## KING CHARLES.

Roumanian Ruler Declares  
 for War With Bulgaria.

Photo by American Press Association.

Bucharest, July 12.—All Rumania  
 is prepared for war with Bulgaria.  
 King Charles summoned parliament  
 to assemble in special session to deal  
 with the plan to occupy Bulgarian  
 territory. With the withdrawal of her  
 minister from Sofia and mobilization  
 of her armies Rumania has shown  
 she is determined to take possession  
 of the territory demanded as a re-  
 ward for her neutrality during the  
 Turko-Balkan war.

## BULGARIANS ARMY IN FULL RETREAT

Greeks Completely Rout General  
 Ivanoff's Forces.

Athens, July 12.—General Ivanoff's  
 army, with three divisions of the Istip  
 force, aggregating 112 battalions, made  
 its last stand in a strongly entrenched  
 position near Demirhisar, on the left  
 bank of the river Struma, and on the  
 adjacent heights of Intrina, which  
 were well defended with siege artill-  
 ery.

Under cover of darkness in a bril-  
 liant charge the Greeks drove the  
 Bulgars across the Struma. The Bul-  
 garians destroyed the railway for  
 some distance, checking the Greek ad-  
 vance.

The Greeks then directed their  
 march along the right bank of the  
 river, supported by mountain batteries,  
 and compelled the Bulgarians hurriedly  
 to abandon their positions, leaving  
 behind four heavy guns and a quantity  
 of ammunition.

 sloop. Six of the party were res-

## ABOUT THE STATE

News of Especial Interest to  
 Minnesota Readers.

### GRAIN RECEIPTS ARE LARGE

New High Record Reached at Minne-  
 apolis for the Present Crop  
 Year of 1912-1913.

Edward S. Hughes, assistant secre-  
 tary of the Minneapolis chamber of  
 commerce, announces that the total  
 grain receipts of the present crop  
 year have reached nearly 200,000,000  
 bushels, over 59,000,000 bushels more  
 than in the corresponding time in  
 the crop year preceding and exceed-  
 ing all former records for complete  
 years, but the indications are that the  
 crop year that will end Aug. 31 will  
 show 220,000,000 bushels received, or  
 60,000,000 more than ever before re-  
 corded.

In the crop year 1904-1905 the total  
 Minneapolis receipts were 156,346,440  
 bushels and in the record year 1908-  
 1909 the total was 160,446,660.

The Minneapolis flour mills have  
 had the most active productive period  
 in their history. When the calendar  
 year 1912 closed the total production  
 had gone above the 17,000,000 barrel  
 total, making a new productive record  
 that will again be passed in the record  
 for the crop year that will end Aug.  
 31.

### COLONEL SHEEHAN IS DEAD

Hero of Famous Defense of Fort Ridge-  
 ly in 1862.

Colonel Timothy J. Sheehan, hero  
 of the famous defense of Fort Ridgely  
 in 1862, pioneer of Minnesota and  
 prominent in many battles of the  
 Civil war, died at his home in St.  
 Paul after an illness of nearly a year.  
 He had been in ill health for several  
 years, but since last August had not  
 been able to leave his bed. His age,  
 seventy-eight years, combined with  
 the weakening effects of seven wounds  
 which he received during his career  
 as a soldier, made the battle for life  
 a losing struggle.

Colonel Sheehan had lived in Min-  
 nesota since 1857 and distinguished  
 himself in several of the early battles  
 with the Indians, as well as in the  
 Civil war. He was the commander in  
 the famous defense of Fort Ridgely  
 in August, 1862, when the fort was be-  
 sieged by the Indians for eight days.

He also was in command of one di-  
 vision of the army in the last Indian  
 fight against the Chippewas at Sugar  
 Point in 1898. He gained the rank of  
 lieutenant governor in the Civil war.

### SENTENCES ARE SUSPENDED

Nine Minneapolis Icemen Guilty of  
 Giving Short Weight.

In the war declared by W. P. Mor-  
 gan, city weighmaster of Minneapo-  
 lis, on icemen who think they  
 guess better than scales can weigh  
 the icemen were badly routed in the  
 first battle in municipal court. When  
 the smoke of the conflict blew away  
 nine ice wagon drivers were found  
 to have fallen victims to ten-day work-  
 house sentences. The vanquished men  
 asked for leniency and the sentences  
 were suspended. Although the defeat-  
 ed forces fell into full retreat Morgan  
 declares that his war will be waged  
 without cessation until all guessing on  
 ice weights has been stopped.

### MINNESOTA BANKERS ELECT

J. L. Pomeroy of Minneapolis Is  
 Chosen President.

The Minnesota State Bankers' as-  
 sociation, in annual session at Duluth,  
 elected these officers:

 apolis; vice president, W. D. Willard,  
 Mankato; treasurer, J. J. Ponsford,  
 Watertown; secretary, George H.

 council members, C. L. Conger, Mc-  
 Intosh; C. H. Draper, Wells; J. F.  
 Millard, Willmar; A. C. Gooding,

### SLEEPER FALLS TO DEATH

Edward Peipelman Instantly Killed  
 in Mill City.

Edward Peipelman, forty-six years  
 of age, an employe of the National  
 Biscuit company at Minneapolis, was  
 killed when he fell from a fifth-story  
 window of the biscuit company's  
 plant to the pavement.

The fall was witnessed by hundreds  
 of persons during their lunch hour.  
 Peipelman had finished his lunch  
 and went to sleep on the window ledge.

### FIVE HURT IN AUTO WRECK

One of the Victims Probably Mortally  
 Injured.

Harry Johnson was probably mor-  
 tally injured and four other persons  
 were seriously injured when an auto-  
 mobile Johnson was driving turned  
 over at Ponsford, eighteen miles from  
 Park Rapids. Mr. Klinger of Akeley,  
 Miss Glassgow of Park Rapids and  
 Mr. and Mrs. Ray Thompson were the  
 other occupants.

## EBERHART GATHERS FACTS

Minnesota Governor Will Urge Public  
 Utilities Board.

Governor Eberhart will open the  
 campaign for the public utilities  
 board upon his return from the East  
 to Minnesota, about July 14 or 15. The  
 governor said that he has gathered  
 all the reports of railroad commis-  
 sions and other organizations and  
 state officials on that subject and  
 during the present week will compile  
 the data and prepare several speeches  
 for delivery in various parts of the  
 state during the remainder of the sum-  
 mer and in the early fall, so that the  
 extra session of the legislature, which  
 he will call for early October, will be  
 influenced more or less by public sen-  
 timent created by his campaign.

### MILLIONS FOR STEEL CITY

Trust Head Says \$20,000,000 Will Be  
 Spent Near Duluth.

President James A. Farrell of the  
 United States Steel corporation and  
 his party of steel men and their wives  
 returned to Duluth recently from an in-  
 spection of the corporation's mine  
 lease on the Minnesota ranges.

An inspection of the new plant out-  
 side of Duluth was made.  
 "We will expend \$20,000,000 alto-  
 gether on the Duluth plant," said Mr.  
 Farrell. "In addition to a model town  
 at Gary we will build a \$2,000,000 ce-  
 ment plant, with a capacity of 40,000  
 barrels a day as a side line."

## FEDERAL AND STATE BOARDS CO-OPERATE

Minnesotan Will Aid in Fixing  
 Railway Valuation.

Charles S. Staples of the Minnesota  
 railroad and warehouse commission  
 was elected as the special representa-  
 tive of the executive committee of  
 the National Association of State Rail-  
 road Commissioners to co-operate  
 with the interstate commerce com-  
 mission in making a physical valua-  
 tion of railroads.

Following a conference between  
 Commissioners Clarke, McChord and  
 Marble and members of the execu-  
 tive committee of the state commis-  
 sions, co-operation between the state  
 and federal commissions in making  
 the railroad valuation was agreed  
 upon.

Mr. Staples was also named as a  
 member of the "valuation commit-  
 tee" chosen to represent the states in  
 the dual valuation plan.

Commissioner Thorne of Iowa was  
 made chairman of this valuation com-  
 mittee, which was selected by the  
 members of the executive committee  
 of state commissions meeting in  
 Washington. The committee is made  
 up of members from the following  
 states:

Minnesota, Kansas, Iowa, Virginia,  
 California, Oregon, South Carolina,  
 Michigan, Wisconsin, Illinois, Nebr-  
 ska, Ohio, Massachusetts, New York  
 and Oklahoma.

### ONE FIREMAN IS OVERCOME

Huge Stack of Flax Straw Burns at  
 St. Paul.

One St. Paul fireman was over-  
 come by smoke and the heat of the  
 intense flames and the majority of  
 sixty others were scorched and stifled  
 and almost exhausted in their stren-  
 uous battle with a fire at the Northern  
 Insulating company plant, which prac-  
 tically destroyed a huge stack of flax  
 straw valued at \$60,000. The moun-  
 tain of baled straw, covering nearly  
 an acre of ground and standing about  
 thirty-five feet high, was practically  
 all destroyed.

### BRYAN'S SALARY IS TOO LOW

Secretary of State Says He Is Obligated  
 to Lecture.

Hendersonville, N. C., July 14.—  
 While lecturing here Secretary Bryan  
 declared he was compelled to deliver  
 chautauqua addresses to supplement  
 his government salary, which he said,  
 was not sufficient to meet his ex-  
 penses.

"As this is my first chautauqua lec-  
 ture since becoming a member of the  
 cabinet," said Secretary Bryan, "it  
 may not be out of place to say that I  
 find it necessary to lecture in order  
 to supplement the salary which I re-  
 ceive from the government.

"As I have lectured for eighteen  
 years this method of adding to my  
 income is the most natural one to  
 which to turn and I regard it as ex-  
 tremely legitimate."

### STANLEY DENOUNCES LAMAR

Says Lauterbach and Martin Had No  
 Hand in Requesting Inquiry.

Washington, July 14.—David La-  
 mar, Edward Lauterbach and Sec-  
 retary Henry B. Martin of the Anti-  
 Trust league were collectively and  
 individually denounced in the house  
 by Representative Stanley of Ken-  
 tucky, head of the recent steel trust  
 investigation, for "boasting" before  
 the senate lobby committee that they  
 figured in drafting the house resolu-  
 tion of inquiry. Stanley declared  
 "absurd" and "untrue" the alleged  
 participation of Lauterbach and Mar-  
 tin in presenting the resolution to  
 him.

## Buy Land in the Upper Peninsula of Michigan

Buy a farm now where farming pays in Cloverland, we

 first choice and twenty years to pay for it. No one ques-

 be excelled. You cannot fail if you grasp the situation im-
