### HIGH SCHOOL FOOT BALL PLANS.

Prospects for a fast foot ball team in the New Ulm high school seem extremely bright this year and while many of the boys that have reported for practice are light there is an abundance of speed and undoubtedly the boys will give a good account of themselves ere the season passes.

About twenty-two boys have reported for practice and are nightly working out under the direction of Coach P. L. Hamlin.

Mr. Hamlin is a graduate from Hamline University and also was a regular on the foot ball team during his studies at that institution. He has had considerable experience in athletic training and by all indications is making excellent use of the material on hand.

The regulars are c. W. Pfander; r. g., V. Reim; r. t., E. Held; r. e., L. Schleuder and H. Kogge; l. g., G. Schoch; l. t., H. Schnobrich; l. e., A. Ochs and H. Berg; q. b., R. Fenske; f. b., H. Herzog; r. h. b., M. Shapiro and l. h. b., R. Olson.

Many of the first team are old heads at the game but with such substitutes as M. Dougher, A. Koehler, A. Krzmarzick and others the regulars will have to hustle to hold their positions.

At the present time, part of the schedule has been arranged as follows: Sept. 23, Sleepy Eye, here; Oct. 7, Windom at Windom; Oct. 21, Redwood Falls, here and Nov. 11, Lamberton, here. The manager is trying to close dates with Mankato, St. Peter, St. James, Fairmont and other high schools of this section of the state.
