Julius Schwandt of Sanborn was a guest for a few days last week at the home of Mr. and Mrs. Hugo O. Schleuder.

Last week R. C. Schmid severed his connection with the Simons Lumber Co. whose local manager he has been for the past few months. Mr. Schmid has, as yet, no definite plans for the future.

Chas. L. Roos of Wellington, Kansas was in the city over Sunday visiting with his brother who is at the Loretto Hospital with a fractured hip. Mrs. Roos's recovery has been very slow and it will be several months before she will be able to walk.

B. Stockman, manager of the Duluth Superior Milling Co., was in the city for a few days the early part of this week calling on old friends and acquaintances. He was on his way back to Duluth from New York City and other eastern points where he had combined business with pleasure for the past month.

Wm. Ebert and his mother of Bedford, Ind. are visiting the Fred Falk family.

Anton S. Dorn has been engaged to cry the auction on the John Mieke farm in Nicollet on May 19th.

Mrs. H. A. Vogelpohl and son Oscar, who had been visiting with Mrs. Vogelpohl's folks in Milwaukee for several weeks, returned home last Friday. Mr. H. A. Vogelpohl came home some weeks ago from Milwaukee, where he erected a new H. H. Vogelpohl & Sons Pipe Organ in Salem Evangelical Church.

Mr. and Mrs. Geo. Borth went to New Ulm Wednesday where they took their youngest child who has been suffering for some time with eczema. They hope to find relief for the little sufferer at the hospital there, and the many friends of the family sincerely hope they will be successful.—Fairfax Standard.

The Congregational Church people have been working for some time to raise funds for a vacuum cleaner for the church rooms and have succeeded in getting together nearly \$125 for this purpose and the machine will shortly be purchased.

"Samson" the movie to be shown at the American Theatre May 16th and 17th makes Old Testament days live again. The play is magnificently put on, intensely dramatic, and follows the bible account faithfully. Nothing is omitted from the slaying of the lion, the carrying off of the Gates of Gaza, the setting fire to the fields of the Philistines and the massacre of their army with the jaw bone of an ass, down to the final destruction of the Temple of Dagon. The atmosphere and architecture of the ancient times have been reproduced with remarkable faithfulness and the completeness of the Temple, which is destroyed in a few seconds, is marvelous.

The large new Pipe Organ for the Ev. Lutheran St. Paul's Church at Ellsworth, Kansas, built by H. H. Vogelpohl & Sons of this city, was shipped on Tuesday. H. A. and E. C. Vogelpohl will leave some time next week to erect the organ. They will also transact business at Lincoln and Sylvan Grove, Kansas.

Two takers of the \$10.00 cash prize offer for the best humorous article on "The Mule" have been heard from thus far. Most people think it very easy to be "funny" and practically everyone could give the Review editor pointers on writing up articles in such fashion as to please the public. Here's an opportunity to do all this and win a prize into the bargain. Ten Dollars will buy a fine new spring bonnet.

Visitors will be welcome to inspect the new banking house of the Citizens State Bank next Saturday afternoon, May 16th between the hours of 3:30 and 7 p. m. The bank officials will be pleased to show the appointments of the bank to all who can make it convenient to call. The public at large is cordially invited to avail themselves of this opportunity to inspect one of the finest banking houses in Southern Minnesota.

The Review is in receipt of a communication from Richard A. Price, Director of the Extension Department of the University stating that in place of the lecture on "Liquid Air" by Dr. Erickson a lecture recital on "Kipling" illustrated with songs will be given. This is done because Dr. Erickson recently delivered his lecture here at the German M. E. Church. The Kipling evening should prove one of the most delightful of the week. The lecturer will be Dr. James Davies.

Preparations are being made at Dr. Martin Luther College for the two public organ recitals which will be given at the Music Hall as soon as the grand new pipe organ is all in readiness. The date for the recitals has been set for Sunday May 24th, afternoon and evening. Formal announcement will be made next week. The organ will be in charge of Prof. Edward Reclin of New York City and the recital will be an occasion of rare enjoyment to all musicians. The formal dedication of the organ will take place Monday June 15th and college will close the following day with the graduation exercises of five normal students and six who have taken the college preparatory course.
