Quite a number attended "University Week" at Sleepy Eye the past week. Some fine programs were rendered.

A large number from here attended the exercises at Ft. Ridgely Memorial Day. Rev. Sparkes was the speaker for the occasion.

George Cutting and wife of Sleepy Eye called on friends here Tuesday afternoon.

School closed in District 19 last Saturday. Miss Helen Pulaski, the teacher, treated the pupils to a picnic.

Several from this vicinity attended Commencement Exercises in Sleepy Eye last Saturday evening.

Charles Palmer was a business caller at Springfield last Saturday afternoon.

Miss Rena Sherman of Iberia visited with friends here the past week.

Frank Thayer, the Watkins man, called on his patrons here last week.

Miss Meta Schropp who has been attending High School in Sleepy Eye the past year has returned to her home here to spend the summer vacation.

CAMBRIA.

The Decoration Day picnic was held at Price's grove. Many took their lunch baskets with them and ate a picnic dinner. The program commenced at 2 p. m. with Wm. M. Lewis as conductor. The children delivered recitations and there was music by different parties. The chief speaker of the day was Rev. Edward Constant of Mankato who gave an excellent memorial address. From the grove the people went to the cemetery where the children gave a drill and then marched along placing wreaths on the graves of departed soldiers. The line of march was headed by Mr. Stephen Walters a veteran of the Civil War.

John L. Harris of Mankato is here on business to attend to some repairs on his farm.

The sociable at Woodman Hall Decoration Day night was well attended. The proceeds of the sale of ice cream were about \$25.00. The social was for the benefit of the Christian Endeavorers of the Methodist church.

Owen Owens was wearing a very broad smile Sunday owing to the arrival of a son at his home that morning.

Fred Popp has purchased a new car of a dealer at Searles. Webster Davis has also purchased a car.

Miss Helen and Miss Myra Jones of Mankato are guests of Miss Laura Thomas.

Mr. and Mrs. Griff Roberts, the Misses Nellie and Grace Roberts, the Misses Rachel and Dora Davis and Mrs. Edward Constant all of Mankato, spent Decoration Day here.

Miss Hilda Albrecht has returned to her home at Essig.

The Vashinder Stock Company will play all this week at the Woodman Hall. This is not a picture show, but a company giving dramatic productions of merit.

When some young people were driving home from the social Decoration Day night they met a car with some young men in who had evidently had too much of the "amber fluid". The young men in the car were strangers in the community but they made themselves not wanted also. One jumped down from the car and grabbed a hat from one of the Cambria boys, then immediately jumped back into the car and drove off without there being time for any remonstrance. The strange car then drove on toward Cambria but a freight train was on the track and after waiting a few minutes for freight to be unloaded and the train to move out of the way, they started up with such speed that all the teams and autos that had gathered on the other side of the track had difficulty in getting out of the way. Some were obliged to drive on the railroad ties and others off the grading. The strangers also stopped a few minutes in Cambria and acted loud. They evidently needed to "cooled off" somewhere.

OBITUARY

MRS. REINHOLD BOESCH.

Last Sunday morning Mrs. Reinhold Boesch was relieved from her sufferings by death after an illness of several months from that dread disease, consumption, which no doubt had its origin with a severe cold contracted about a year ago.

Mrs. Boesch, whose maiden name was Miss Wilhelmina Dido, was born February 4, 1850, at Langenhansen, Pommern, Germany, and came to this country with her parents in 1870, her folks settling in Western Pennsylvania, where she was married in 1874 to Mr. Boesch, who now survives her. Shortly after their marriage the couple came to New Ulm and they have lived in this city for upwards of thirty years. Nine children were born to Mr. and Mrs. Boesch, but five of them have preceded the mother in death. Those still living are the following: Mrs. Robert Williams and Mrs. Albert Haverberg of New Ulm; Mrs. William Klesmann of Brookings, S. D., and Mrs. Anton Krittrner of St. Paul.

Funeral services will be held at 2 o'clock this (Wednesday) afternoon from the German Lutheran church and interment will be made at the Lutheran cemetery. Rev. C. J. Albrecht will officiate.

THE GOOD JUDGE IS SORRY FOR THE BOY

THAT OLD CHAP IS SORE AT SOMEBODY—WONDER WHY?

HE SENT THE BOY ABOUT AN HOUR AGO FOR A POUCH OF W-B CUT. HE OUGHT NOT TO HAVE BEEN GONE TEN MINUTES.

THAT YOUNG BRAT'S GOT A WOLLOP COMING TO HIM. HE KNOWS I'M OUT OF THE REAL TOBACCO CHEW.

IT'S when a man runs out of W-B CUT Chewing—the long shred Real Tobacco Chew—that he feels he is missing something. Big wads of ordinary kind of tobacco won't satisfy the men who know W-B CUT Chewing. A small chew satisfies—and is comfortable. No big wad like the ordinary kind. Not so much spitting either—and it lasts longer. See your dealer for a pouch and give it a quality test. Why We Are Opposing A Government Armor Plant

To the People:

Some people say that the very fact that the Bethlehem Steel Company is so aggressively fighting the proposal to build a Government armor plant is conclusive proof that the Company is seeking to assure for itself the "vast profits" derived from private manufacture.

The fact is that armor making is the least profitable feature of steel manufacture.

The reason we oppose a Government plant is very simple. It is this:

Even though there is but little profit in the making of armor, we have invested over \$7,000,000 in our armor plant;

That plant is useless for any other purpose; if a Government plant is built the usefulness of our plant is destroyed.

It would be good business for us to make armor for the Government at any price over and above the actual shop cost, RATHER THAN SACRIFICE OUR ENTIRE INVESTMENT.

We do not seek to save big profits; our purpose is very frankly to save our armor plant—itsself built solely for the use of the Government—from going to the scrap heap.

To do that, we are prepared to agree for any period to any terms of manufacture which the Federal Trade Commission shall say absolutely protects the Government of the United States.
