

SCHOOL BONDS CARRIED

Nicollet Consolidated District Will Erect High School To Cost \$30,000.

Nicollet village is to have one of the finest consolidated school buildings in Minnesota, if plans now agreed upon are carried out by the directors of the recently formed district. Bonds to the amount of \$40,000 were voted by the district at the special election held on Wednesday of last week, thus assuring the construction of the building in the course of the summer.

Advocates of a consolidated school broached the plan during the winter months, their idea being to consolidate four school districts in the immediate vicinity of Nicollet and erect a building in the village. When submitted to a vote the consolidation plan carried, and then an estimate of the amount of money that would be needed was prepared. It was decided that \$30,000 would be required for the new building, and an additional \$10,000 for moving the old school house and converting it into a teacher's home.

That the people of the four districts affected are thoroughly in earnest in their desire for the best possible educational facilities was shown by the vote at the special election Wednesday. A total of 140 votes were cast at the election. Of these 137 were in favor of bonding the joint district in the sum of \$40,000, and only three ballots were cast in opposition to the plan.

LADIES! LOOK YOUNG, DARKEN GRAY HAIR

Use the Old-time Sage Tea and Sulphur and Nobody will Know.

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks streaked, just a few applications of Sage Tea and Sulphur enhances its appearance a hundred-fold.

Don't stay gray! Look young! Either prepare the recipe at home or get from any drug store a 50-cent bottle of "Wyeth's Sage and Sulphur Compound," which is merely the old-time recipe improved by the addition of other ingredients. Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully, besides no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two, its natural color is restored and it becomes thick, glossy and lustrous, and you appear years younger.

Wyeth's Sage and Sulphur Compound is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.

ORDINANCE NO. 104

An Ordinance granting to the New Ulm Heating Company, and its assigns, certain rights, privileges and authority to lay and maintain mains, pipes, and fixtures in and along the streets, avenues and public grounds of the City of New Ulm for the purpose of furnishing and distributing steam and hot water for heating purposes.

The City Council of the City of New Ulm do ordain:

Section 1. Subject to all of the conditions, limitations and reservations hereinafter contained, there is hereby granted to the New Ulm Heating Company, a corporation, hereinafter called the Grantee, and to its assigns, for the period hereinafter mentioned, the right, privilege and authority to lay and maintain mains, pipes, appliances and fixtures in and along the streets, avenues, alleys and public grounds of the City of New Ulm as now or hereafter laid out, for the purpose of furnishing and distributing steam and hot water for heating purposes.

Section 2. Such mains, pipes, appliances and fixtures shall be laid, constructed and maintained only upon such streets, avenues, alleys and public grounds of said City as shall be designated for such purpose by the City Council of said City. The location and manner of laying all of said pipes shall at all times be subject to the reasonable regulation and direction of said City Council.

Section 3. In laying and constructing mains, pipes, appliances and fixtures in the streets, avenues, alleys or public grounds of said City the Grantee shall so prosecute said work as not to unnecessarily impede or obstruct the free use of such streets, avenues and public grounds by the public, and with no more injury or damage to the surface thereof as is necessary to the proper performance of said work. When any trench or excavation shall be made or dug in any street, avenue, alley or public ground of said City under the authority here granted, said work shall be prosecuted diligently and such street, avenue, alley or public ground restored without delay to its original condition to the satisfaction of the City Council of said City. In laying and constructing said pipes, mains, appliances and fixtures, no sewers, water pipes or other structures shall be interfered with or removed nor any damage be done thereto.

Section 4. All digging of trenches and ditches, excavations, laying of mains and pipes and all other operations and work required or performed in the laying and construction of said pipes and mains and in the installation and maintenance of the same shall be done at the sole risk of the Grantee and its assigns, and it shall be solely responsible for all accidents and all damage to persons or property arising therefrom or arising in any manner from or out of the exercise of the rights, authority and privilege granted by this Ordinance; and it shall at all times indemnify and save the City harmless from all damage, judgment, costs and expenses arising therefrom. Said Grantee and its assigns shall at its own expense, defend all suits and actions brought against the City by reason of any act of omission or commission done or performed hereunder, upon being notified of the pendency thereof, provided that the City may be represented by its City Attorney in any such action or suit, at its option; and the recovery of judgment against the City in any such suit or action shall be conclusive evidence of the liability of the Grantee to reimburse the City therefor.

Section 5. Immediately upon the completion of any mains or pipe lines in or upon any part of the streets, avenues, alleys or public

grounds of said City said Grantee and its assigns shall file in the office of the City Clerk of said City a detailed plat showing the exact location of said pipes and mains and all valves and accessories, together with a profile showing the depth and dimensions of said mains and lines.

Section 6. The City Council shall have the right at any time to condemn any pipes, mains, fixtures or appliances placed or maintained in any of the streets, avenues, alleys or public grounds of this City by the Grantee or its assigns under this Ordinance whenever such pipes, mains, fixtures or appliances are unfit for use or dangerous to life or property; and in such event the Grantee and its assigns shall forthwith repair or replace such pipes, mains, fixtures or appliances in accordance with the direction of the City Council.

Section 7. The City of New Ulm shall have the right at its option at any time hereafter to purchase the heating plant, mains, pipes and entire works of the property of the Grantee or its assigns included and used in the operation of said heating system upon payment to said Grantee or its assigns of the actual cost thereof, less any amount that shall have been theretofore paid by or on account of the City therefor.

Section 8. This franchise and the rights, authority and privilege hereby granted shall take effect on the date of the passage and approval of this Ordinance and shall continue for the period of twenty years thereafter and no longer. Upon the expiration of said period this franchise and all rights, authority and privilege herein granted shall terminate and cease without any action whatsoever by said City or its officials.

Section 9. The said Grantee shall signify its acceptance of this Ordinance in writing, such acceptance to be filed with the City Clerk of said City within thirty days after the passage and approval of this Ordinance and to be in form approved by the City Attorney. In default of such acceptance, this Ordinance and its provisions shall be inoperative and void.

Section 10. The Ordinance shall take effect and be in force from and after its passage, approval and publication.
