### WILLIAM E. LEE.

Will Make Primary Fight  
Against Governor Eberhart.

### KILLS WOMAN AND HIMSELF

Jealousy Results in Double Tragedy at  
Minneapolis.

Jealousy caused the death of two  
persons at Minneapolis.  
George Lewcock, a laborer, shot and  
killed Mrs. Hattie Benson, a rooming  
house proprietor, and then fatally  
wounded himself. He died an hour  
later at the City hospital.  
A charge made by Lewcock that  
Mrs. Benson had been receiving the  
attention of other roomers resulted in  
a quarrel. The woman ordered Lew-  
cock from the house after telling him  
she would not marry him.  
Lewcock went to his room. He re-  
turned a minute later. Before Mrs.  
Benson had time to escape he fired  
two shots at her. Both bullets struck  
her in the head and she fell dead. The  
man turned and shot himself in the  
head.

### MINNESOTA PRIMARY LAW CONSTITUTIONAL

Statute Upheld by the State  
Supreme Court.

The nonpartisan primary law passed  
by the 1913 legislature was upheld in  
a decision handed down by the state  
supreme court.

The court holds that the law did  
not violate the section of the constitu-  
tion providing that no law can em-  
brace more than one subject. The  
court also holds against the conten-  
tion of the plaintiffs that the law  
contained matter not germane to the  
general subject and the contention  
that it was special or class legislation.  
The law in question provides for  
nonpartisan nomination of all candi-  
dates for county offices, judicial posi-  
tions and for the legislature, changed  
the primary date from September to  
June, permits the Bull Moose party  
to select its candidates at the general  
primary, provides that where there  
are no more candidates before the  
primary than the number to be nomi-  
nated they shall not go on the pri-  
mary ticket, and provides for the  
election of county surveyors without  
primary nominations.

### C. D. O'BRIEN FOR BENCH

St. Paul Attorney May Succeed Fed-  
eral Judge Willard.

C. D. O'Brien, former mayor of St.  
Paul, may be named to succeed the  
late Judge C. A. Willard on the bench  
of the United States district court.

Mr. O'Brien, it is said, will have  
the solid backing of the Democracy  
in St. Paul. There is every reason  
to believe that the man appointed will  
come from that city. For no real reason  
the judgeships in that district in the  
United States court have been held  
by men in Minneapolis or out-  
side of St. Paul.

Former Judge John W. Willis and  
Associate Justice Bunn of the state su-  
preme court, both residents of St.  
Paul, also are mentioned for the place.

### M'EWEN PLUM IS OPPOSED

Congressman Miller Protests Remov-  
al of Postmaster.

Steps have been taken at Washing-  
ton by Representative Clarence B.  
Miller of Duluth to prevent confirma-  
tion of the nomination of W. E. Mc-  
Ewen as postmaster at Duluth. The  
nomination was sent to the senate  
Tuesday. Mr. Miller has requested  
Senators Nelson and Clapp to hold up  
confirmation.

Mr. Miller was named to take the  
place of Arthur P. Cook, removed.  
Mr. Cook's commission expires in  
June.

**Miner Burned to Death.**  
Mike Ostovich, skiptender of the  
Norman mine at Virginia, was burned  
to death in a fire that destroyed the  
boarding house of Ligi Beratti. His  
brother, San Ostovich, was severely  
burned.

### MME. CAILLAUX.

Wife of Cabinet Officer  
Who Shot French Editor.

Madame Caillaux, wife of the former  
French minister of finance, gave her  
version of the killing of Gaston Cal-  
mette, editor of Le Figaro. Before  
Magistrate Boucard she sobbed out  
the story of the bitter, unrelenting  
political fight made upon her husband.  
She told of the intense love for Cal-  
laux and her children, how the polemic  
shafts of Gaston Calmette wounded  
her until, driven to desperation, she  
purchased a revolver, concealed it in  
her muff and, driving to the offices of  
the Figaro, shot down the editor "in  
defense of the honor of her husband  
and her home."

### VILLA'S ARMY IS NEARING TORREON

Advance Guard Thirty-five Miles  
From Federal City.

El Paso, Tex., March 22.—A brief  
dispatch received from a correspond-  
ent with General Francisco Villa's  
Constitutionalist army at Torreon  
stated the advance guard of the reb-  
els was at Yermo, thirty-five miles  
north of Torreon.

Another dispatch received by the  
Constitutionalists' information bureau  
at Juarez is supposed to give details  
of the movements of Villa's men. The  
Juarez officials, however, would make  
no details public, merely saying that  
the Constitutionalists are steadily  
driving in the federals.

These two dispatches apparently  
disprove the story that the Constitu-  
tionalists had captured Bermijillo and  
Mapini. Both of these places are sub-  
urbs of Torreon and much closer than  
Yermo.

### FAMINE COSTS MANY LIVES

Cape Verde Islands Suffering From  
Effects of Lack of Rain.

Boston, March 23.—A serious fam-  
ine is reported in the Cape Verde is-  
lands in dispatches received here. It  
is stated that many persons have died  
of hunger and herds of cattle have  
perished. Lack of rain is given as  
the cause of the food shortage.

## ABOUT THE STATE

News of Especial Interest to  
Minnesota Readers.

### LEE PICKED TO MAKE RACE

Anti-Eberhart Republicans Hold Elim-  
ination Convention and Unite on  
One Candidate.

Receiving 553 votes out of 950 cast,  
William E. Lee of Long Prairie was  
selected by the anti-Eberhart con-  
ference at Minneapolis to make  
the primary fight against the present  
governor. Before the vote could be  
announced delegations began chang-  
ing their votes so rapidly that the  
nomination was made unanimous. The  
thousand men present cheered loudly  
and adjourned feeling satisfied with  
the results, since apparent harmony  
had been secured out of a situation  
that promised in advance to end in a  
fight.

The only fly in the ointment was the  
fact that at the end of the proceed-  
ings, when the other candidates got  
up and pledged hearty support to Mr.  
Lee, James A. Peterson was not pres-  
ent. However, Mr. Peterson had pre-  
viously agreed to support anybody  
but Iverson.

The resolutions were presented by  
E. T. Young, former attorney general  
and a candidate against Eberhart in  
the last state primary.

The resolutions charge that the Re-  
publican party in Minnesota "has  
abandoned its time honored prin-  
ciples and has become an instrument  
for the promotion of the sinister pur-  
poses of a political machine organized  
solely for spoils."

The governor was charged with  
neglecting his duties; with failing to  
keep informed on matters of state in-  
terest; with being away from his of-  
fice too much; with being dominated  
by "invisible influences arrayed  
against the public welfare; his ac-  
tions openly dictated by the machine  
and supported by predatory interests."  
"His administration has been notori-  
ously incompetent, vacillating and ex-  
travagant," said one paragraph. He  
was scored roundly for vetoing the  
Nolan and Minnette bills.

The resolutions urge that the pri-  
mary law be so amended as to prevent  
the nomination of minority candidates.  
The constitutional amendment propos-  
ing the initiative and referendum was  
endorsed and its adoption urged.

Laws creating a free and open mar-  
ket for farmers were demanded and  
home rule in the control of local pub-  
lic utilities endorsed.

### SUSPENDS DISTANCE TARIFF

Commerce Commission's Order Af-  
fects Minnesota Rates.

Application of the Cashman distance  
tariff rates on freight moving be-  
tween the Twin Cities and Duluth and  
Superior (head of the lakes), which  
the Minnesota railroads proposed to  
put into effect March 25, will not be  
permitted by the interstate commerce  
commission until after full investiga-  
tion. The commission issued an order  
suspending the proposed increases  
until July 16.

The commission's action followed ar-  
guments before Chairman E. E. Clarke  
and other members of the commission  
by Senator Moses E. Clapp and Rep-  
resentative C. B. Miller. The Cashman  
rates must be approved by the inter-  
state commerce commission, because  
all the roads operating between Min-  
neapolis and the head of the lakes  
run for a short distance in Wisconsin  
and the freight movement is there-  
fore interstate commerce.

### ST. PAUL PHYSICIAN DEAD

Dr. T. W. Stumm Stricken Suddenly  
at Vienna.

Dr. Thomas W. Stumm of St. Paul  
is dead in Vienna of heart disease.  
A cablegram received by Dr. M. M.  
Ghent, former classmate of Dr. Stumm,  
gave the information that the  
latter dropped dead at his work. He  
had been in Vienna since Jan. 6,  
studying at the University of Vienna.  
His wife accompanied him there.

Dr. Stumm was one of the best  
known physicians in St. Paul. He was  
a recognized authority on diagnosis  
and had a practice which extended  
throughout the Northwest.

### WAS KNOWN TO THOUSANDS

at St. Paul, is Dead.

James Farrell, depot master at  
the Union station at St. Paul for  
thirty years, is dead of a complication  
of diseases. He was sixty-eight years  
old.

Farrell was known to thousands of  
travelers through his long service in  
directing passengers to their trains at  
the St. Paul terminal.

### MAN AND WIFE DIE IN FIRE

Blaze Destroys Home of Couple at  
Breckenridge.

Fire destroyed the home of William  
Robart at Breckenridge and caused  
the death of Robart and wife. It is  
thought the fire was caused by a de-  
fective stovepipe. Mr. Robart had  
been employed by the Great Northern  
railway for fifty-two years.
