Every one in New Ulm should feel proud and happy that our people have at last shown that there is nothing too costly for us to have if it touches the well-being of future generations. We have decided to build a new school house, one adequate to the needs of New Ulm. We have gulped a little about swallowing the high cost but we got it down and the taste may be a bit unpleasant to some of us we are not making a wry face—everybody knows that what we have done is for the best interests of the children and we are all going to be pleased at the results. The fact that election night was decidedly stormy and disagreeable and yet so many of the people found it incumbent upon themselves to express their convictions is significant and augurs well for a re-awakened interest in school matters. Also the further significant fact is to be noted: the vote as cast did not indicate any factional feeling. The opposition to the bonds came, chiefly from those who oppose higher taxes.

### LOCAL NOTES

With 175,000 feet of lumber sawed up to date, Fritzsche & Tauer have hopes that they will be able to reach last season's cut before the season closes. Last year they sawed a trifle over 200,000 feet of lumber.

Saturday evening, March 28th, Prof. Erickson of the State University will deliver a demonstrated lecture on Liquid Air at the Methodist Church. This is one of the series of lectures given under the auspices of the Young Men's Club of the Church and is free to all.

The Chicago & Northwestern Railway Company has decided to change the name of Mankato Junction which will hereafter be known as Burdett. In arriving at the name they selected the middle name of their veteran employee F. B. Wells at that place, who duly appreciates the honor that has been conferred on him.

John Dengler's commission as Second Lieutenant of the Machine Gun Co. will be issued in the near future. He passed the examination satisfactorily a short time ago. Lieut. Wm. H. Bierbaum was too busy to attend the last examination, but expects to go before the Board of Examiners at the next session in May.

Fred Seiter of Kiesling, Washington, is in town this week and will remain several days. Mr. Seiter has been in the cities and at Chicago buying new machinery for their business out west for two weeks and expects to be delayed by further business in the Dakotas and Montana on his way home so that his trip will become quite extended even tho he has time for but a few days among his many friends here. He is looking well and it certainly looks good to see him here. He says that while Washington is not New Ulm and they miss their old home greatly still they like the West and are all well.

The Talking Pictures shown at the American drew good houses at the Saturday matinee and the evening performances. The illusion is very good and there are times when one can scarcely convince himself that the actors in the pictures are not doing the talking. The "Miser" scene and the "Terror" were exceptionally good. It would seem that in the scenes requiring slow, distinct enunciation the illusion is more perfect than in those where there is too great rapidity of action and speech. The ear and eye must be conscious of the word that falls from the lips at the same moment in order to produce the perfect result. This is possible where the words are spoken with oratorical roundness and effect. No doubt that the talking pictures will become the common thing within a short time and the slight troubles now experienced with them will be done away with as Mr. Edison further perfects his work.

### OBITUARY

Death came suddenly and unexpectedly to Otto Kankel at the Nic Hoss home in Nicollet County, adjoining the city, Sunday afternoon at 2:45. Death was due to heart failure. Mr. Kankel had been in failing health for the past 7 months and about 3 months ago he had a spell of sickness and went to Fertile, Minn., to his children, returning to the Hoss home a week ago to-day, apparently in the best of health. Saturday he was in town feeling fine but Sunday afternoon shortly after 12 o'clock he had the first attack and two hours later he had breathed his last.

The deceased was born in Pommern, Germany, May 5, 1844. He learned the miller's trade in the old country. He served in the Danish Prussian War in 1866 and in the year 1869 he came to America, locating in Ottertail Co., where he was married in the village of Elisabeth to Louise Zaiser who preceded him in death in October, 1911.

From Ottertail Co. he moved to Polk Co. in 1880. Until August 1912 he followed the miller's trade in this country and for the most of the time he was associated in this business with Nic Hoss. For many years he was Vice Pres. of the bank at Fertile. After their retirement about 14 years ago, they looked around for a suitable place to spend their declining years and New Ulm appealed to them, because of its German character. Just about a year ago Mr. Hoss bought the Martin Mueller place across the river and they have lived there ever since.

One of Mr. Kankel's sons died 5 years ago, aged 27 years. His surviving children are Chas. F. Kankel and Mrs. Emil Chloupek of Fertile, Minn. and Dr. O. W. Kankel of Upland, Cal. He has also one brother and one sister living in the old country. The remains were taken to Fertile, Minn. Tuesday afternoon by his son Charles and his son-in-law Emil Chloupek. The funeral will be held from the Lutheran Church in Fertile either Thursday or Friday.

Henry Ulrich, aged 74 years, died at the home of his daughter, Mrs. Bernard Esser on South Minnesota Street, Tuesday morning at 6:30. Death was due to Bright's disease. He was sick and confined to his bed for weeks.

The deceased was born in Gettorn, Schleswig Holstein, Germany, March 16, 1840 and was married in the home of his nativity to Maria Festesen in October 1867. In the year 1884 they came to America, locating first at Davenport, Iowa. Shortly after that they moved onto a farm near Ellsworth, Minn. where the deceased followed the pursuit of farming until the year 1892, his wife having died the previous year. Since then he has made his home with his children, coming to New Ulm in 1911 where he has lived with his daughter, Mrs. Bernard Esser. Of Mr. Ulrich's six children two preceded him in death. The four surviving children are Mrs. Henry Fischenich, Adrian; Mrs. Bernard Esser, New Ulm and John and Ernst Ulrich of Luverne. The remains will be taken to Ellsworth, Minn. today (Wednesday) noon and the funeral will be held from the Lutheran church at Ellsworth, to-morrow (Thursday) afternoon at 2 o'clock and interment will be made in the Lutheran cemetery.

### 10 CENT "CASCARETS" FOR LIVER AND BOWELS

Cure Sick Headache, Constipation, Bilioussness, Sour Stomach, Bad Breath—Candy Cathartic.

No odds how bad your liver, stomach or bowels; how much your head aches, how miserable you are from constipation, indigestion, bilioussness and sluggish bowels—you always get relief with Cascarets. They immediately cleanse and regulate the stomach, remove the sour, fermenting food and foul gases; take the excess bile from the liver and carry off the constipated waste matter and poison from the intestines and bowels. A 10-cent box from your druggist will keep your liver and bowels clean; stomach sweet and head clear for months. They work while you sleep.

### POLITICAL ADVERTISEMENTS

The following advertisement is ordered by Hubert Berg and will be paid for by him.

I hereby announce myself as an Independent Candidate for the office of City Clerk of the City of New Ulm. I have filled the office as deputy City Clerk since Sept. 1st, 1913 and am therefore entirely familiar with the work. I have also had 30 years of business experience, having been in the employ of J. F. Newmann for 26 years and acted as manager and bookkeeper for the same firm for over 20 years, which makes me competent to perform the duties of the office of City Clerk.

I respectfully solicit your support and vote.

HUBERT BERG.
