The action was taken upon the advice of leading attorneys of the state. ANOTHER PIONEER GONE.

Southwestern Minnesota lost one of its earliest pioneers when Oscar A. Dresser of Eden, nine miles east of Morgan, passed away last Friday morning about nine o'clock. Enlargement of the heart was the cause of death. Mr. Dresser had been sick but a few days. Although seventy-five years old he had been enjoying fairly good health and death was unexpected until the day before he died.

The deceased was born July 28, 1840, in Northfield, Summit county, Ohio. In 1848 the family moved to Wisconsin and in 1863, fifty two years ago, Mr. Dresser came to Minnesota and later to the Town of Eden where he took a homestead in the valley which had been his home ever since.

The deceased is survived by his wife and five sons and daughters. One child died in youth. Those living are Erving, whose farm adjoins his father's place, Victor, who lives in the valley near Franklin, Bradner of California, Isabella, (Mrs. Wm. Wiggam) of Minneapolis, and Orilla, (Mrs. J. Dodge) of Rock Lake, N. D.

The funeral was held from the home Sunday afternoon at 2 o'clock, Rev. W. S. Shiels of Morgan officiating. Burial was made in Mount Hope cemetery, which is the final resting place of most of the old pioneers of that neighborhood.

Among those who attended the Welsh Quarterly Meetings at Garvin last week were Rev. and Mrs. E. W. Griffiths, Mr. and Mrs. J. D. Price, Evan Price and B. D. Hughes.

A gloom was cast over the entire community Saturday, the 18th inst., when it became known that William C. Jones had passed away at his home here at ten o'clock that morning. He had had been ailing for several weeks but it was not generally known that his life was despaired of until a week before his death at which time he consulted a specialist at Minneapolis. The following day Dr. Fritsche of New Ulm and Dr. Williams of Lake Crystal held a consultation. Death was due to cancer of the liver. He was 44 years old last August.

Mr. Jones was upright and conscientious; an enterprising and prosperous farmer and had the faculty of making friends wherever he went. He was a member of the Congregational church, and belonged to both the Masonic and Woodman Lodges; in the latter he carried \$1000 insurance.

He was married about seventeen years ago to Miss Dora E. Jones who with two young sons and three young daughters are left to mourn his untimely death. The children's ages are ranging from two to fifteen years, they are, Johnny, Richard, Helen, Myra and Rachel. Mr. Jones had a kind disposition and was devoted to his family. He also leaves five sisters and five brothers. The brothers are Morris of Lake Crystal, Tom, Tudor and Idris of this place and Arthur who resides in Pasadena, California. The sisters are Mrs. Maggie Jones of Northfield, Minn., Mrs.

Mary Jones of Butternut, Mrs. Sarah Roberts of Lake Crystal, Mrs. Esther Culbertson of Long Beach, Cal., and Mrs. Rachel Dugan of St. Paul; all of whom were present at the funeral except Arthur Jones and Mrs. Culbertson.

Funeral services were conducted at the house at 1 P. M. the following Tuesday and at the church at 2 P. M. Those taking part in the service were Rev. Wm. E. Evans of Mankato and Rev. Griffiths and Rev. Jones of this place. There were so many people attending the services that only about one half could get in the church. Many beautiful flowers adorned the casket; among them were emblems from the Masons and Woodmen.

The remains were laid to rest in Cambria cemetery. The sympathy of all is extended to the grieving wife and children and all other relatives.

Do You Want a Good Farm?

There Is One Waiting For You In the Famous Lake Region of North Dakota

There is money in it for you and a good home there if you do not already own one.

There is no finer farm land anywhere than that found in certain sections of the Sweetwater Valley near Devils Lake. Best of soil, lay of land almost perfect and close to good markets on two transcontinental lines of railroad.

Average annual rainfall nearly the same as that of this section. Pure sweet water. Certain crops if soil is properly worked.

Corn, Hogs and Live Stock are raised with profit and are already an important part of the farm products of this splendid farming country. All kinds of vegetables grow

remarkably well in the rich soil of that region. These products are raised more and more each year. They are bound to increase the value of land there the same as they have done here.

Silos and creameries are being built in each township. Consolidated schools are more numerous there than in our own Minnesota. Churches, of all denominations. Rural free delivery mail service and telephones to every home. Live towns that are growing each year.

Excursions every Monday. For circulars and other matter call at the Brown County Bank.
