GIVE "SYRUP OF FIGS" TO CONSTIPATED CHILD
 Delicious "Fruit Laxative" can't harm tender little Stomach, liver and bowels.

Look at the tongue, mother! If coated, your little one's stomach, liver and bowels need cleansing at once. When peevish, cross, listless, doesn't sleep, eat or act naturally, or is feverish, stomach sour, breath bad; has sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul, constipated waste, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which contains full directions for babies, children of all ages and for grown-ups.

CAMBERIA.

Mr. and Mrs. Charlie Espenson visited the latter's brother, Geo. Espenson and family at Le Sueur recently.
 Mrs. Wm. J. Evans is visiting with relatives at Garvin, Minn.
 Mr. and Mrs. Will Neitzel were at Mankato a week ago Saturday.
 The little son of Mrs. Henry Cullen was on the sick list last week.
 Davie Lewis has recovered his health so as to be able to leave the Union Hospital and is now staying at the home of his sister, Mrs. Ed. Nichols.
 Mr. and Mrs. Hugh T. Williams were Mankato callers last Wednesday.
 Mrs. Dora Roberts has gone to Walker, Minn., and was accompanied as far as St. Paul by her sister, Mrs. Roger Davis. Mrs. Davis returned home the following day.
 Mr. and Mrs. Evan D. Price have gone to Pasadena, Cal. to spend the winter. John Williams and Emery Price will have charge of the farm and Miss Lizzie Jones will do the house work while Mr. and Mrs. Price are away.
 Woodman Hall was "jammed" with people last Friday night for the program and to view the community Xmas tree. The affair was a grand success and those having the work in charge were well pleased with the results considering this was the first attempt at having a tree for the whole community. It is very probable that next year there will be a like program as Rev. Griffiths the chairman of the meeting in his address said he considered it a move in the right direction for all to join together in having a meeting of that kind and for the children to have the enjoyment of a tree and to see Santa Claus.

COMB SAGE TEA IN FADED OR GRAY HAIR
 If Mixed with Sulphur it Darkens so Naturally Nobody can Tell.

Grandmother kept her hair beautifully darkened, glossy and attractive with a brew of Sage Tea and Sulphur. When her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this old-time recipe, improved by the addition of other ingredients, all ready to use, for about 50 cents. This simple mixture can be depended upon to restore natural color and beauty to the hair.
 A well-known downtown druggist says everybody uses Wyeth's Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and beautiful. This preparation is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.
 Potted plants, such as cyclamen, ferns, primulas, double or single petunias, palms, or rubber plants, make excellent Christmas gifts. Pots of bulbs, such as tulips, daffodils, and hyacinths, are also often used.

Not a Bite of Breakfast Until You Drink Water
 Says a glass of hot water and phosphate prevents illness and keeps us fit.

Just as coal, when it burns, leaves behind a certain amount of combustible material in the form of ashes, so the food and drink taken day after day leaves in the alimentary canal a certain amount of indigestible material, which if not completely eliminated from the system each day, becomes food for the millions of bacteria which infest the bowels. From this mass of left-over waste, toxins and ptomaine-like poisons are formed and sucked into the blood.
 Men and women who can't get feeling right must begin to take inside baths. Before eating breakfast each morning drink a glass of real hot water with a teaspoonful of limestone phosphate in it to wash out of the thirty feet of bowels the previous day's accumulation of poisons and toxins and to keep the entire alimentary canal clean, pure and fresh.
 Those who are subject to sick headache, colds, biliousness, constipation, others who wake up with bad taste, foul breath, backache, rheumatic stiffness, or have a sour, gassy stomach after meals, are urged to get a quarter pound of limestone phosphate from the drug store, and begin practicing internal sanitation. This will cost very little, but is sufficient to make anyone an enthusiast on the subject.
 Remember inside bathing is more important than outside bathing, because the skin pores do not absorb impurities into the blood, causing poor health, while the bowel pores do. Just as soap and hot water cleanses, sweetens and freshens the skin, so hot water and limestone phosphate act on the stomach, liver, kidneys and bowels.

THICK, GLOSSY HAIR FREE FROM DANDRUFF
 Girls! Try it! Hair gets soft, fluffy and beautiful—Get a 25 cent bottle of Danderine.

If you care for heavy hair that glitters with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous, try Danderine. Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff. You can not have nice heavy, healthy hair if you have dandruff. This destructive scurf robs the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots fatten, loosen and die; then the hair falls out fast. Surely get a 25-cent bottle of Knowlton's Danderine from any drug store and just try it.

Catarrhal Deafness Cannot Be Cured
 by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Cure acts thru the blood on the mucous surfaces of the system.
 We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Cure. Circulars free. All Druggists, 75c.

The strawberry bed may be mulched with clean straw to a depth of about four inches. This will prevent freezing and thawing in the spring.
 Celery should be stored in a cool, well ventilated cellar. It is often stored in a cold frame, covered with boards and straw, to prevent freezing.

UNCLE JOHN SEES THE LIGHT.

WHAT DID I TELL YOU, UNCLE JOHN? GOOD GOODS; HEY, WHAT?
 GOLFED IF IT AIN'T YOU DON'T HAVE 'EM. GRIND 'EM UP. I'M PER IT ALL RIGHT.
 AND THE SIZE CHEW DON'T HALF AS BIG AS YOUR OLD ONE. IT TASTES BETTER, AND WILL LAST LONGER.

THE young fellows teach the old ones and the old ones teach the young—that's the way it is with W-B CUT chewing right along. Less chewing for feeble jaws, less chewing for husky jaws—but the big point is satisfaction. Never before has there been so much satisfaction in so little a chew. It's rich tobacco, W-B CUT is. It makes you feel sorry for the fellows who chew so much of the old kind for so little benefit.
