LOCAL NOTES

A son and heir arrived in the home of Louis Adams of this city on Friday.

W. G. Frank, the Springfield banker, transacted business in our city Monday.

John Breu, William Nichols and Francis Schaefer left Wednesday for Montana to take up a claim.

Robert Litfin of Courtland was operated upon for stomach trouble at Loretto Hospital Tuesday morning.

Mrs. Chas. Helmes who has been visiting with her sisters for some weeks has returned to her home in St. Paul.

Alois Brey who recently purchased the Schneider saloon at Springfield removed with his family last week.

Mrs. John Larson of Linden was here Tuesday on business and found time to shake hands with a few of her friends while in the city.

A. H. Lienhard of Minneapolis hobnobbed with friends and acquaintances for several days last week. He left again Monday evening.

William E. Koch had a fainting spell Sunday morning and he has since then been confined to his bed. No serious results are anticipated and he is expected to be up and around again today.

Adolph Meile left Thursday for Winona to join his wife and children who have been visiting with the Hillmers for the past two weeks. They are all expected home next Monday.

Mrs. William Thiedemann left for St. Paul last Thursday, called there by the serious illness of her son-in-law, Albert E. Peglow. Mr. Peglow was in a very critical condition for several days.

Fred Seiter left Friday morning to return to his home in Kieling Washington, after a visit here of three weeks. Mrs. Seiter and Aline are still here and will remain for some time.

A hand rail has been erected in the center of the steps leading into the court house. This is certainly an improvement and will prove quite a convenience to all who have occasion to climb up the court-house steps.

John Hauenstein Sr. who submitted to an operation about two weeks ago was taken home from the hospital Monday evening. He is not showing the signs of improvement that his friends would like to see.

Henry Ramlo of Hendricks was operated upon for appendicitis at Loretto Hospital last Wednesday morning and the 11 year old daughter of Jos. Schemann of the Town of Courtland submitted to a similar operation the following day.

Miss Emma Beinhorn of Duluth arrived Monday for a few days' visit with friends. She is the guest of Miss Clara Steinhauser during her stay. From here she goes to Winona for a brief visit with her brother Alfred and family.

After Easter Leo Sprenger who has been employed at Crone's Department Store for the past several years, intends to go to Minneapolis to take a course in window decorating. He expects to stay in Minneapolis and follow this line of work.

A petition asking for the grading of the Brighton Road under the Elwell law has been signed by the following property owners and will be presented to the County Commissioners of Nicollet County at the next meeting of the Board: William Drill, J. A. Jensen, Fred J. Meyer, Ad. Schilling, Frank Weier, Franz Wendinger, George Maidl, Anton B. Maidl, John Jutz, Fred Gieseke and George W. Gieseke.

Madelia is putting on metropolitan airs and will not be content until it has a "White Way" of its own. At a recent meeting of the business men held at the opera house of that progressive village, a committee was appointed to raise the necessary funds. The committee has met with such a hearty response from the citizens in general and the business men in particular, that it can be safely stated that the "White Way" is practically an assured fact.

Miss Rose Staley has been the guest of her sister Mrs. Herman Held the past week.

The Misses Mollie and Margaret Collins spent Sunday with friends in Rochester.

Wm. Pfeifferle's new delivery wagon is a dandy and the things delivered in it should be better than usual.

Dr. Geo. B. Weiser left Monday morning for Winona on a professional trip. He is expected home today.

Mr. and Mrs. Joseph Grausam are entertaining Miss Mary Theurer of St. Paul at the present time.

Carl Braunreiter, Jr. who has rented a farm near Clements in Redwood Co., removed there with his family last week.

John Groebner is the new clerk in Crone Bros. Clothing Store. He succeeds Leo Sprenger who will take a course in window decorating after Easter.

Last Wednesday afternoon twenty-five members of the Society of Foreign Missions of the Methodist Church were entertained by Mrs. Herman Durbahn at her home near Klossner.

Mrs. Carl Fuerst returned to the bedside of her father, John Hauenstein, Sr. last week after a trip to Chicago to be present at the funeral of her husband's mother. Mr. and Mrs. Henry Fuerst were also expected to return to New Ulm yesterday.

Mrs. John Sperling received the sad news Thursday that her mother, Mrs. John George Meyer had died at Monroe, Mich., aged 85 years. Mrs. Sperling was not able to attend the funeral because she is still confined to bed with typhoid fever.

Louis Martin and family of St. Peter have recently removed to New Ulm from St. Peter to make their home here. Mr. Martin is a carpenter and will be employed on the new hospital this summer. He worked here last summer also. They have located at 826- No. Minn. Street for the present.

Mr. and Mrs. Peter Giefer and their daughter, Miss Elizabeth, left Thursday for Thief River Falls, Minn. where they expect to make their future home. Mr. Giefer has a farm near Thief River Falls which he expects to work himself. Mike Giefer who is employed at the Pioneer Drug Store will remain here for the present.

Owatonna remains dry. The recount recently held of the ballots cast at the last election for and against license, resulted in giving the "drys" one more vote than was originally reported by the judges of election. Dr. Milo D. Price, William Peller and Geo. W. Peachey acted as the commissioners to do the recounting.

Thursday of this week will occur the debate on the question of Woman Suffrage before the Men's Club of the Congregational Church. Mr. F. W. Johnson will uphold the affirmative of the question and Major Pfander will defend the negative. Men of the city are invited to attend. The meeting will be held as usual at the church and will begin at 8 P. M.

New Ulm High School's delegation at Carleton College came home last Friday to spend their spring vacation. The boys will have till Easter Monday to recuperate from their strenuous collegiate activities. Four of the local boys are attending Carleton this year. They are Harkin Massopust, Elmer Cordes, Waldemar Huevelmann and Alfred Ruemke. The first three named are making a strong bid for places on the college base ball team and are also expected to do something in track athletics.

The proposed closing of the barber shops at seven o'clock instead of eight, the customary hour for closing, does not seem to meet the approval of all the barbers of New Ulm. The plan would be alright if all the patrons could be cared for in the shorter day but this seems to be an impossibility. The working man, for example, finds it impossible to get to the shop during the day. This makes it imperative for him to make his visit to the shop at the close of the day. Quitting work at six, he finds it impossible to go home and get his evening meal and get down town to the barber shop before the closing hour. For this reason it would seem necessary to keep open longer.
