

GOLDEN JUBILEE OF MINN. TURNBEZIRK

STATE SOCIETIES OBSERVE FIFTIETH ANNIVERSARY OF FOUNDING

LOCAL PEOPLE ATTEND THE CELEBRATION HELD IN ST. PAUL

It will be 50 years next Sunday since the "Minnesota Turnbezirk" which has its headquarters here in New Ulm at the present time was founded in the city of St. Paul. To celebrate this event the Turnverein St. Paul arranged a fitting celebration at its hall on Wabasha Street which was well attended by members of the societies of St. Paul, Minneapolis and New Ulm. Those who attended from here were Albert Steinhauser, Pres. of the Bezirk, Herman Hein, Bezirksturnwart and Charles Hauenstein, Treas. of the Bezirksvorort and Kurt Bell, Peter Herrian, Roman Brust, Walter and Armin Pfander, Jacob Engel and Peter Scherer.

Organized 50 Years Ago.
In speaking of the founding of the Minnesota Turnbezirk, the New Ulm Post under date of Jan. 4, 1867 says "that on the 17th day of December, 1866, delegates from five Turner Societies met in the hall of the Turnverein St. Paul for the purpose of organizing as a district and adopting a suitable constitution. The one proposed was adopted with a few amendments. The societies of St. Anthony and Minneapolis were intrusted with forming the first Bezirksvorort and Herman Zirkler of Minneapolis was elected the first President. The following societies were represented with their numerical strength at that time: Owatonna, 38 members; Red Wing 57; St. Paul, 73; St. Anthony, 76; Minneapolis, 65 and New Ulm 44."

Sunday's celebration was inaugurated with a Turntag in which 58 Turners took part. Bezirksturnwart Herman Hein from here had charge of the physical culture work and was assisted by Albert F. Schintz of St. Paul and Otto Modler of Minneapolis. All the exercises were executed with precision and promptness. After the physical culture part of the program had been completed the members and ladies sat down at the prettily decorated banquet tables and partook of a bounteous repast. This was followed by a short program of speeches, recitations and musical numbers. Wm. Mueller of St. Paul acted as toastmaster. Julius Perlt President of the Turnverein St. Paul bade all a hearty welcome on behalf of his society.

The first speaker was Geo. Rhombert of Minneapolis who by the way had a very narrow escape from serious injury while on his way to the hall. He was just in the act of crossing Wabasha at Exchange St. when he was struck by an auto which was running parallel with the car. He was knocked down and run over. Luckily it was only a Ford that struck him, otherwise his injuries might have proved fatal. As it was he escaped with a nervous shock and some bruises and abrasions but was able to deliver his address in the evening as tho nothing had happened.

Capt. Steinhauser Speaks.
The main address was delivered by Bezirkssprecher Albert Steinhauser who referred to the founding of the Bezirk, the conditions in the early days, the different towns that had societies, the changes that had taken place, the gradual elimination of all the societies except in St. Paul, Minneapolis, New Ulm and Wahpeton. He was attentively listened to thruout.

Other speakers were Louis Betz of St. Paul who spoke of the early days when the St. Paul society had just built first hall and the society's ups and downs since then. Prof. Julius Herrmann, Supervisor of Physical Training

of St. Paul schools told briefly of the work that is being done along physical culture lines in the public schools. Charles Leitner, one of the real old boys, was present and told of his joining the St. Paul Society as early as 1858. Otto Rohlandt took occasion to pay the ladies a well deserved compliment for their untiring labors in behalf of the Turner cause. Mrs. A. Freund recited very effectively a Turner poem. The Turner Liedertafel of St. Paul under direction of its leader, Prof. F. L. Jacobi, rendered several songs very well and L. H. Jacobi, a son of the director, sang two solos most beautifully. Just before the close of the official part of the program, a telegram of congratulations was received from the National Executive Committee located at Indianapolis. After the close of the official program the younger people tripped the light fantastic and the older people enjoyed themselves in social converse, recalling the pleasant hours they had spent in Turner circles in the past. The event was in every way a success.

TIMES DO CHANGE

"I hope this winter weather will let up until after Christmas," said a business man to The Review. "If it will only do that we don't care how much comes after that."
"Thought it was real Christmas weather that was wanted just now," answered the newspaper man.
"Not in these days," was the reply.
"That's the way it used to be, but not any more. People don't hitch up the team to a bob sleigh and drive into town now. If they can't come in the automobile, they don't come; that's all there is to it. Times do change."

Rumblings On The Alleys.

Another large leap towards the top was made by the Gold Coin's last Tuesday, when they defeated the Daniel Webster's three games straight. Montgomery threw a 233 count in the first game, thus winning it for the Gold Coin's. In the last game Buenger rolled 223 but the Daniels lost the game by twelve pins.

The Bierbaum's continued on their road to victory and took two games from the Wicherskis. George Wicherski was high total man with 599, making 201, 204 and 194 consecutively. Bierbaum was two pins behind George, making 201, 202 and 194. Losing games while making good scores is getting quite common, for in spite of Emmerich's 248 and Wicherski's 194 the Wicherski's lost the game.

The Waxipahiti's determined to get away from the bottom and annexed a two to one victory over the Rex team on Thursday, winning the first game by two and the third by fifteen pins.

Another great surprise was the victory over the Wichtel's by the Hackbarth's. Hackbarth was the most consistent bowler of both teams, making 186, 215 and 174 respectively. Ed. Huhn seemed to have an evening off for he threw a total of only 456.

Schells Win Championship.

Sunday afternoon the Schell's howling team defeated the Daniel Webster Specials, who claimed the city championship by defeating all opposing teams. Several men of the Daniel Webster Specials had an afternoon off and as a result threw low scores. Neither Killand nor Dahms rolled their average. Ed. Huhn was the mainstay on the Webster-team, making a total of 573 with a high single count of 228. Wicherski was one pin behind him and Seifert was a close third with 563. HOLD-UP MAN WASN'T THIRSTY

The story is going around the street, but not vouched for, that as a prominent business man was ambling along Minnesota street a few nights ago, he was halted by a hold-up man, who thrust a revolver in his face, with the demand that he "hand over his money."
"I haven't any money," said the business man, "but here are a couple of cigars. Come in some place and have a drink."
"No, thank you," replied the surprised bandit, as he made a quick getaway.

MATRIMONIAL TRADE BRISK

Probate Judge George Ross was quite busy in the matrimonial line Saturday afternoon. First came a Hanska couple who wished to be joined in the holy bonds of matrimony. They were Kristopher M. Anderson and Miss Mathilda Paulson, and the judge tied the knot promptly and efficiently. They had scarcely left the building when along came B. R. Fisher of Ramsey county, and Miss Anna Ubl of this city. They were joined in holy wedlock with promptness and dispatch.

"Next," called the judge. "It's just like operating a barber shop."

OFFICERS OF REGULAR ARMY ARE CRITICIZED

Two officers of the Illinois National Guard are severe in their denunciation of the regular army officers, in their treatment of the National Guard troops while on the border, and by their handling of the national guard mobilization.

The officers who make the complaint are Colonel Milton J. Foreman of the First Illinois Cavalry, and Major Abel Davis of the First Illinois Infantry.

"The men took the oath as guardsmen, and when they were required to take a second oath, they did. After they reached the border they were told they had no status, they were neither guards-

men nor national defense troops, because they had been given the wrong oath.

"And not a dollar has been paid the guardsmen as a compensation under the national defense act.

"All these failures can be laid at the door of the regular army officers." The Illinois troops were kept at Fort Sheridan two months after returning from the border.

A SURPRISED GRAND JUROR.

Frank Crumlett of Stark township, was a surprised man when he arrived at the court house yesterday morning. Mr. Crumlett had been drawn to serve as a grand juror at the present term of court, and was expected to report to Judge Olsen on Monday morning at 11 o'clock, but he failed to show up, and as the day passed there was no Crumlett in sight. He arrived, however, but was twenty-four hours late. He explained that he had simply made a mistake in the day, and didn't discover it until his arrival in New Ulm yesterday morning. Judge Olsen accepted his explanation, but excused him from the panel, as the work had proceeded so far that his services were unnecessary.

Clarence Eddy, a pipe organ concertist national reputation will give a concert at the college January 8th in the evening. This will prove a treat for the lovers of pipe organ music and none should miss the opportunity of hearing him.
