as head cook and Pal-
 mer as second cook. There were two
 witnesses to the tragedy.

KILLED BY THE SAME TRAIN

Two Duluthians, a Mile Apart, Are
 Run Down.

Joseph Lachance, forty years of
 age, and Anthony Johnson, sixty-
 seven years old, were instantly killed
 within half an hour of each other by
 the same westbound Northern Pacific
 train to Fond du Lac. The fatalities
 occurred a mile apart. The train was
 delayed by the first and ran down the
 second man six minutes after start-
 ing up. Lachance was a bridge car-
 penter.
