BUILDERS SHUTOUT POSTOFFICE TEAM.

A. V. Seifert's fizzle of an easy throw in the first inning of the Thursday evening game between the Builders and the Post Office club enabled the Carpenters to score the only run of the game and prevented the Government crew from breaking into the win column. With one down in the first inning Schapekahn was safe on Seifert's error and went to third when Waibel dropped a single in right. Guentner let loose a wild pitch and Schapekahn counted. In the second Guentner hit two men with two out and then fanned the next batter. Only two other Builders reached the initial corner.

Schapekahn did the twirling for the Builders and his work rivalled the best seen in the league this season. Only one man reached first base, a scratch hit by Guentner in the first inning. It could have been marked an error as easily as a hit. Schapekahn was as coy and bashful as a sweet girl graduate and ducked for the showers in the clubhouse immediately after the game without waiting for the congratulations and applause of the fans. It was the first shutout game of the year in the Twilight League.

BUSINESS MENS SHOOT.

At last week's shoot of the business men's gun club two visitors, Greenholz and Wedge of Hanska made the high scores 24 and 23 respectively. A. G. Bierbaum of the local club captured the gold medal with a score of 20. Only six of the New Ulmites attended the shoot. The following scores were made.

CO. "A" TEAM IN SECOND PLACE.

Last week the annual company team shoot was pulled off at Lake City. Co. "A" was represented at the shoot by Capt. B. Groebner, Sergt. Wm. Pfeiffer, Sergt. John Sackel, Corpl. Herman Kuehnel and Privates Henry J. Meyer, Elmer Cordes, Lawrence Neumann, A. J. Groebner and Forest English.

The competition shoot included slow and rapid fire on the 200 and 300 yard ranges and slow fire on the 500 and 600 yard ranges. In rapid fire 5 shots must be fired within 20 seconds and no sights are used. In slow fire there is no time limit.

Co. "A" landed in second place, Co. "F" of Worthington leading them by only 5 points. Only nine of the twelve companies were represented by teams. It is claimed that the Worthington Company recently recruited quite a few good shots which enabled them to win the pennant. For the regimental team shoot which took place Monday Sergeants Pfeiffer and Sackel and Privates Cordes, Neumann and Meyer were selected. The balance of the Company team returned Saturday evening, in time to take part in the military parade and picnic Sunday.

**Mankato Hands
Us A Shutout**

**ATHLETICS LOSE HARD FOUGHT
BATTLE AT THE LOCAL
BALL PARK**

**CRAWFORD AND SPENCER FIGHT
VALIANTLY FOR VICTORY
IN CLOSE GAME**

Before a large crowd of enthusiastic fans from Mankato, New Ulm and all the surrounding towns, the New Ulm Athletics were shut-out by the Mankato team Sunday by a score of 1 to 0. The contest was a hard fought pitcher's battle between Frank Crawford of New Ulm and Fred Spencer of Mankato and the honors were about even. Mankato succeeded in getting more men on bases than New Ulm could but Crawford pitched just as effectively in the pinches as did Spencer, and, after all, it is the twirling in the pinch that counts. Mankato did not earn the run off Crawford's heaving, a badly played ball and a wild throw presenting the visitors with the only score of the game.

Pfeiffer and Cordes, New Ulm's regular right fielder and third base man, respectively, were absent and, as it happened, the plays which gave Mankato their run were pulled off by the two players who took the places of the absentees. It does not necessarily follow, however, that Pfeiffer and Cordes would have handled the chances perfectly, for anyone can grab an error and "it might have been" are foolish words as well as sad.

Fred Spencer, former St. Louis Brown, looked altogether different from what he did the previous Sunday when the Athletics hanged out ten hits off his delivery. Crawford was the only New Ulm man to connect safely, getting two singles to right while other players, Rossmann, Friedl, C. Williams and H. Hodgins, smote the ball with terrific force but their blows always went straight to some waiting fielder. It was brilliant support that saved Spencer time and again, for the visiting athletes made numerous sensational stops and catches, not an error being charged against them.

Spencer fanned only five men to Crawford's twelve, but he walked only one and hit one batsman while Crawford passed five. The downriver bunch secured four hits off the New Ulm heaver, one of them a triple by C. Peterson, being a lucky clout. However, the quartet of bingles were scattered thru the nine innings, coming in the second, fourth, seventh and ninth frames.

Claude Rossmann, once a star with the Detroit-American league champions and the Minneapolis A. A. pennant-winners, was again covering first base for the Athletics. He handled all of his chances perfectly, making several fine stops of wild throws. At the bat he cracked the ball hard every time he came to the plate, but the ball sailed a straight at an infielder every time. Herb Hodgins, New Ulm's catcher, worked violently for the local forces, but his efforts were unavailing. He threw out the only man who attempted to steal, on him and kept fighting thruout the contest.

Mankato threatened very seriously in the very first inning, but when the situation became dangerous Crawford tightened up and retired the side without any damage being done. With one gone Morrow walked. J. Michelson hit to W. Hodgins, who tried to force Morrow at second and threw the ball into the dirt, both runners being safe. Crawford worked hard on Mankato's clean-up hitter and retired him on strikes. A. Peterson then rolled an easy one to Crawford. In the second session C. Peterson led off with a long fly to right. The wind caught it and carried it out of Wade's reach when it should have been an easy out, the blow being good for three bags. McCleary walked and then Spencer dumped one towards third. W. Hodgins grabbed the pill in plenty of time to get Peterson at the plate but this throw was wide and Mankato's run was chalked up. Salander rolled out, W. Hodgins to Rossmann, C. Michelson popped to C. Williams and Morrow fanned.

With two down in the fourth Spencer obtained the first clean hit off Crawford but Salander forced him at second, Friedl to C. Williams. In the sixth Goode was first up and walked. A. Peterson fanned but C. Peterson was safe on an error by "Chick". McCleary sacrificed, Crawford to Rossmann, and Spencer went out the same way, both Crawford and Rossmann making sensational stabs. In the next frame Morrow pickled a hit with two in the morgue but was thrown out in an attempt to pilfer the middle cushion. In the eighth a pass to Goode put one on first, but he died there. In the last inning Spencer drove out another hit and then C. Michelson walked with two out but Morrow's fly was nailed by Lindemann.

New Ulm's chances to score were so few that one can't see them for dust. As not a single Athletic reached the keystone corner in safety one can easily see that they were up against it. Frank Crawford was the first New Ulmite to get on, singling to right in the third with two out. Wade's fly was grabbed by C. Peterson.

In the fourth Friedl was hit. C. Williams and Rossmann popped up high ones to McCleary and W. Hodgins foped Friedl at second. H. Williams drew a walk in the fifth with one gone but died there when Dahms struck out and Crawford was thrown out, C. Michelson to Morrow. The next and last man to break thru the barrier of Spencer's masterly pitching was Crawford, who singled to right with two out in the eighth. Wade's fly to center was handled by A. Peterson.

BUILDERS PULL DOWN BARBERS.

In a contest that was exciting right to the finish the Builders defeated the Barbers Monday night by a score of 4 to 3, the defeat dislodging the Barbers from second place in the Twilight league. Guentner was on the mound for the Barbers, allowing six hits and fanning five in the five innings. Schapekahn, who is respectively coming to the front as the league's premier twirler, did the slab work for the winners, allowing four bingles and whiffing an even dozen. A number of excellent plays were pulled off during the game "Coach" Seifert, Builder first baseman, stabbed a couple of wild pegs with one mitt and threw out Vogel at third in the opening round. Vogel nipped a couple of hard line drives in left field and the baserunning of "Henny" Ahrens also featured the contest.

Singles by Regali and Williams, an error and a couple of sacrifices gave the Builders two runs in the first inning. They had chances in the second, third and fourth innings but reckless baserunning prevented success. Lindemann, first up for the Barbers, walked and was snuffed out stealing second. Vogel also walked and Backer singled to right. Vogel being pegged out at third. Guentner's strikeout ended the inning. Vogel doubled to center with two down in the third but Backer rolled to Schapekahn.

Guentner began the Barber's half of the fourth with a single and stole second and third, scoring on a passed ball. With two out H. Ahrens singled and went to second on Schapekahn's wild throw to first. Ahrens stole third and W. Arndt walked and stole second. Ahrens then drew a throw to third, scoring on the wild peg and tying the count. A double, a single, a error and a pair of fielder's choices gave the Builders two in the fifth. Schapekahn walked Lindemann in the last of the fifth and two were on when Vogel was safe on an error. Backer and Guentner struck out and Lindemann counted on a wild pitch. H. Arndt walked and then with runners on second and third waiting to score Wiedl fanned, ending the game.

"EAST LYNNE" IN THE MOVIES.

The most notable offering of the hour in local theatricals is announced for Aug. 29th at the American Theatre where the Carr-Portman Amusement Enterprises will exhibit that wonderful "emotion picture" revival of the "East Lynne." These pictures were enacted by a company of dramatic players of note amid the beautiful natural scenery of the Severn River valley in Western England, where Mrs. Wood designated the locale of her undying classic of love and romance.

As a moving picture it marks a new era, for it is the first attempt that has been made to portray emotion upon the screen. Hitherto motion pictures have been devoted to spectacular subjects depending upon multiplicity and rapidity of incident for effectiveness. East Lynne is not spectacular; it is simply sweet, beautiful and pathetic—the greatest love drama ever written. Hence it is easy to understand its popularity, for next to the bible, Mrs. Wood's great work has been translated into more languages than any other book ever written.

An appropriate musical setting has been provided for the revival with the result that it will in every way approximate and eclipse a dramatic performance.

The Carr-Portman Co. at a great expense have made it possible for the people of New Ulm to view this wonderful masterpiece of motion photography.

The price of admission for East Lynne have been placed at 10c and 20c and everyone should avail themselves of the opportunity of witnessing the production. It comes direct from a successful run in all the large cities of the East where it was played to crowded houses at 25c, 50c, and 75c.

The picture is in 3 acts, 117 scenes and 7000 feet of film. Performances will start promptly at 7:15 and 8:45. adv

NEW ULM TO MANKATO SUNDAY.

Believing that they are fully capable of defeating the Mankato team which has beaten them the last two Sundays the New Ulm Athletics will run down to Mankato again next Sunday and endeavor to trim them up. If Pfeiffer and Cordes have returned from Lake City by that time the local squad will look considerably better and chances to win the contest appear even. The batteries for the two teams will undoubtedly be the same as last Sunday, Crawford and Hodgins for New Ulm and Spencer and Michelson for Mankato. Claude Rossmann will play first base for New Ulm again. If the weather is good a large crowd of fan-autoists will run down to Mankato for the game.

PROFESSIONALS LOSE AGAIN.
A triple play in the last inning won the game for the Builders against the Professionals Wednesday evening, the final score being 5 to 2. Mueller was in the box for the Professionals and pitched good ball but received poor support. The Professionals took the lead in the very first inning, an error, a hit batsman and hits by Minium and Mather giving them two runs. Four errors and a walk gave the Builders three runs and the lead in the third frame. In the fourth the Builders scored two more on a walk, singles by Waibel and Joyce and an error. The Professionals were turned back in the fourth by a double play but they made a final attempt to grab the bacon in the fifth. After the first two men up, Martinka and Guentner, walked, Mueller came to bat. He hoisted a long fly to right and the base runners sped around the paths, never expecting Joyce to make the catch. Joyce got the ball on the run, threw to Waibel on first, who tossed the ball to second and retired the side.

COLLEGIANS WIN ANOTHER
Last Tuesday's game between the Collegians and the Professionals was a pitcher's battle with Huevelmann and "Coach" Seifert doing the honors. Seifert's battery mate, young Brunner, did not give him the support which "Cy" Groebner accorded Huevelmann so the Collegians won by a 3 to 1 score. Errors by McHale and Seifert, a walk and a passed ball gave the Collegians a run in the first inning. With one out in the third L. Seifert walked, went to third on Groebner's single to right and scored on another passed ball. A wild throw by Brunner allowed Groebner to chalk up the third and last score for the Collegians. The Professionals did not get a good chance to score until the sixth when Berg reached second on L. Seifert's wild peg to first and counted on A. Seifert's blow to right.

THE OLD ACROBAT IS HAPPY OVER THE REAL TOBACCO CHEW

HE used to switch tobacco every few weeks. Then a friend gave him a small chew of "Right-Cut." Steady user now. Says it's the Real Tobacco Chew. Quite the regular thing with "Right-Cut" users. A man is glad he found it—and just naturally passes the good word along. Pure, sappy, full-bodied tobacco—seasoned and sweetened just enough.

Take a very small chew—less than one-quarter the old size. It will be more satisfying than a mouthful of ordinary tobacco. Just nibble on it until you find the strength chew that suits you. Tuck it away. Then let it rest. See how easily and evenly the real tobacco taste comes, how it satisfies without grinding, how much less you have to spit, how few chews you take to be tobacco satisfied. That's why it is The Real Tobacco Chew. That's why it costs less in the end.

It is a ready chew, cut fine and short shred so that you won't have to grind on it with your teeth. Grinding on ordinary scented tobacco makes you spit too much.

The taste of pure, rich tobacco does not need to be covered up with molasses and licorice. Notice how the salt brings out the rich tobacco taste in "Right-Cut."

One small chew takes the place of two big chews of the old kind.
