"A date for every day" is the motto of our "d. o. f. Room No. 28 has placed on the frontispiece of his calendar. The color design is elaborately worked out.

A number of persons (at least two) have been troubled about what the what the originator of this peculiarly mottoed calendar page wishes to say with this expression so unsuitably adapted to the life of a student. He says: "It is nothing but an innocent expression." Intelligent?"

Dear old friends.

Mail Service Exams.

If enough applications are received from persons tributary to the city of New Ulm who are willing to take the required examination for the railway mail service, an examination will be held here February 21st, according to advices received here from the United States Civil Service Commission last week by Edward L. Alwin, Secretary of the local board. If not enough applications are received, the applicants may be ordered to report at Mankato or some other point to take the examination. The necessary blanks can be secured either from the Civil Service Commission at Washington, D. C. or from J. M. Schoemaker, Secy. of the 8th Civil Service District, St. Paul, Minn. WALTER H. ROTHWELL Symphony Conductor.

With the famous St. Paul Symphony Orchestra, which comes to the Turner Theatre for two concerts next Friday afternoon and evening, comes Walter Henry Rothwell who has been the orchestra's conductor for the past six years. It was Mr. Rothwell who took charge of the great musical organization in its infancy and who has brought it to a point where it is known all over the United States and Canada as an organization of the first rank.

Prior to taking charge of the St. Paul Symphony Mr. Rothwell was the star conductor for the grand opera impresario Henry W. Savage and is remembered throughout the length and breadth of the land for his masterly work in "Passifal" and "Madame Butterfly." He is of English-German descent and is quite favorably known as a composer of songs and piano music. In Europe he was conductor for the Royal Opera at Amsterdam, was chief assistant to the famous Gustav Mahler at Hamburg and refused the post of conductor of the opera at Frankfurt to accept the post in St. Paul. Last season he was invited by Dr. Nikisch to act as guest conductor at Covent Garden, an honor which comes to few musicians. For his New Ulm concerts he has selected programs that will put his rare ability to the finest test and our music lovers can look forward to a genuine treat.

The afternoon concert will begin at 3:30, tickets for both entertainments now being on sale at the Pioneer Drug Store.

OBITUARY

One of the most progressive farmers of the Town of Brighton, Nicollet County passed away when J. Herman Sons closed his eyes Saturday morning at 6:30 after a brief illness lasting less than 5 days. He was taken down with pneumonia Monday night, a sickness he had been afflicted with once before about 10 years ago and which had left him in a weakened condition ever since.

The deceased was born March 28, 1867 in the Town Brighton, as the son of Mr. and Mrs. Niclaus Sons, pioneer settlers of Nicollet County. He grew to manhood in his home town and took up the pursuit of farming in which he was eminently successful. He was married April 29, 1903 at the Swan Lake Catholic Church to Miss Anna Katherina Lux of South Dakota. Four children came to bless their union, all of whom with their mother are living. They are Lea, Magdalena, Frances and Claudia, ranging in ages from 9 to 2 years. He is also survived by the following sisters: Mrs. Adam J. Peters, Mary Sons and Paulina Sons of New Ulm and Mrs. John Zern of Wabasso.

At the time of his death Mr. Sons was a member of the Swan Lake St. Peter's Society which attended the funeral in a body. He was buried from the Catholic Church at Swan Lake yesterday (Tuesday) morning at 10 o'clock and his remains were laid to rest in the Swan Lake Cemetery.

The deceased was well liked in his community for his spirit of fairness that he displayed at all times and he had a host of friends. He took a keen interest in everything that had for its object the betterment of the conditions of the community in which he lived and was one of the chief promoters of the movement to improve the highway from Brighton to New Ulm under the Elwell law. He served his town ably and well as town supervisor and also as school trustee at various times. His word was as good as his bond and the loss of such a man to a community can but produce universal regret as is the case in the demise of Mr. Sons.

The following from out of town attended the funeral: Mr. and Mrs. John Lux of Hoven, S. D.; John Lux of Glenburn, N. D.; J. P. Schroden of St. Cloud and Paul and Theodor Sons of Norwood.

Charles, the 3 year old son of Mr. and Mrs. Charles Ratzke, who reside on North Broadway died quite unexpectedly Monday morning at 6:30. The child had been afflicted with whooping cough for several days, but it was not considered serious by the members of the family. The funeral will be held from the Catholic Church this (Wednesday) morning.

Geo. Scheman Retires From Business.

It will no doubt prove of interest to many of our readers to learn that George Scheman of Winthrop is to retire from the firm of Schilling & Scheman the latter part of the month. In speaking about Mr. Scheman's retirement from the mercantile field, the Winthrop News says:

"Another change has taken place in Winthrop's business circles, George Scheman, junior member of the firm of Schilling & Scheman, has disposed of his interests to Olof Noreen.

The news of Mr. Scheman's retirement from the above firm will doubtless occasion considerable surprise. None, perhaps, realized that what George had become a fixed figure among the business interests of our progressive city. While his future plans have not been fully decided upon we sincerely trust that the change will not result in the removal of himself and his estimable family from Winthrop."

Mr. Scheman was born and reared in Courtland township, Nicollet county. At the age of 16 years he entered the G. A. College at St. Peter and took up a commercial course. He attended that institution of learning for a period of three years when he completed his course. He then entered the employment of Schumacher Bros., who were at that time one of the leading mercantile firms of St. Peter. He went to Winthrop in 1891 and entered into partnership with Mr. Schilling March 22, 1899. Mr. Scheman is a son-in-law of Adolph Seiter and a brother of Herman Scheman of this city and Jos. Scheman of Courtland Township.

TAKES OFF DANDRUFF, HAIR STOPS FALLING

Save your Hair! Get a 25 cent bottle of Danderine right now—Also stops itching scalp.

Thin, brittle, colorless and scraggy hair is mute evidence of a neglected scalp; of dandruff—that awful scurf. There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Danderine tonight—now—any time—will surely save your hair.

Get a 25 cent bottle of Knowlton's Danderine from any drug store. You surely can have beautiful hair and lots of it if you will just try a little Danderine. Save your hair! Try it!

He was given considerable encouragement and it is highly probable that he will decide to open a school here.

Monday noon Helen, the 7 year old daughter of Fred Brust, met with an accident which may cause serious injury to the sight of her right eye. She and her sisters were playing with their toys and one of them struck the little girl with a part of the hook and ladder toy at the moment in hand. The blow fell on the eye ball and lacerated it so close to the pupil that fears are entertained lest some harm may result to the lens. The attending physician, however, does not anticipate a permanent injury.

The work rooms have also been done over in the same colors and everything is light and pleasant.

Senator Frank Clague will appear before the state pardon board Friday afternoon to urge that mercy be shown to Gus Metag, whom he sent to prison for life sixteen years ago when he was prosecuting attorney of Redwood county. Metag was convicted of murdering his neighbor John Kuehn. The evidence was conclusive, but Mr. Clague now explains that there was much provocation. "Kuehn was of a quarrelsome disposition," said Mr. Clague yesterday, "and there was constant jangling between the two neighbors, which continued until Metag, inflamed by drink, was aroused to what was seemingly an uncontrollable frenzy. He has now served sixteen years, has been a model prisoner. We will pray for a commutation of sentence to thirty years, which by deduction for good behavior will make Metag eligible for parole very soon."—Comfrey Times.
