SEARLES CLIPPINGS  
Mrs. Wm. Hughes of New Ulm was  
visiting in Searles the forepart of last  
week.  
The card party given by the Young  
Ladies Sodality of St. John's church  
was very well attended last Sunday  
evening. Prizes were won by the follow-  
ing: Star prize, Robert Strossmann;  
lady's punch, Mrs. John Dauer; gent's  
punch, Geo. Hegler; lady's booty, Henry  
Scheibel; gent's booty, Emil Seifert.  
Miss Mamie Kamm who is a bride-  
to-be was most pleasantly surprised last  
Sunday afternoon, with a "kitchen  
shower", by her many friends. A very  
large number attended from this vicinity  
and New Ulm and the afternoon was  
spent in card playing and various other  
games and amusements at which every-  
body enjoyed themselves immensely.  
Miss Kamm received many useful  
articles. At 5 o'clock a delicious supper  
was served after which everybody went  
home delighted.  
Jos. J. Sperl shipped one carload of  
cattle and hogs and one carload of sheep  
last week for the Farmer's Shipping  
Association.

CAMBRIA.  
Tuesday evening the 23rd, a Liberty  
Bond meeting was held at Woodman  
Hall and was very largely attended.  
Addresses were delivered by Atty. Thos.  
Hughes and Atty. Laurish both of Man-  
kato. Dan W. Harris was the chairman  
of the meeting.  
On the 24th, the Bond collectors made  
a house to house canvass, David C. Price  
and Evan L. Harris going together and  
George Roberts and Dan W. Harris  
going together. The amount loaned  
from Cambria township was \$12,600  
and from Cambria village \$2,500, making  
a total of \$15,100. The largest amount  
subscribed by one person was \$1,500, by  
John F. Jones. The collectors reported  
that they were courteously received by  
everyone and that they heard no un-  
favorable comments.  
Miss Esther Bowen who teaches Dist.  
10 school and Miss Alma Magley who  
teaches Dist. 11, attended the teachers  
institute in Mankato last week.  
Mr. and Mrs. James D. Price motored  
to Lake Crystal last Thursday and at-  
tended the bazaar and supper at Butternut  
Town Hall that evening.  
The members of the Red Cross held  
a meeting at the home of Mrs. Wm. J.  
Evans last Friday afternoon. There was  
an interesting program after which the  
ladies sewed and Mrs. Evans served a  
lunch. The members are considering  
the plan of meeting at private houses  
instead of at the Hall as they think  
that in doing so they may be able to in-  
crease the attendance and the member-  
ship.  
There will be a young peoples Literary  
meeting at the residence of Joe Johnson  
next Friday night.  
Members of the Cemetery association  
are busy preparing for their annual  
bazaar to be held at Woodman Hall.  
Webster Davis was in Chicago recently  
disposing of a car of live stock for the  
Equity.  
Swen Danielson has purchased a  
new tractor to haul tile for ditching.  
This is the second tractor to be used  
in this neighborhood. Webster Davis  
had purchased one some time ago.  
The Misses Esther Evans and Ethel  
Glen delightfully entertained a crowd  
of young people at the home of the former  
at a Halloween party last Saturday night.  
Halloween games were played and in  
the early part of the evening some of  
the young people attired as ghosts and  
witches went out on the street to greet  
their guests. A Halloween luncheon of  
pumpkin pie, etc., was served before the  
young people departed for their homes.  
The Misses Stella and Gwendene Evans  
who teach near Mankato attended the  
Halloween party.  
Henry Nichols and his crew have  
finished threshing for this fall. He re-  
ports a good run and good crops.

TAKES OFF DANDRUFF,  
HAIR STOPS FALLING  
Save your Hair! Get a small bottle  
of Danderine right now—Also  
stops itching scalp.  
Thin, brittle, colorless and scraggy  
hair is mute evidence of a neglected  
scalp; of dandruff—that awful scurf.  
There is nothing so destructive to  
the hair as dandruff. It robs the hair  
of its lustre, its strength and its very  
life; eventually producing a feverish-  
ness and itching of the scalp, which if  
not remedied causes the hair roots to  
shrink, loosen and die—then the hair  
falls out fast. A little Danderine to-  
night—now—any time—will surely save  
your hair.  
Get a small bottle of Knowlton's  
Danderine from any drug store. You  
surely can have beautiful hair and lots  
of it if you will just try a little Dan-  
derine. Save your hair! Try it!

ALONG ROUTE THREE  
Corn husking is the sport indulged  
in by the farmers around here now-a-  
days. All expect to finish up soon. The  
yield is good and the quality is improving  
right along.  
Sunday a week ago occurred the  
wedding of Albert Fisher and Miss Ella  
Ginkel. The ceremony was performed  
at the Fisher home. Otto Fisher and  
Stella Ginkel acted as attendants.  
Sunday evening Frank Unverworn  
celebrated his fiftieth birthday and  
twenty-fifth thresher jubilee. The house  
was filled with neighbors who con-  
gregated to wish him many more years  
of joy.  
Theo. Weier, who has been visiting  
with his parents here recently, is now  
established at Dogden, N. D. having  
bought a business interest in the Stark  
Garage of that place. We wish him  
luck in his new enterprise.  
A. Portner and W. Roesch hav-  
bought a 6 roll shredder and 15 H. P.  
Gas-engine recently and are hard at it  
separating the corn from the straw.

LIFT YOUR CORNS  
OFF WITH FINGERS  
Tells how to loosen a tender corn  
or callus so it lifts out  
without pain.  
You reckless men and women who  
are pecked with corns and who have  
at least once a week invited an awful  
death from lockjaw or blood poison  
are now told by a Cincinnati authority  
to use a drug called freezone, which  
the moment a few drops are applied  
to any corn or callus the soreness is re-  
lieved and soon the entire corn or cal-  
lus, root and all, lifts off with the fin-  
gers.  
Freezone dries the moment it is ap-  
plied, and simply shrivels the corn or cal-  
lus without inflaming or even irritating  
the surrounding tissue or skin. A small  
bottle of freezone will cost very little  
at any of the drug stores, but will posi-  
tively rid one's feet of every hard or  
soft corn or hardened callus. If your  
druggist hasn't any freezone he can get  
it at any wholesale drug house for you.

Future Merchant Prince.  
A shopkeeper recently lent his grand-  
son enough money to purchase a motor-  
cycle. The money was to be paid back  
in installments, the machine to remain  
the property of the grandfather until  
the last payment had been made. One  
day, while out riding, the boy met his  
grandfather and jumped off his motor-  
cycle.  
"Say, grandfather," said the boy,  
"who does this machine belong to?"  
"It belongs to me until you have  
made the last payment. That was the  
agreement, you know. But why do you  
ask?"  
"Well, I just wanted to make sure,"  
remarked the boy, with a grin. "Your  
motorcycle needs a new tire."

COMB SAGE TEA IN  
HAIR TO DARKEN IT  
It's Grandmother's Recipe to  
keep her Looks Dark,  
Glossy, Beautiful.  
The old-time mixture of Sage Tea and  
Sulphur for darkening gray, streaked  
and faded hair is grandmother's recipe,  
and folks are again using it to keep their  
hair a good, even color, which is quite  
sensible, as we are living in an age when  
a youthful appearance is of the greatest  
advantage.  
Nowadays, though, we don't have the  
troublesome task of gathering the sage  
and the mussy mixing at home. All  
drug stores sell the ready-to-use product,  
improved by the addition of other ingre-  
dients, called "Wyeth's Sage and Sulphur  
Compound" for about 50 cents a bottle.  
It is very popular because nobody can  
discover it has been applied. Simply  
moisten your comb or a soft brush with  
it and draw this through your hair, tak-  
ing one small strand at a time; by morn-  
ing the gray hair disappears, but what  
delights the ladies with Wyeth's Sage  
and Sulphur Compound, is that, besides  
beautifully darkening the hair after a  
few applications, it also produces that  
soft lustre and appearance of abundance  
which is so attractive. This ready-to-use  
preparation is a delightful toilet requisite  
for those who desire a more youthful ap-  
pearance. It is not intended for the cure,  
mitigation or prevention of disease.

Hopes Women Will  
Adopt This Habit  
As Well As Men  
Glass of hot water each morn-  
ing helps us look and feel  
clean, sweet, fresh.  
Happy, bright, alert—vigorous and  
vivacious—a good clear skin; a nat-  
ural, rosy complexion and freedom  
from illness are assured only by  
clean, healthy blood. If only every  
woman and likewise every man could  
realize the wonders of the morning  
inside bath, what a gratifying change  
would take place.  
Instead of the thousands of sickly,  
anaemic-looking men, women and  
girls with pasty or muddy complex-  
ions; instead of the multitudes of  
"nerve wrecks," "rundowns," "brain  
fags" and pessimists we should see a  
virile, optimistic throng of rosy-  
cheeked people everywhere.  
An inside bath is had by drinking,  
each morning before breakfast, a  
glass of real hot water with a tea-  
spoonful of limestone phosphate in it  
to wash from the stomach, liver, kid-  
neys and ten yards of bowels the pre-  
vious day's indigestible waste, sour  
fermentations and poisons, thus  
cleansing, sweetening and freshening  
the entire alimentary canal before  
putting more food into the stomach.  
Those subject to sick headache, bil-  
iousness, nasty breath, rheumatism,  
colds; and particularly those who have  
a pallid, sallow complexion and who  
are constipated very often, are  
urged to obtain a quarter pound of  
limestone phosphate at the drug store  
which will cost but a trifle but is  
sufficient to demonstrate the quick  
and remarkable change in both health  
and appearance awaiting those who  
practice internal sanitation. We must  
remember that inside cleanliness is  
more important than outside, be-  
cause the skin does not absorb impu-  
rities to contaminate the blood, while  
the pores in the thirty feet of bowels
