GIVE "SYRUP OF FIGS" TO CONSTIPATED CHILD

Delicious "Fruit Laxative" can't harm tender little stomach, liver and bowels.

Look at the tongue, mother! If coated, your little one's stomach, liver and bowels need cleansing at once. When peevish, cross, listless, doesn't sleep, eat or act naturally, or is feverish, stomach sour, breath bad; has sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul, constipated waste, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which contains full directions for babies, children of all ages and for grown-ups.

CAMBRIA.

Last Wednesday evening at eight o'clock the home of Mr. and Mrs. B. L. Tanley in Cambria Village, was the scene of a brilliant and pretty wedding when their daughter Miss Mary A. Tanley was united in marriage to Mr. William H. Jones of Butternut Valley, Rev. E. W. Griffiths, pastor of the Methodist Church officiating. Miss Elva Fuller, a niece of the bride was the bridesmaid and Mrs. Henry Fuller was matron of honor. Mr. Fred Jones, a brother of the groom, acted as best man. The bridal party marched into the parlor where the ceremony was performed to the strains of the wedding march played by Mrs. Henry Walters, a sister of the bride.

The bride was tastefully attired in light blue silk and wore white flowers. About eighty invited guests were present at the marriage and also partook of the beautiful wedding supper which was served following the ceremony.

During the evening instrumental and vocal music was rendered by D. C. Price, Rev. E. W. Griffiths, Rich. Thomas, Mrs. Henry Walters, Mrs. Dan W. Harris and Bennie Tanley. The parlor and dining room were decorated in a color scheme of pink and green.

The contracting parties were presented during the day and evening with many beautiful gifts including furniture, silver ware and linens. Several nice gifts were sent by friends unable to come to the wedding among them being a gift from Mrs. Jane Astrup of Madison, Wis. and one from Dr. and Mrs. J. H. Vogel of New Ulm. Among those from a distance who attended the wedding were Nathan Rowlands of Cottonwood, Mrs. Wm. T. Jones of St. Peter, Mr. and Mrs. Rich. Thomas, Mr. and Mrs. Hugh A. Jones with their son and daughter and Mr. and Mrs. Dave Evans all of Judson, John Thomas of Lake Crystal and Miss Lizette Jones and Fred Jones of Butternut. Before the guests departed for their homes the young men of the vicinity gave the newly-weds a loud charivari. There were several young women among the noise makers. Johnny Evans was Captain of the crowd. The young people plan to give a party for the newly-weds the evening of the 19th in the village of Cambria.

The bride is well and favorably known in this community and comes from a well-known and respected family. She and her husband will make their home on his farm in Butternut. Their many friends wish them happiness and prosperity in their future career.

Tuesday evening the 17th inst., the people of the Congregational church tendered a farewell party for Mrs. Will C. Jones and children at her home. Everyone is exceedingly sorry to see this family move from the neighborhood. Mrs. Jones has tenants for her farm and is moving to Mankato to reside so that the children will have better school advantages. We understand that she expects to come back to the farm as soon as the two boys are old enough to manage the farm themselves.

The Cambria Cemetery Association will have a supper and bazaar at Woodman Hall the evening of the 26th inst. The association will be grateful to all ladies who feel like contributing some article to be sold at the bazaar. All are invited to attend.

Johnny and Evan Evans who have been working in North Dakota have returned home.

Mr. and Mrs. John C. Walters are rejoicing over the arrival of a little daughter, born Tuesday the 9th inst.

PIONEER OF STARK IS DEAD.

Many people of this section will remember Andrew J. Gilman, who, for over thirty years was a resident of Sleepy Eye and Iberia. News of his death at Staples, Minnesota, was received at Sleepy Eye last week. He passed away at 4:30 P. M. Monday, November 8th. The funeral took place Wednesday and the body was taken to Willmar for interment.

The deceased was born in Woodbury, Vt., September 12th, 1831, and moved to Wisconsin in 1850. For five years he lived at Lafayette, and later went to Gilman Valley, named after his father, where he located until 1864, when he came to Brown County and settled on a farm in Stark. He remained at farm work but a few years when he went into the hotel business at Iberia, and also began the stock business. For many years he and Amaziah Slocum bought stock and shipped to market. About 1890 he removed to Sleepy Eye and continued in the same line of business until 1901 when he moved to Raymond. It was only last spring that he went to Staples and since that time he has been failing in health.

Besides his aged wife, Mr. Gilman is survived by six children, namely: Mrs. Fred Crumlet of Iberia, Frank C. Gilman, Mrs. N. P. Sornson, Mrs. Jesse Gasink, and Miss Helen, all of Staples, and Wm. C. Gilman of Mahanomen. One sister and two brothers also survive him, Mrs. P. H. Engelsby and Dudley Gilman of California and David Gilman of Wisconsin.

A. J. Gilman was a very decided character, a man of rough exterior but within a whole-hearted, genial, companionable fellow. He was a man of generous impulses. One always knew where to find him on social and public matters. There was nothing hypocritical about him. His death removes from the stage of action another of those old Brown County pioneers whose ranks are fast thinning.

COLLEGE NOTES

The members of "B" Class enjoyed a banquet Tuesday evening. To judge from the satisfied looks of the partakers the evening was pleasantly spent.

Wednesday, the 10th of November, marked the thirty-first anniversary of the founding of D. M. L. College. No special exercises were held, recitations fell out.

A call for help at the school at North St. Paul, Minn., arrived Wednesday morning. E. Nitschke, 16, immediately declared himself prepared to assist and left on the next train. How long his "first aid" work will last has not been ascertained.

Prof. F. Reuter left Saturday for St. Paul, where he assisted in toning the new pipe organ in St. John's Church.

The pipe organ presented by St. John's Church to the College arrived Thursday and will be set up in the near future.

It seems that the position of Athletic Editor on the "Messenger" is hoodooed. First, F. Fuhlbrigge left us, now the newly elected editor, T. Schmalz '17 has gone home to recuperate after a severe attack of pleurisy and rheumatism. He intends to return after Christmas recess.

Mr. E. Schmalz of Sparta, Wisc., arrived Friday to accompany his son Theophil home.

D. Rossin and A. Engel spent Saturday and Sunday at their homes in Elkton, S. Dakota.

A large number of the boys attended the entertainment at the High School Auditorium last Friday and greatly enjoyed the evening. The spoken songs and the melodrama especially appealed to us. We hope to be able to attend more of such events later.

A Moskop '17 has returned to school after a number of week's absence at his home in Arlington. He has recovered from the injury to his foot.

M. Mattson, who took a course in German some years ago at our school, preparatory to making a trip to Germany, visited the school on Monday.

NEW COAL ELEVATOR FOR MARSHALL

Something new for Marshall and one of the latest and best of its kind will be the new coal elevator which is being constructed on Second street at the Northwestern tracks.

The building will be completed by the first week in December and will have a capacity of 600 tons of coal. Special machinery will be installed to run by electric power and will handle the coal coming from hopper bottom cars on the track, elevating it to various storage bins. The bins will be connected with chutes from which wagons may be filled, doing away with much labor and giving quicker and better service. A screening device is being installed which will clean and size the coal. This is but another of the many improvements along the Northwestern tracks which makes the dingy old depot pale into insignificance.

THICK, GLOSSY HAIR FREE FROM DANDRUFF

Girl! Try It! Hair gets soft, fluffy and beautiful—Get a 25 cent bottle of Danderine.

If you care for heavy hair that glistens with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous, try Danderine. Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff. You can not have nice heavy, healthy hair if you have dandruff. This destructive scurf robs the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots fall out, loosen and die; then the hair falls out fast. Surely get a 25-cent bottle of Knowlton's Danderine from any drug store and just try it.

GAYLORD WINS OUT.

The county seat contest instituted by Henderson in a vain effort to retain the county seat, ended in Chambers before Judge Morrison at Norwood last week Friday. The hearing on the second contest was fixed for 10 o'clock that day and the retainers were represented in full force, Attorneys Leeman of Henderson, Cadwell of Le Sueur and quite a number of interested parties from the river town attending what they hoped would be a resurrection of their lost honors. In the Gaylord party, defending the contest, were County Attorney A. L. Young of Winthrop, Attorney C. H. MacKenzie of Gaylord, and George MacKenzie and Chas. Riemer as interested witnesses.

The argument was very brief and short lived, the Henderson representatives dwelling on point No. 1, as their one big hope.

This point was ruled out by the judge, stricken out as a sham, and all other points presented were dismissed. The order of dismissal was made by Judge Morrison last week and the county seat question is now settled according to the wish of the voters as expressed at the special election. It is also said that the threat of carrying this hopeless case to the Supreme Court has been abandoned by the Hendersonites and they have decided to abide by the wish of the people and let "equal rights to all and special favors to none" prevail. After the first of December Gaylord will be the county seat of Sibley County. With the temporary vault completed, the City Hall rooms of the officers will also be ready by that time, and the county affairs will be carried on without interruption, except for a short time while the records are being transported to Gaylord.—Gaylord Hub.
