LAUGHTER IN CHUNKS.

That is What Our Play Goers are Promised in "Henpecked Henry."

Halton Powell's famous musical comedy, "Henpecked Henry," is to be the next attraction at the Turner Theatre, the date for the visit of this whirlwind of laughter being next Sunday evening, November 14th. "Henpecked Henry" is recognized as one of the funniest musical farce creations now on the road. The biggest grouch in the world, it is said, would be unable to resist its laugh-provoking qualities. At Mankato where the show appeared last week the papers were warm in their praise and said that the audience was convulsed with laughter from the rise to the fall of the curtain. Clyde Long, the "Henpecked Henry" of the Company, is described by the Review as the funniest comedian seen in Mankato for a long time.

The old favorites, the Oberammergau Players, are coming back this season with a new comedy, "Mr. Jackson in Sebring". They will present this at the Turner Theatre on Sunday evening, November 28th.

NEW ULM PEOPLE GET INSTANT ACTION

Those who have used it in New Ulm are astonished at the INSTANT action of simple buckthorn bark, glycerine, etc., as mixed in Adler-i-ka. Because it acts on BOTH lower and upper bowel, ONE SPOONFUL Adler-i-ka relieves almost ANY CASE constipation, sour stomach or gas. It removes such surprising foul matter that a few doses often relieve or prevent appendicitis. A short treatment helps chronic stomach trouble. E. A. Pfefferle, druggist.
