TAKES OFF DANDRUFF, HAIR STOPS FALLING

Save your Hair! Get a 25 cent bottle of Danderine right now—Also stops itching scalp.

Thin, brittle, colorless and scraggy hair is mute evidence of a neglected scalp; of dandruff—that awful scurf. There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Danderine tonight—now—any time—will surely save your hair.

Get a 25 cent bottle of Knowlton's Danderine from any drug store. You surely can have beautiful hair and lots of it if you will just try a little Danderine. Save your hair! Try it!

LADIES! LOOK YOUNG, DARKEN GRAY HAIR

Use Grandma's Sage Tea and Sulphur Recipe and nobody can tell. Brush it through hair.

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks dry, wispy and scraggly, just a few applications of Sage Tea and Sulphur enhances its appearance a hundred-fold. Don't stay gray! Look young! Either prepare the tonic at home or get from any drug store a 50 cent bottle of "Wyth's Sage and Sulphur Hair Remedy." Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully and removes dandruff, stops scalp itching and falling hair; besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two, its natural color is restored and it becomes thick, glossy and lustrous, and you appear years younger.

COLLEGE NOTES.

Prof. Fr. Reuter went to Red Wing Wednesday to give an organ recital on a new organ placed in the Ladies' Seminary of that place.

The "tags" of the class of '17 have arrived and assumed the shape of a novelty pin, which has called forth much admiration from the innocent by-standers.

The reading room committee has placed a much needed bulletin board in the entrance hall of the dormitory.

Prof. Ackermann and Reuter were in St. Paul Sunday, where the latter introduced the new pipe organ of St. John's congregation to the public in a series of three concerts and where the former preached at the dedicatory services.

Our worthy warriors of the basket ball field went down to defeat on Saturday before the Morgan High School. The first half of the game ended with D. M. L. C. only showing one field basket, a brilliant throw by Ebert from the center of the floor. The score then stood 24-6.

The second half opened with a spurt by D. M. L. C., but the slippery waxed floor and the loose baskets soon discouraged our warriors and the playing toward the end of the half slowed down. The final score stood 40-21 in Morgan's favor. Kempton did the best work for Morgan, Koenig and Ebert for D. M. L. C.

The following rooters accompanied the team to Morgan: Prof. H. Mosel, A. Ziegler, A. Moskop, W. Kohlhoff. It is reported that D. M. L. C. has almost as many student rooters as the High School had.

Fifty Celebrated.
The other day a clerk in a Jewish mercantile house, celebrated his twenty-fifth anniversary of his first day's connection with the firm. Schmidt, the senior partner, handed him in the morning a sealed envelope inscribed, "In memory of this eventful day."

The clerk gratefully received the envelope without opening it, but on a gracious hint from his chief he broke the seal, and found—the photograph of his employer.

"Well, what do you think of it?" inquired Schmidt, with a grin.
"It's just like you," was the reply.

Asters are improved in most Minnesota localities by application of lime to the soil.

BOWLING.

Last Tuesday evening the teams of the city league bowled their second match game. The Spinners matched themselves against the Majors on the Concordia alleys and the Royal Nibbs (formerly the Trailers) met the Americans on the Catholic alleys. Bierbaum captured the highest score for one game with 247. Berg was a close second with 245 and captured the highest score for the entire match with 593 pins. Although both of these men belong to the Majors the game went to the Spinners by 31 pins. The score for this game was as follows:

The game between the Royal Nibbs and the Americans was also very interesting. In the first game of the match the Americans got the best of their opponents by 2 pins. The second game went to the other team by a large majority and the third game was again captured by the Americans with 2 pins. Baasen threw the high score on these alleys, getting 220 pins for one game and a total of 564 for all three games. Following are the scores:

Home League Bowling.

That bowling has secured a firm root in this city is demonstrated by the fact that within the past few weeks the enthusiastic bowlers have formed a city league, composed of eight teams, who match themselves against each other on the Concordia alleys. Following are the names of the teams that make up the Home League: Hackbarths, Eagles, Busters, Quails, Colts, Telephones, Beck's Specials and Turners. In the games played thus far the Hackbarths have won the greatest number. The Eagles and the Busters are tied for second place.
