FORESTERS GIVEN A ROYAL WELCOME

CONVENTION DELEGATES GIVEN
KEYS TO CITY BY MAYOR
L. A. FRITSCH.

EVERYONE LEAVES THE MEETING
PLEASED WITH NEW ULM
BRAND OF HOSPITALITY.

The twelfth session of the Catholic Order of Foresters closed in a blaze of glory last Wednesday afternoon and the two hundred or more delegates from all parts of the state have departed, convinced that New Ulm is the most hospitable city in the state. The convention was without exaggeration the most successful ever held in Minnesota, and Faribault, the city selected as the next meeting place, will have a large contract on her hands to maintain the standard set at the past session. The majority of the delegates left on the Thursday morning trains and the remainder left in the afternoon after enjoying an automobile trip about the city and vicinity.

The greater number of the delegates came in Monday evening over both roads and were met by the local court assisted by the Second Regiment Band. They were at once taken to the Headquarters of the Committee on Quarters located at Pfefferle's Drug Store and were speedily assigned quarters thru the efficient management of the Committee aided by the hospitality of New Ulm citizens. The Dakota House was convention headquarters and accommodated about a hundred visitors. The remainder who were unable to find rooms at the other hotels were assigned to private homes.

At 8:30 Tuesday morning the delegates assembled at the auditorium and marched in a body to the Holy Trinity Catholic church where High Mass was celebrated. The convention then opened its sessions. Dinner was served in the dining hall of the school building both days.

The first meeting was called to order at 11 o'clock Tuesday morning in the auditorium of the Catholic school with J. P. Graff in the chair. Mr. Graff first introduced Mayor Fritsche who welcomed the visitors in behalf of the city in his usual happy vein. He congratulated the delegates on having chosen New Ulm as their meeting place again and New Ulm on having such a fine delegation present in the city. He tendered the keys of the city to State Chief Ranger P. H. Martin of Duluth and suggested that each delegate who desired it could secure a latch key for night use. He hoped the delegates would enjoy their stay here so much that they would return again in a few years. The speech was well received by the guests and was answered in like vein by the next speaker, Mr. P. H. Martin, who responded for the Convention visitors.

Mr. Martin said, in substance, that the hospitality of New Ulm was so well known that it was unnecessary to comment upon it. That any one who was a delegate to the convention held in the city ten years ago would never forget the joys of that brief stay. He thanked the Mayor profusely for turning over the keys of the city and for the additional thoughtfulness of the latch key. As a further suggestion he proposed that the mayor secure the keys in the hands of the sheriff to avoid any inconvenience that might come to such delegates who might otherwise find it difficult to leave the city for a much longer period than they had come prepared to stay.

Bishop James Trobeck of St. Cloud was then introduced by Chief Ranger Martin. He briefly contrasted conditions in this country and Europe. He said we ought to be very thankful that we live in this country under conditions of peace and prosperity rather than in war-ridden Europe. He then spoke of the splendid work being accomplished by the order.

Rev. Robert Schlinkert then welcomed the delegates on behalf of the Holy Trinity parish.

The Tuesday afternoon session was devoted to the business matters of the organization which were handled largely thru the various committees. Several important matters came up for discussion at this time.

An amendment, which would allow the election of more than one state officer from any one court, did not receive the approval of the committee and by a vote of the convention the present provision will remain as it is.

The convention voted to instruct the delegates to the International convention to vote for an amendment to the constitution providing for the holding of quadrennial conventions instead of the present biennial meetings. The members took the ground that the saving of \$4,200 every two years, which is the cost of a convention, could be applied for organization purposes, and that the order would thereby derive more beneficial results than they do at present.

An attempt was made to fix the tenure of state officers to two terms, but this attempt also failed to receive the approval of the committee and was voted down. The sentiment seemed to be that the delegates assembled were competent to judge whether officers were to be retained for more than two terms.

The state court officers authorized Peter Loskiel, state organizer and auditor to arrange for a joint initiation of new members, in New Ulm during the state convention. This was held Tuesday afternoon at five o'clock when sixty new members, secured at Sleepy Eye, Redwood Falls, St. James, Nicollet, Springfield, Madelia, Mankato, Fairfax, St. George, Wanda, Seaforth and Lamberton, were initiated into the order.

A very enjoyable feature of the Convention was the banquet held at the Catholic school building Tuesday evening. The spread was furnished by the ladies of St. Anne's court and was a tribute to New Ulm cooking in every respect. Some four hundred guests were seated at the various tables and all were well provided for. A fine series of toasts was enjoyed after the inner man was satisfied. Rev. Schlinkert acted as toastmaster and in his opening remarks spoke highly of the representative men from the entire state sent as delegates. He then called upon various members present, P. H. Martin of Duluth spoke eloquently upon "The C. O. F.", Rev. H. P. Fey, of Springfield, spoke in response to "The Forester as a Catholic" and was followed by Julius A. Collier of Shakopee who addressed the banqueters on "The Forester as a Citizen." Math Bantz then spoke upon the "Financial aspects of the C. O. F."

W. E. Dempsey responded to "Schnitzel" and spoke entertainingly on New Ulm as it is and as it is supposed to be. Dr. J. P. Graff then told what a pleasure it had been to welcome the delegates. Various musical numbers added to the pleasure of the program. Hofmeister's orchestra played several selections and Miss Gertrude Ross sang a solo. John Wartha also rendered a very enjoyable cornet solo. All united in voting the evening a big success.

At the Wednesday session of the Order the time was devoted to routine business. P. H. Martin of Duluth was re-elected Chief Ranger and P. M. Mahon of Winsted was elected as vice Chief Ranger. H. Von der Weyer of St. Paul was chosen treasurer.

Some interesting facts concerning the order came to light during the convention. The Catholic Order of Foresters, during the thirty-two years, since it was organized has paid out the vast sum of \$20,374,430.05 for death benefits, and \$3,000,000 for sick benefits and funeral expenses. The principal object is to pay death benefits in the amounts of \$500, \$1,000, \$1,500 and \$2,000, on the death of a member to his beneficiary. The order was organized on May 24, 1883, and during the tenure of its activities has grown from a small membership at the outset until at the present time there is a total membership of 146,945, affiliated with 1,775 subordinate courts established throughout the United States and Canada. Candidates are eligible to membership between the ages of eighteen and fifty years.

The order has a reserve fund of \$4,937,922.16. These funds are invested as required by the constitution, exclusively in municipal bonds. The activities of the order are confined to the healthy sections of the country and at the present time courts have been established in twenty-eight states of the union and in eight provinces of Canada.

During the year 1914 the mortuary fund receipts totaled \$2,400,593.17, being the sums received from benefit assessments, interest on bonds, bonds matured and interest on bank deposits. The total of cash on hand at the first of the present year amounted to \$106,361.21. During the year 1914, \$1,548,598.59 was paid in death claims, which is at an average of \$4,301.66 per day.

SCHOOL OFFICERS WILL GATHER IN NEW ULM.

County Superintendent R. B. Kennedy has called a meeting of the school officers of Brown County to be held in the Court House at New Ulm for Saturday, June 26th. The meeting is called for the purpose of discussing matters of interest and benefit to the schools of Brown County.

The meeting will open at 10:30 in the morning. There will also be a meeting in the afternoon which is apt to last till four o'clock, depending largely upon the number of subjects brought up for discussion. There are 255 school officers in the County. Trustees of independent school districts are also entitled to attend these annual gatherings.

Supt. Kennedy expects that in the neighborhood of 200 will attend. Last year the meeting was held at Sleepy Eye and was attended by 160 school officers. The list of speakers to address the meeting has not yet been completed. Efforts are being made to secure State Supt. C. G. Schulz as one of the speakers.

F. C. Lewis of Worthington arrived in New Ulm Saturday and is at present connected with the Review in an editorial capacity. Mr. Lewis is going to have charge of the paper while ye editors take a little lay-off from the job. Mr. Lewis enters on his summer's job full of enthusiasm for the work. We bespeak for him the same kindly assistance in the matter of news that our friends have been in the habit of giving us and we know that he will appreciate it greatly since gathering the news single-handed is a big order for one not widely acquainted in New Ulm. News items will therefore be doubly appreciated.
