

SPRINGFIELD DROPS FAST GAME TO NEW ULM

Pitching Duel Between Maloney and Davis Favors Latter.

In one of the fastest games ever played here New Ulm defeated Springfield Sunday by a score of 3 to 1. The game proper was played in 1 hour and 38 minutes which is better than league time.

The feature of the game was the excellent pitching done by both pitchers, Davis of New Ulm allowing but two hits and Maloney of Springfield 3. Davis also had it on his opponents in strikeouts, getting 5 of the Springfield men while Maloney only got one on strikes.

Both teams did some good fielding, altho each team had some errors, all of which were hard fielded balls.

Springfield made attempts to score in the first inning when after two out Maloney doubled and took third on a passed ball, but was caught on home, when L. Davis threw to second in an attempt to catch Johnson, the ball however being immediately returned to him.

The first run was scored by Springfield in the fourth, when an error by Lindemann and Forster and a passed ball netted them one run.

New Ulm's attempt at scoring was fruitless until the fifth inning was reached. Then J. Davis after hitting several long fouls received a walk. Lindemann sacrificed him to second. Dahms then fanned but Davis stole third on the last strike. Pfeiffer, up for the first time was deliberately walked. Muesing then came thru with a nice two-bagger after Pfeiffer had stolen second, thus netting two runs,

Schapekahn then singled, scoring Muesing. Becker ended the inning by hitting to second.

After that the Springfield pitcher tightened up and for the rest of the game none of the New Ulm men saw second.

The support given the team at the Fair Grounds by the fans of the city was far from expectations. On account of the damage done to the grounds at the German Park and because of the extra expense incurred by playing there, the management of the baseball team decided to play at the fair grounds. If the fans want to see good games, they have got to support the team to a man or else the expense end cannot be upheld.

Swiss chard, mustard and spinach may be sown now for fall greens.

Manure may be put on the canna and geranium beds as a mulch. This will furnish plant food and also save moisture. It should be about two inches thick.

The Whitney crab is a fine apple for canning. It is also good to eat out of hand. It does not keep very long and soon becomes mealy.

The Florence crab is good and comes into bearing early.

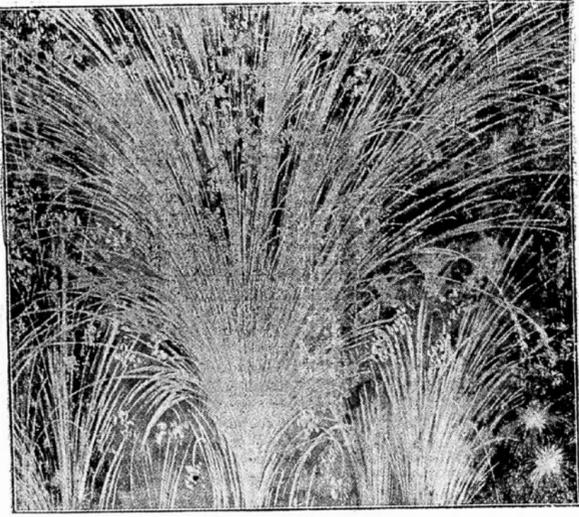

Keep the garden growing by weeding and cultivating. Cultivate even though there are no weeds. It will keep the plants growing better.

OBITUARY

WILLIAM J. JAHNKE.

The death of another old and respected resident of this city occurred shortly before 6 o'clock Monday morning, when William J. Jahnke passed to his final rest. Mr. Jahnke had been seriously ill since about the middle of February last. His illness and death were caused by cancer, and his suffering for the past few months had been intense.

Mr. Jahnke was born January 30, 1851, at Niedarzyn, Province of Posen, Germany. He came with two brothers, Louis and August, to America in 1869, settling at first in Chicago. They met with great hardship and loss in the great fire which swept that city in 1871, and two years later the three came to Brown county, making their home in New Ulm. Mr. Jahnke was married October 23, 1877, to Miss Mathilda Caster, who preceded her husband in death, having passed away November 29, 1915. He engaged in farming for several years in Lafayette township. Becoming discouraged by the grasshopper plague which destroyed his crops year after year, Mr. Jahnke sold his farm and returned with his family to this city, where they have since resided.

Mr. Jahnke is survived by nine children four sons and five daughters, as follows: Miss Martha Jahnke, Mrs. William Backer, Mrs. Adolph Bierbaum, Mrs. Gust Stuebe, Hilding Jahnke and Miss Elda Jahnke. All are of this city, excepting William, who resides at Lester Prairie, where he is engaged in the newspaper business. He is also survived by his two brothers; Louis and August, with whom he came from Germany. They reside at Westbrook, Minn.

The funeral will be held this afternoon from the Lutheran church, and burial will be in the Lutheran cemetery.

MAGDALENA ECKSTEIN.

Following an illness of only four days, Mrs. Magdalena Eckstein, a pioneer resident of Brown county, where she had lived for more than half a century, passed to the great beyond, Monday afternoon, July 30. Old age was the cause of Mrs. Eckstein's death. A week ago today Mrs. Eckstein celebrated her eighty-fourth birthday, and was apparently enjoying as good health as could be expected for one of her advanced age. Only a day later she became ill and failed to recover.

Mrs. Eckstein, whose maiden name was Magdalena Keim, was born in Neuhaeusl, Austria, July 25, 1833, and was married in 1857 to John Eckstein in Austria. They came to America in 1864, settling on a farm in Cottonwood township, where they remained for many years. Her husband died September 9, 1881, and a year later Mrs. Eckstein came to New Ulm to make her home. Five children were born to Mr. and Mrs. Eckstein, three of whom survive, as follows: A. J. Eckstein, Morton; W. T. Eckstein and Geo. C. Eckstein, New Ulm.

They settled on a homestead in the township of Cottonwood, where they remained until 1892, when Mr. Schreyer retired from farming and they removed to New Ulm to pass their declining years. Her husband died July 4, 1899, since which time Mrs. Schreyer has resided with her children, spending most of the time in this city.
