## Golden Gate.

Charles Robertson and wife of Minneapolis, former residents of this place, spent a few days here the first of the week calling on friends.

Andrew LeBert autored to New Ulm Wednesday where he transacted business. John Cutting of Sleepy Eye spent a few days here last week visiting his son William and family.

Mrs. Chas. Palmer was a guest over Sunday of Sleepy Eye relatives.

Carl Case of New Ulm spent Sunday here with his mother.

Mat Bertrand and Frank Hanson returned Sunday from their hunting trip in Canada. They report the weather as being very cold in that country.

C. E. Conroy of Sleepy Eye has been busily engaged in husking corn in this vicinity the past two weeks.

Mrs. Wm. Werring, Jr. attended a Royal Neighbor party given in Sleepy Eye last Tuesday evening.

Mrs. White of Fairchild, Wis. is here for a visit with her daughter Mrs. Fred Woodrick. Mrs. Greenfield of Harold, S. D., a sister of Mrs. Woodrick is also here for a short visit.

Charles Robertson and family moved their household goods to Sleepy Eye Saturday where they will make their future home.

The dance given at the hall Saturday evening was well attended and all report very fine time. Excellent music was furnished by Guse Bros. Orchestra. Several from Evan were in attendance.

Miss Frances Schropp who is attending High School in Sleepy Eye spent Saturday here with her parents.

Henry Battig was a business caller in Fairfax one day last week.

## SALTS IF KIDNEYS OR BLADDER BOTHER

Harmless to flush Kidneys and neutralize irritating acids—Splendid for system.

Kidney and Bladder weakness result from uric acid, says a noted authority. The kidneys filter this acid from the blood and pass it on to the bladder, where it often remains to irritate and inflame, causing a burning, scalding sensation, or setting up an irritation at the neck of the bladder, obliging you to seek relief two or three times during the night. The sufferer is in constant dread, the water passes sometimes with a scalding sensation and is very profuse; again, there is difficulty in voiding it.

Bladder weakness, most folks call it, because they can't control urination. While it is extremely annoying and sometimes very painful, this is really one of the most simple ailments to overcome. Get about four ounces of Jad Salts from your pharmacist and take a tablespoonful in a glass of water before breakfast, continue this for two or three days. This will neutralize the acids in the urine so it no longer is a source of irritation to the bladder and urinary organs which then act normally again.

Jad Salts is inexpensive, harmless, and is made from the acid of grapes and lemon juice, combined with lithia, and is used by thousands of folks who are subject to urinary disorders caused by uric acid irritation. Jad Salts is splendid for kidney and causes no bad effects whatever.

Here you have a pleasant, effervescent, lithia-water drink, which quickly relieves bladder trouble.

## REALTY TRANSFER

William Burg to Lena Wiedenmann, L 4 B 49, North New Ulm, \$200.

Henry E. Olson to Petra Bakken, L 16 and 17 B 4 Hanska, \$1480.

B. F. Mowry to Henry Paffrath, L 9 B 11 Winona & St. Peter Land Co.'s 2nd Add. Springfield, \$850.

Mathias Ludewig to Otto Trebesch, 74.48 acres of S 19 T 109 R 33, \$4000.

Louis Riederer to Mathias Ludewig, 160 acres of S 29 T 109 R 33, \$8800.

## NOVEMBER WEDDINGS.

### Milbrett-Rolloff

Last Wednesday at two in the afternoon Prof. John Meyer officiated at a marriage at St. Paul's Lutheran Church. The principals were two highly respected young people of Milford, Miss Hertha Rolloff and Mr. Otto Milbrett. The bridesmaids were the Misses Alma Lambrecht and Ella Rosenau and their attendants were Willie Rolloff and Walter Milbrett. The ceremony was witnessed by a number of the friends of the families and following the services a wedding reception was held at the home of the bride's parents to which were bidden the close relatives of the young couple. Edwin Rolloff of Balaton, a brother of the bride, was the only out of town guest.

The bride and her maids were gowned in crepe de chine, the bride's being white and the attendants pink. The bridal flowers were a shower bouquet

of white roses and the others carried pink carnations. The same color scheme was carried out in the decorations of the home and chrysanthemums decked the table where the wedding supper was served.

The bride is a daughter of Mr. and Mrs. Fred Rolloff of Milford and Mr. Milbrett is a son of Mr. and Mrs. August Milbrett. Both young people have spent practically all their lives in the homes of their parents and have now established a new home for themselves on the Otto Radtke farm not far from their old homes and have already gone to housekeeping there. They will be at home to their friends after December 1st.

### Melsen-Werdan

Rev. George Mayer officiated at a quiet home wedding last Tuesday evening when Miss Elsa Werdan and Eugene H. Melsen were united in marriage. The bride is a daughter of Mr. and Mrs. Jos. Werdan, who acted as witnesses of the ceremony. The groom is a bridge carpenter on the M. & St. L. Road and the young folks will make their home here for the time being. They went on a short wedding trip to the Cities.

## 10 CENT "CASCARETS" IF BILIOUS OR COSTIVE

For Sick Headache, Sour Stomach, Sluggish Liver and Bowels—They work while you sleep.

Furred Tongue, Bad Taste, Indigestion, Sallow Skin and Miserable Headaches come from a torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a swill barrel. That's the first step to untold misery—indigestion, foul gases, bad breath, yellow skin, mental fears, everything that is horrible and nauseating. A Cascaret to-night will give your constipated bowels a thorough cleansing and straighten you out by morning. They work while you sleep—a 10-cent box from your druggist will keep you feeling good for months.

## SCHOOL NOTES.

Miss Mabel Carney, State Inspector of High School Normal Training, Departments, gave a very interesting and instructive talk to the pupils of the high school and eighth grade last Tuesday afternoon. Miss Carney has the reputation of being the most famous country school teacher of the United States. She is a native of Illinois, and a graduate of the Illinois State Normal School. Her work in Illinois soon gained so wide a reputation that the Minnesota State High School Board persuaded her to come and work toward developing the school system of this state. Miss Carney spent two days in New Ulm looking over the work of the Normal Training Department of the local high school.

Miss Carney spoke to the high school pupils on a topic that held their interest throughout, "The Choice of a Life Work". Her remarks were extremely practical. She suggested three ways of helping a boy or girl to decide what they want to do after they leave school. She advised first of all discussions with parents and teachers; secondly, keeping one's eyes open for opportunities, and lastly the reading of magazines and newspapers. She emphasized the fact that the greatest opportunities are often to be found at home.

To help the boys and girls directly she suggested several occupations in which there are great opportunities at the present time. Agriculture in the various forms, road engineering, and forestry offer good positions for live men. For the girls she placed as the fundamental requirements in education a knowledge of the science of home-making.

The New Ulm debating team will clash with the Mapleton squad in the first interscholastic debate of the year on either the seventh or eighteenth of December in the local high school assembly room. The question to be debated is: "Resolved that the government should own and operate all telegraph and telephone lines." As Mapleton has expressed the desire to take the negative side of that question, and has been awarded the choice of sides, the local team will be forced to uphold the affirmative. Ten embryo debaters are busily working on the question now. Out of this squad a first team of three will be chosen this week. A second team will take the negative side to furnish opposition for the first team; it is expected, however, that a debate with one of the nearby high schools, outside of the regular league, may be secured for the negative team.

The New Ulm debaters are handicapped somewhat by the fact that only one of last year's squad of six, Elizabeth Dougher, is in school this year. The new material, however, is quite above the average in ability, although without experience.

Debating has lately been put on a firm basis in this school by the action of Supt. H. C. Hess in putting this work on a par with orchestra and glee club work. The students working on the debate squad through the entire season will be given a fourth credit, to count toward the sixteenth credit for the high school diploma.

At the last faculty meeting definite action was taken on a petition of the high school asking that all pupils who have an average of over ninety per cent in their daily recitations be excused from the monthly written examination. Supt. H. C. Hess has decided to try this system for a month or two, with the stipulation that before it is put into operation, each pupil must make out a scientific program of study for himself which shall be approved by the teachers.

A system of this kind is in operation in many schools of this state, and the direct result of it is that it encourages conscientious preparation of every lesson. The object of a program of study as suggested by Mr. Hess is to get the pupils to prepare their lesson as close to twenty-four hours before recitation as is possible. This will obviate the danger of hurried and careless study for the single recitation. The system has been already tried out in the history classes, with the result that it has brought up the class average considerably. On the other hand investigation of the work in these classes has shown that the examination averages are as a rule within two or three points of the daily average mark. Several of the teachers, however, have reserved the right to drop the system in classes where much written outside work is required, in case results should seem unsatisfactory.

Supt. H. C. Hess, of the New Ulm High School, gave the dedicatory address at the dedication of the new school building in Consolidated District 43, Nicollet County. Supt. Holmstead, of St. Peter, presided at the meeting. County Supt. Kennedy, of Brown County, gave a short talk after Mr. Hess' address.

Mr. Hess spoke on "The New Education". After briefly summarizing the evolution of the American common school, he explained the changing view of education which is rapidly turning from the old humanitarian to the new utilitarian idea. In accord with this view, Mr. Hess pointed out the possibilities in the new school which ought to serve as a community center. Above all he urged close co-operation between parents and teachers.

The first of the Intersociety competitive literary programs of the year will be given by the High School students in the High School assembly room Wednesday afternoon at 2:10 o'clock. These programs are always open to the public; in the past they have not been very well attended but as it is planned to have them in the evening instead of in the afternoon when the school occupies the new building, more of the town people will have chance to attend. The two societies, the "Thalian" and the "Athena", compete thru these joint programs for the Intersociety Cup, which is awarded for one year to the society scoring the highest number of points. The Athena Society holds the cup for the year 1914-15.

- Following is Wednesday's program:
1. Recitation, "Bob" . . . Ernst Schleuder
  2. Book review, "The Prince and the Pauper" . . . Tony Baar
  3. Book review, "Kenilworth" . . . Minnie Brust
  4. Recitation, "The Hazing of Valiant" . . . Aimee Krook
  5. Debate: Resolved that a system of student government should be adopted in our high school. Affirmative: Naomi Mueller, Herman Radke; Negative: Walter Miller, Armin Flaender.
  6. Essay, "Minnesota" . . . Henry Herzog
  7. Story, "Johnny Castle's Air Rifle" . . . Walter Puhlmann
  8. Essay, "The Use of Zeppelins" . . . Ludwig Hofmeister
  9. Story, "Sounds from the Bushes" . . . Winona Alwin

## GIVE "SYRUP OF FIGS" TO CONSTIPATED CHILD

Delicious "Fruit Laxative" can't harm tender little stomach, liver and bowels.

Look at the tongue, mother! If coated, your little one's stomach, liver and bowels need cleansing at once. When peevish, cross, listless, doesn't sleep, eat or act naturally, or is feverish, stomach sour, breath bad; has sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul, constipated waste, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which contains full directions for babies, children of all ages and for grown-ups.

### \$100 Reward, \$100

The readers of this paper will be pleased to learn that there is at least one remedial disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J. CHENEY & CO., Toledo, Ohio Sold by all Druggists, etc. Take Hall's Family Pills for constipation.

## 10 Great Serials

## The YOUTH'S COMPANION

Better Than Ever in 1915

Then the Family Page, a rare Editorial Page, Boys' Page, Girls' Page, Doctor's Advice, and "a ton of fun," Articles of Travel, Science, Education. From the best minds to the best minds, the best the world can produce for you and everyone in the home. There is no age limit to enthusiasm for The Youth's Companion.

**CUT THIS OUT** and send it (or name of this paper) with \$2.00 for THE COMPANION for 1915, and we will send **FREE** All the issues of THE COMPANION for the remaining weeks of 1914. **FREE** THE COMPANION HOME THE COMPANION FOR 1915. **THEN** The 52 Weekly Issues of THE COMPANION for 1915.

52 Times a Year —not 12.

Send to-day to The Youth's Companion, Boston, Mass., for **THREE CURRENT ISSUES—FREE** SUBSCRIPTIONS RECEIVED AT THIS OFFICE

THIS BUMP PROVES THAT YOU KNOW A GOOD THING AS SOON AS YOU TASTE IT.

THE GOOD JUDGE DOES THE PHRENOLOGY ACT.

ANY man who chews tobacco understands the feeling of fellowship that impels the "Right-Cut" user to tell his friends about the Real Tobacco Chew. Let him use "Right-Cut" and you find him telling his friends and neighbors about the small satisfying chew. Gives you the taste of mellow, ripe tobacco—seasoned and sweetened just enough.

Take a very small chew—less than one-quarter the old size. It will be more satisfying than a mouthful of ordinary tobacco. Just nibble on it until you find the strength chew that suits you. Tuck it away. Then let it rest. See how easily and evenly the real tobacco taste comes, how it satisfies without grinding, how much less you have to spit, how few chews you take to be tobacco satisfied. That's why it is The Real Tobacco Chew. That's why it costs less in the end.

It is a ready chew, cut fine and short so that you won't have to grind on it with your teeth. Grinding on ordinary casidied tobacco makes you spit too much.

The taste of pure, rich tobacco does not need to be covered up with molasses and licorice. Notice how the salt brings out the rich tobacco taste in "Right-Cut."

One small chew takes the place of two big chews of the old kind.

**WEYMAN-BRUTON COMPANY**  
50 Union Square, New York

BUY FROM DEALER OR SEND 10¢ STAMPS TO US

## Under The Sun

There is nothing under the sun that you are not able to buy from me at a great saving, as you save from 40 per cent to 100 per cent on everything that you buy here. You wonder why and the main reason is that my expenses are not as great as some others and I therefore give you the benefit.

For the holiday trade I am going to give you a chance to come in and order what you want at such a price that what you expect to spend will go at least twice as far as it would go any other place in town. I have chairs of all kinds, beds, springs and mattresses, and one place where I shine is on heating stoves and ranges of which I have a full line and will guarantee that they give absolute satisfaction. Come in and look at them.

## ROY L. BERG

So. Minn. St. Telephone 230

**Canada is Calling You to her Rich Wheat Lands**

She extends to Americans a hearty invitation to settle on her FREE Homestead lands of 160 acres each or secure some of the low priced lands in Manitoba, Saskatchewan and Alberta.

This year wheat is higher but Canadian land just as cheap, so the opportunity is more attractive than ever. Canada wants you to help to feed the world by tilling some of her soil—land similar to that which during many years has averaged 20 to 45 bushels of wheat to the acre. Think what you can make with wheat around \$1 a bushel and land so easy to get. Wonderful yields also of Oats, Barley and Flax. Mixed farming is fully as profitable an industry as grain growing.

The Government this year is asking farmers to put increased acreage into grain. Military service is not compulsory in Canada but there is a great demand for farm labor to replace the many young men who have volunteered for service. The climate is beautiful and agreeable, railway facilities excellent, good schools and churches convenient. Write for literature and particulars as to reduced railway rates to Superintendent Immigration, Ottawa, Canada, or to

**R. A. Garrett, 311 Jackson St. St. Paul, Minn.**

Canadian Government Agent.
