STALEY SECURES FARMERS MEET.

The annual picnic and summer meeting of the Brown County Farmers' and Breeders' Association will be held Wednesday, June 3rd, at the Stately Farmers' Club house in the Town of Stately. A splendid program will be prepared. A basket lunch will be one of the features of the day. These summer meetings have in the past been profitable and a source of pleasure and it is proposed to make this year's event even more enjoyable and more profitable than ever before.

## SCHREYER SUIT SETTLED.

The case of the Sleepy Eye Land & Trust Co. vs. Otto Schreyer which has been pending for some time was to have been tried before Judge Olsen in Chambers last Tuesday. After taking evidence all morning, the attorneys for the respective parties got together during the noon recess and settled the case, Schreyer agreeing to pay the plaintiff a small sum of money in the shape of damages for his refusal to carry out the contract to sell his farm in the Town of Milford to the plaintiff. The option contract in question was signed by Schreyer only. Eighty acres of the land in question was his home stead and the contract as to this land was in force because Mrs. Schreyer had not signed and she refused to join in the conveyance of the land.

## H. O. MUEHLBERG VINDICATED.

The friends of the Muehlberg family will no doubt be pleased to read the following clipping from the Carver Journal-Review:

H. O. Muehlberg, who was removed from the local postoffice a short time ago on account of an alleged shortage in accounts, was completely vindicated by the federal grand jury which convened in Minneapolis Monday. This will be pleasing news to his many friends throughout the county and leaves Herman without a tarnish against his good name. The Journal-Review has refrained from commenting on his removal preferring to wait until the charge was acted upon by the federal court as it was inconceivable that he would be found guilty of any irregularities. It is hoped that our exchanges will give as much publicity to his acquittal as they did to his removal.

Senator J. E. Hayercraft of Madelia was in the city Thursday and Friday of last week in the interest of his campaign for the republican nomination for Congressman of this district. The only opponent for the republican nomination he has so far is Franklin Ellsworth of Mankato who has made the campaign for this office twice, each time suffering defeat at the hands of Congressman Hammond. There was some talk recently that Frank Clague of Redwood Falls might contest for the nomination, but it looks now as tho he would not enter the contest. So far no Democrat has signified a willingness to file for the nomination. Paul Dehnell, editor of the Worthington Progressive is the only one trying for the nomination of the Progressive party. Senator Hayercraft is well-known in the district and the outlook for his capturing the Republican nomination seem at the present time quite bright.

## TRACY STILL MOIST.

In the proceedings recently instituted to determine the validity of the election which made Tracy dry, Judge Olsen on Thursday filed his decision sustaining the contention of the "wets" that the election was invalid, because of the fact that the petition to vote on the question of license was not filed in time and did not have the requisite number of signers.

If this decision is not reversed, the Tracy saloons will be allowed to operate until July 1st, the time of the expiration of the present licenses. Whether the saloons will be allowed to continue after that time is a matter of conjecture.

## BUYS BUSINESS AT SPRINGFIELD.

Postmaster Wm. Mueller closed a deal on Saturday whereby Otto D. English of New Ulm became the owner of the Mueller Gift Shop, and the new proprietor assumed charge of the business on Sunday. Mr. English has been interested in the American theatre at New Ulm for some time past.

The Gift Shop will be in charge of Mrs. English and as soon as the season opens for operating the A. C. Ochs Brick & Tile plant Mr. English will accept a position with the company operating the steam shovel.—Springfield Advance.

## BILLIARD EXPERT SHOWS HIS SKILL.

Billiard enthusiasts who gathered at the Commercial Club rooms last Saturday night enjoyed a rare treat when they had the opportunity of seeing Geo. E. Spears, the crack billiard expert and fancy shot artist in action.

Mr. Spears first played an exhibition game with his son, Edgar. He is a phenomenal cue artist and made several long runs of 24,29,57 and finally made a dramatic finish by running a total of 100 points amid the enthusiastic applause of the spectators. How much farther he might have gone is mere conjecture as he holds the world's record run of 5,047.

The entertainer then gave an exhibition of fancy shots which certainly entitle him to the title of "The Wizard of the Cue." No position of the balls seemed to offer any problem to him and the usual laws of physics were evidently suspended while he made the ivory obey his will. He made the balls describe figure eights, jump over each other and come back and make a billiard. He gave his famous "William Tell" shot, his "Fade-away" and "Spit-ball." Impossible freak shots were the order of the evening and he held the spectators spellbound at the uncanny behavior of the balls.

A lecture on the fine points of the game then followed in which the artist declared that there were really only two shots in billiards, the "draw" and the "follow." He then showed the proper way of executing these two shots to get the best results. Playing the cushions he deplored as unnecessary and amateurish and said that the real expert would go to the cushion only as a last resort. The whole performance was extremely interesting and the forty or fifty spectators who were present went away with a much more profound respect for the mysteries of the green covered table.

## LUTHERAN PASTORS IN CONFERENCE.

From Friday April 17th until Tuesday, April 21st the German Lutheran pastors of the Minnesota conference met at Arlington in annual convention. The meetings were presided over by Rev. J. H. Naumann of Goodhue and Rev. G. Hinnenthal of Buffalo acted as Secretary. The morning sessions were devoted to doctrinal discussions and in the afternoon matters of business were taken up and disposed of. Papers were read by Revs. A. J. Dysterheft of Sanborn and Immanuel F. Albrecht of Fairfax at the morning sessions. Prof. J. Meyer, A. Ackermann and Rev. J. H. Naumann delivered sermons at the services held Friday evening, Sunday morning and Sunday evening. Monday evening a sacred concert was given under the able leadership of Prof. Fr. Reuter. Twenty-five students of Dr. M. Luther College rendered most of the vocal and instrumental numbers of the program.

A special meeting of the board of trustees of the Minnesota Synod was held Monday. At this meeting it was resolved to remodel the Director's dwelling of the Dr. M. L. College. Bids were opened and the contracts for the work were let. Work on the planned improvements is to begin as soon as possible.

## ST. PAUL'S CHURCH MATTERS.

At the quarterly meeting of the St. Paul's Lutheran Church held Sunday afternoon John H. Weddendorf was elected as a delegate and Herman Engelbert as alternative to the Lutheran synod which convenes in Gibbon in the middle of June. William Muesing tendered his resignation as teacher of the parochial schools, the same to become effective at the end of the school year and it was accepted. The minister's salary and those of the teachers in the Lutheran school were raised substantially. It was also decided to invite the Lutheran Synodical Conference of North America to have its biennial session in New Ulm this coming August. In case the invitation is accepted about 200 delegates will be in our midst during an entire week during the month of August. New Ulm has the distinction of having had this conference once before, 8 years ago.

## OBITUARY

Death entered the home of Mr. and Mrs. Henry Greenholz Tuesday morning at 8:30 and called their son, Gilbert Alfred, to his reward. Since July 6 of last year he had been confined to his bed, and although he suffered much at times, he bore his pain with every patience.

Gilbert Alfred Greenholz was born in Linden July 3, 1894 and died at the youthful age of 19 years, 9 months and 3 days. He leaves to mourn his untimely death, a broken hearted father and mother and two brothers, Theodore and Willie.

The funeral service was conducted yesterday afternoon by Rev. C. G. Bjelland at the home at 2 o'clock and at 2:30 at Zion church. Interment took place in the Linden Lutheran Church cemetery.—Hanska Herald.

Last Wednesday afternoon at 2 o'clock, William Bode, one of the early pioneers of Nicollet County, passed away at his home in Nicollet Township at the age of 72 years. Death was due to heart failure with which he had been afflicted ever since Christmas. He was confined to bed for about 10 days preceding his demise. The deceased was born in Empele, Hannover March 11, 1842 and came to America with his parents when he was but 9 years old. The family settled in Illinois where he grew to manhood and where on April 22, 1867, he was united in marriage to Maria Pehling who preceded him in death in the year 1903. Shortly after his marriage he removed to Nicollet County and took up a homestead in Nicollet Township where he has since resided. He followed the occupation of farming until the death of his wife when he retired from active farm life, altho he still remained on the farm. Eight children were born to them of whom the following sons and daughters survive him: Fred and Ernst Bode and Mrs. Fred Stolt of Nicollet and Elsie and Dora who are still at home, Mrs. William Langhorst of Courtland and Mrs. Louis Dahms of Truman. He is also survived by three brothers Heinrich and Karl of Nicollet and Louis of Courtland. The funeral was held Saturday afternoon with services at his late home at 1 o'clock and at the Lutheran Church at Courtland at 2 o'clock, Rev. Strasen officiating. Interment was made in the Lutheran Cemetery adjoining the Lutheran Church.

Last Monday James Jackson Green, whose death was mentioned in the Review a week ago, passed away at the home of his daughter, Miss Emma Green of St. Paul. Mr. Green had been actively engaged in the work of newspaper making for a period of fifty-six years, and his death removed the oldest editor in Minnesota.

Mr. Green was a native of Lancaster County, Pennsylvania, where he was born Jan. 22, 1830. At the age of 14 he started to learn the printer's trade at Springfield, Ohio. He completed his apprenticeship in 1853 and the following year started his first paper.

September 27, 1853 he was married to Miss Minerva Whitridge. On account of failing health he moved to Minnesota in September 1856, spending the first winter at St. Anthony.

In May, 1857, he moved to St. Peter and a few weeks later launched the "Transverse des Sioux Reporter", a paper which was doomed to be short-lived as the financial panic put it out of business.

In June, 1858, he established the "Minnesota Statesman" in St. Peter, continuing to run the paper until the fall of 1862, when he enlisted in Troop "E", First Minnesota Mounted Rangers.

April, 1865, found him the owner of the first and only paper in Le Sueur County. He had revived the Minnesota Statesman and had moved the plant to Le Sueur. A fire breaking out at Le Sueur, completely destroyed his type and materials and in the fall of the same year he removed to Winona, where from 1866 to 1869 he published the Winona Democrat; going from there to St. Cloud, where he owned a half interest in the Times. The St. Anthony Democrat was his next love, he conducting the paper for two years and then returning to Le Sueur to establish the Sentinel, which he edited and published for nineteen years. In 1892, however, he moved to Hutchinson and founded the Democrat, remaining in control of that paper until 1895 when he came to New Ulm and bought the News. The New Ulm News was his last paper, and after selling it in 1909, to the New Ulm Publishing Co. he retired from active work. During the last four years he made his home with his daughter in St. Paul. Mrs. Green died in 1909, and one son, Oliver Green, passed away about a year ago. Mr. Green's death is mourned by his daughter, Miss Emma Green, and by two sons, W. W. Green of Le Sueur, and J. M. Green of Minneapolis.

The remains were taken to St. Peter Wednesday, and interment made in Woodlawn cemetery.

Word was received here yesterday morning by Mr. and Mrs. William Thiedemann that their son-in-law Albert Peglow had died at 2 o'clock that morning at his home in St. Paul. About five weeks ago the deceased had the grippe and was confined to his home for two weeks. He evidently got out too soon because he suffered a relapse and contracted a high rheumatic fever which caused his death.

Mr. Peglow was born in St. Paul 34 years ago where he has always made his home. He was plumber by trade and for the past few years was Secretary of the Plumber's Union. He was married in the city of St. Paul to Miss Louise Thiedemann of New Ulm three years ago next June. He is survived by his widow and three brothers and two sisters, all of whom reside in St. Paul, except the oldest brother who lives at Sauk Center. Mr. Peglow visited in New Ulm at different times and made friends wherever he went.

The funeral will be held Thursday afternoon at 2 o'clock from his late home in St. Paul. Mr. and Mrs. Thiedemann left for St. Paul this morning.

Grace McCarty, the young daughter of Mr. and Mrs. T. F. McCarty, died suddenly shortly after 4 o'clock yesterday afternoon of rheumatism of the heart with which she had been afflicted for some months.

## WALKER COLLECTION TO BE AT REDWOOD FALLS.

One of the rare treats in connection with the Home-Coming Celebration in June will be the exhibition in Redwood Falls of T. B. Walker's wonderful collection of Indian pictures. This is the best collection in the world of painting of Indian life, and the loan of it is much sought by cities all over the United States.

This collection, while incomplete, was shown at Madison and at New Ulm where it created the greatest enthusiasm. Since then more than thirty new paintings have been added and Mr. Walker promises to send as many paintings to Redwood Falls as are wished and can be well taken care of. One of Mr. Walker's art experts will come with the pictures to see that they are properly hung.—Redwood Gazette.
