

OBITUARY

HENRY C. TEPE.

Henry C. Tepe passed away at his home on North Minnesota St. Wednesday morning, aged 31 years. He had been ailing for over a year with tuberculosis before death came to his relief.

Mr. Tepe was born August 28, 1883 on a farm in Goodhue County. From there the family removed to South Dakota and then to New Ulm. Here he was married February 16, 1905 to Elisabeth Glaesemann, who with two young daughters, Alice and Viola, mourn his loss. Shortly after his marriage he removed to South Dakota where he entered the mercantile business, continuing therein until ill health forced him to retire a little over a year ago. He then again returned to New Ulm and has lived here ever since. He is also survived by his parents, Mr. and Mrs. William Tepe and the following sisters and brothers: William Tepe, Baynesville, Wis.; August Tepe, North Dakota; Mrs. L. Korupp, Mankato; Albert and Fred Tepe, Mrs. John Ulrich and the Misses Rosa and Amanda Tepe all of New Ulm. The funeral was held Friday afternoon, with services at the late home at 2 o'clock and at the Methodist Church at 2:30 o'clock. Rev. Dr. C. Hohn officiated and interment was made in the city cemetery.

FRED M. RICHTER.

Late last Tuesday afternoon word was received here by relatives that Fred M. Richter of Sykeston, N. D. had passed away. Death was due to tuberculosis with which ailment he had been afflicted for a couple of years.

The deceased was born in Prussia in the year 1859 and came to this country with his parents when he was a boy about 12 years old. They came directly to Brown County and took up farming in the Town of Cottonwood. Later they moved to the Town of Sigel. In 1886 he was united in marriage to Anna Kuschneck who survives him. For 23 years they lived and worked the Kuschneck farm in the Town of West Newton on the Bottom Road. About five years ago Mr. Richter purchased a section of land near Sykeston, N. D. and has since then made his home there. For quite a number of years he had to contend with crop failures, not only in this state but also in North Dakota, but recently things changed for the better and looked brighter than they had for years. Besides the widow, he is survived by four children and by four brothers and sisters: Charles Richter, Morgan; William F. Richter, New Ulm; Mrs. Joseph Juenemann, Sigel and Mrs. August Mielke of the Town of Eden. The funeral was held Thursday afternoon at Sykeston.

MRS. ERNST FRICKE.

Word was received here Saturday that Mrs. Ernst Fricke of Mapleton, Minn., mother of Mrs. H. W. Engelbert, had died at her home. Mrs. Fricke was born in Germany nearly 80 years ago and her death resulted from the ailments incident to old age. She had been in feeble health for some time. At one time about seven years ago Mrs. Fricke was a resident of New Ulm for a year and a half. She is survived by her husband, four sons, Charles and Henry of Mankato, Fred of Jasper, Minn., and Ernst of Rockford, Washington, and two daughters, Mrs. Herman Borchert of Mapleton and Mrs. Engelbert of New Ulm. The funeral was held yesterday at Mapleton.

E. H. CROCKER

Word was received here Thursday that E. H. Crocker, a well-known attorney at Minneapolis, had died early that morning at his apartments at the Leamington Hotel from a stroke of apoplexy. He had been in poor health for the past two years. Mr. Crocker was a brother of Mrs. E. T. Critchett and was 54 years old. He was a graduate of Cornell University and had been a practicing attorney in Minneapolis for the past 25 years. In former years he had taken an active and prominent part in Hennepin County politics. He is survived by his widow, one son, Herbert, and his sister, Mrs. E. T. Critchett. Funeral services were held from the Lake-wood Chapel Saturday afternoon at two o'clock.

GEORGE LITTLE

New Ulm friends were informed recently of the death of George Little of Tacoma, Wash. Mr. Little was the father of Willard G. Little who for a number of years was employed in the office of Bingham Bros. and who married a sister of Mrs. Hilding Krook. Mr. Little was well-known in this part of Minnesota, having lived at Rochester, Tracy and Marshall, coming to the state in 1858, locating first at Stockton. He was a member of Co. "I" 2nd Regt. Minnesota Cavalry and served on the Frontier of Minnesota and Dakota as quartermaster sergeant until the close of the war. He was treasurer of Lyon County for ten years and was chairman of the republican county committee for a long time.

Pres. Cowling of Carleton College spoke at the Congregational Church last Sunday. Carleton College has a number of her graduates in the teaching force of the New Ulm High School and draws quite a number of students from here.

(Continued from first page.)

"We emphatically endorse the stand taken by U. S. Senators Knute Nelson and Moses E. Clapp in opposition to the iniquitous practice of the U. S. Government in printing and circulating stamped envelopes at a price less than the actual cost of production in competition with honest private industry, and we would especially request the Congressmen from the Second Minnesota District, the Hon. W. S. Hammond, to use his utmost endeavors to prevent a renewal of the contract which makes this practice possible."

"Be it further resolved that all papers of the Second District publish the foregoing and give it the widest possible publicity."

During the afternoon the visiting ladies were taken for a launch trip on the Minnesota. Miss Allie Scherer acted as hostess and Skipper Eckstein and Engineer Math. Pederson looked after the "Alcantara". The Garrow launch was also offered but was not needed as there was room for all in the large boat.

Shortly after 5 o'clock the business session was brought to a close and at 6 all the guests accompanied by about seventy-five of the citizens repaired to the banquet tables which were spread in the Gymnasium. The room had been decorated by Miss Wanda Gag and her sisters, Miss Rosebud Engel and Miss Olita Niemann, under the direction of Mrs. Alfred Schroeck and Mrs. Henry Engel and with the assistance of Mr. Herman Hein. The color scheme was yellow and green and the flowers used were golden rod, golden glow, the wild yellow daisy or sunflower and the garden sunflower was used for the walls where large effects were required. The speaker's table was marked by a hanging basket above it and the flowers used were in different colors from those on the other tables. In the center of the room was growing column of green banked with flowers at the base and the basket ball rings were filled with flowers. The John Leslie Paper Company of Minneapolis furnished place cards in gold and white and at each plate there was a menu card decorated with cut flowers and ferns. The guests were seated at eight tables and the service was under the direction of Prof. Herman Hein and was performed by thirty-two young ladies of his classes. Everything moved along like clockwork and the effect was very pretty. The banquet was prepared by the ladies of the Turnverein and consisted of four courses as follows:

1st course: Fruit Salad and Wafers.
2nd course: Baked Ham, Creamed Potatoes, Rye Sandwiches, Pickles.
3rd course: French Fried Spring Chicken, Potato Souffle, Combination salad.
4th course: Coffee, Ice Cream, Cake and Cigars.

Albert Steinhauser of the Review acted as toastmaster and when the cigars and coffee went around he called on G. A. Ottomeyer, President of the Commercial Club, to welcome the visitors. Mr. Ottomeyer's words were well chosen and expressed the warmth of hospitality which the city wished to extend to the editors and their ladies. His remarks were brief and left a very good impression. The committee in charge had decided that each of the addresses should be made short owing to the extreme heat of the evening and a desire not to delay the park concert. James Ruane of Slayton, President of the Association responded for the editors and pointed out to the citizens present that New Ulm has a great future before it if the citizens will only recall the old spirit of never yielding to difficulties that characterized the old pioneers. His words aroused enthusiasm among those who are striving to awaken New Ulm from the self-satisfied sleep into which it has fallen of late. Fred Johnson was the next speaker and he very cleverly entertained the company by reciting a number of humorous anecdotes of newspaper, hotel and political life, in all of which Mr. Johnson is well versed.

The final number on the program was a talk by John D. Deets of the Southern Minnesota Better Development League. His subject was "The Value of the Newspaper to the Community." He also shortened his speech to bring it within the time specified but in the short time that he spoke, he said a number of things well worth considering. Mr. Deets is a magnetic speaker and his voice has a ringing quality that makes it very pleasing to hear.

At the conclusion of the program of speeches, the Committee on Resolutions made its report and read the following resolutions which were adopted by a rising vote:

"The Second District Editorial Association in convention assembled at New Ulm hereby wish to express to the citizens of New Ulm our hearty appreciation of the many courtesies extended on the occasion of our summer meeting."

"We tender our special thanks to the Eagle Roller Mill Company and its officials for the courtesies extended in showing us through their magnificent mill, and to the owners of the automobiles for the drive thru the city to see the points of interest."

"We especially appreciate the kindness of the Commercial Club and the citizens in furnishing an elaborate banquet this evening and of the ladies who served the same so splendidly."

"For the splendid exhibition of physical culture numbers given during the course

of the evening in Turner Hall Park we wish to thank the New Ulm Turnverein and their teacher Prof. Herman Hein.

"The ladies of our company are especially grateful for the delightful entertainment during the afternoon on the launch Alcantara, and the many courtesies shown them."

"We would especially mention in our thanks the untiring efforts of the members of the newspaper fraternity of New Ulm, Miss Payne, Capt. Steinhauser and Philip Liesch, who did everything in their power to make the visit of the visitors one continuous round of pleasure."

"We shall carry to our homes pleasant memories of one of the most beautiful cities of southern Minnesota. We wish for her and her hospitable citizens the fullest measure of joy and prosperity."

J. F. Weber.

The company then adjourned to the park where the Second Regiment Band rendered a specially prepared program of musical numbers. The open space at the rear of the hall was strung with Japanese lanterns which lighted the grounds for the classes which gave an exhibition of physical culture work under the direction of Mr. Hein. On three sides of this space hundreds of people, were clustered and the cool breeze that was blowing added the last requirement to make the occasion quite perfect.

The concert closed about eleven o'clock and the crowd slowly dispersed. A large number of the editors left for their homes by auto that evening and nearly all the others departed on the early train Sunday morning. The next meeting will be held at Mapleton, Minn. Those who were here for the convention were:

RICE STARCH FOR LIGHT GOWNS.

This season's light dresses require different laundering from the ordinary starched piques and linens and those who are revelling in the comfortable, soft, clingy gowns have wondered how to produce the stiffness like unto that of goods just new. Rice starch is the solution and here is the way to make it.

Wash one-fourth cupful of rice, put into a quart of boiling water and boil slowly, adding water as it boils away, stirring frequently; cook until the rice is a pulpy mush; to this add one quart of boiling water and strain through a white flannel bag without pressing; hang up and let drip as long as needed; then, if too thick, dilute to the proper thinness with cold water, and use the starch warm. Rice starch will give a stiffness like new goods to delicate muslins or linens.

Morgan and the groom is a son of Mr. and Mrs. Wm. Hostetter. The newlyweds will for the present make their home with the groom's parents.

HEIMANN-DAHMS.

A PROTEST.

To the American Public and the American Press.

WHEREAS—conflicting, meagre, inaccurate and possibly highly colored news items concerning the war situation appear in part of the American Press, and

WHEREAS—all such news items concerning Austria-Hungary and Germany are censored by the authorities of antagonistic governments—and

WHEREAS—the underlying motives which justified the Governments of Austria-Hungary and Germany to take such steps as would properly protect their interests and integrity, are greatly misunderstood because of such unreliable and one-sided reports.

THEREFORE—Be it resolved that we, the undersigned, representing the large and loyal American citizenship of German and Austrian extraction, appeal to the well known fairness of our American fellow citizens and ask them to withhold judgement regarding the present European crisis until authentic reports on the actual situation of both sides are available, and avoid anything that tends to confuse the public mind and so interfere with that great desire of our Republic to maintain its strict neutrality.

Be it further resolved that we vigorously protest against the careless handling of unconfirmed, biased and sensational news matter. We do not ask that any partiality be shown Germany or Austria-Hungary, but we urgently request that fair treatment be accorded them. The liberal support which the American Press receives from the German-Americans, the important place the latter have taken in the upbuilding of this great country and the loyal manner in which they have at all times performed their duties as American citizens, fully entitle them to this request.

The Committee:

J. Ohage, Chairman Joseph Matt, sec. F. Bergmeier, Vice-Chairman Otto Bremer, Treasurer, Emil Geist, Louis Betz, A. J. Krank, Julius Moersch, P. J. Giesen, for the German Am. Alliance of Minn.

DEMENTED MAN WANDERS AWAY

Sheriff Osten and Deputy Nerdahl of Mankato were called to Cambria Friday morning by information that an insane man was at large in the woods on D. E. Evans' farm. When the sheriff reached the farm members of the family had taken the man to the house and he was being given a dinner.

The man who gives his name as Floyd Mitchell, is apparently about fifty years old and has a black beard and black hair. He is about five feet ten inches tall and of slender build. He did not resist the officers, but his mind appears to be wandering. He first said that he had walked from Sioux Falls, S. D., leaving there two weeks ago, and later told of having walked from Mankato. Sheriff Osten telephoned to the hospital authorities at St. Peter and some one will come from there to see if the man is an escaped patient. He has no marks on his clothing to indicate that he has been a patient there, however.—Mankato Free Press.

Postage Vending Machine.

The Pioneer Drug Store has installed a postage vending machine of the latest pattern. It is known as the "Duplex" and sells not only one but also two cent postage stamps. It is claimed to be absolutely sanitary and to have been approved by the Post Office Department. By inserting a nickel in the one slot you obtain 4 one cent stamps and by dropping a nickel in the other slot you secure 2 two cent stamps. It is quite unique and is worth seeing.

LOCAL NOTES

Mrs. W. G. Alwin and children who have been rusticated on the Herman Breikreuz farm at Arlington for the past three weeks returned home Friday.

Henry N. Somsen who has been at Shakopee taking the mud bath treatment, and also at Minneapolis receiving electrical treatment for the past week has returned home much improved in health.

Mrs. B. Follmann left Friday to go to the Twin Cities for a visit of a week. She will then go to Milwaukee and Chicago for her fall buying. She expects to return to New Ulm about the 24th of the month.

Miss Lou Schramm is spending two weeks in the wholesale millinery shops of St. Paul. At the end of that time she will go with Mrs. Follmann to Chicago and Milwaukee to purchase the fall stock of goods.

Monday Sergeant John Wartha scaled the flag pole at the Court House and fixed the flag ropes so that flag can again be raised. It has been some time since this was possible as it was quite a task to find some one willing to undertake the perilous climb.

Harry Kittle of St. Peter who submitted to an operation at the Loretto Hospital over a month ago has recovered sufficiently to be able to go out on the road again. He was in the city Monday. He feels fine but has not quite regained his former vigor.

J. H. Grininger of St. Paul was in town last Wednesday looking over the place where he spent the time during the Indian massacre. Mr. Grininger was only four years old at the time of the massacre and was one of the party of refugees who came down to New Ulm from Yellow Medicine when the Indians began their attack upon the whites. His parents had settled in Yellow Medicine in 1890.
