LECTURE AT HIGH SCHOOL

Miss Creelman, of Minneapolis, who sent out from the state to lecture on public health questions will deliver a lecture in the High School Auditorium at a date to be announced later.

PLANS FOR MEMORIAL DAY

Committee in charge of the Red Cross plans, which are to play such an important part in the observance of Memorial Day in New Ulm this week, are without exception, optimistic in their reports of the progress being made in the arrangements. Interest is keen throughout the entire neighborhood, every section of the New Ulm Chapter jurisdiction having promised representatives, and a crowd rivalling that of last Saturday is confidently looked for if the weather is anything like favorable.

Features of the Parade

The parade, which is to form at the monument grounds on Center Street, at nine o'clock, will not only be unique in character but a record breaker as to size. In addition to the Grand Army Veterans, who will have the post of honor in the procession, the long column of participants will include the Hecker Circle ladies, the speakers, members of the City Council and County officials, all in decorated automobiles, several bands, Spanish-American and Mexican War Veterans, Civic Societies in great number, the Fire Department with its equipment, and Burg's Battery.

Parents of Enlisted Men

Other interesting features, aside from the Red Cross section, will embrace the parents of enlisted men from New Ulm, Hanska, Linden, Albin, Lake Hanska, Milford, Cottonwood, Sigel and the towns in western Nicollet County. Prof. Hein's Turner gymnasium classes and the local Knights Templar, appearing in public parade in uniform for the first time in the history of the organization.

The Red Cross division will include the societies of New Ulm, Hanska, Linden, Milford and Albin, the Junior Red Cross organizations of all the schools of the city and many special groups and units illustrative of the spirit and work of the great agency of mercy and helpfulness to which the day is to be dedicated.

Every individual and every organization in the Chapter's jurisdiction is being urged to contribute in some way to the success of the great demonstration.

Auction Sale Plans

The public Red Cross sale in the afternoon will be held at Turner Hall Park and will be in charge of those pastmasters in the art of auctioneering, Schueller, Dorn and Christensen. Hofmeister's Band will furnish music and Chairman Johnson of the Red Cross Chapter will deliver a brief address.

To accommodate the hundreds of visitors who are expected to be in the city, the Ladies' Aid Society of the Union Hospital will serve meals in the Turner Hall gymnasium, while throughout the day the Red Cross ladies will sell articles of home cooking in the vacant building next to Pfeiffer's drug store, on Minnesota Street.

Auction Returns Must Be Great

All of the proceeds of the auction are to go to the support of the local chapter and its various branches, a fact which, coupled with the liberality of the people in donating articles to be put up for sale, gives promise of lively interest in the bidding. Other towns in the vicinity have realized from \$5,000 to \$7,000 in similar ventures. It shouldn't be difficult to guess what New Ulm will do.

SPLENDID CONCERT DELIGHTS PEOPLE

ZUHRAH SHRINERS TREAT NEW ULM RESIDENTS TO FEAST OF MUSIC

EVENING CONCERT ATTRACTS A CROWD OF A THOUSAND AUDITORS

Altho Sunday was rather cold and dismal as to weather, the Zuhrah Shriners band from Minneapolis found no lack of a welcome awaiting them when they arrived in the afternoon. The local Shriners had gone to Mankato by auto to meet the band members and a number of the Mankato Shriners also accompanied the musicians and furnished part of the autos to bring them here.

Part of Local Order

There are twenty-seven members in New Ulm of the Zuhrah Shrine and in that way the band which was here belongs partly to New Ulm also. The chief object of the trip made by the band was to stir up enthusiasm for the Shrine and to encourage members of the Commandery to become Shriners. They gave a concert in Mankato Saturday with the same object in view.

Forethought Proves Wise

Local Shriners felt that Turner Hall Park would be the ideal place to give the concert since it would give the visitors a chance to view the various public buildings of the city to greater advantage than if the concert were given in German Park. Another consideration was the weather and the forethought proved wise since the weather was too cool for an open air concert in the evening and the crowd of more than a thousand people who wanted to hear the evening concert found it very comfortable to enjoy the hospitality of the Hall. "Stand-

ing room only" was the situation by the time the band had fairly started on their opening number, and still they came.

Nearly Hundred Visitors

The afternoon concert also drew a fair crowd and every one voted the band excellent. Following the music the visitors were taken for a drive about the city and again in the evening they were entertained after the close of the concert with a lunch which was spread for them in the lounging room of Turner Hall. They left Tuesday morning on the early train for Mankato where they had their special car to return to Minneapolis. There were some sixty-odd Shriners here from Minneapolis in addition to those who came from Mankato, Springfield and Sleepy Eye.

MORE THAN ENUF GARNERED.

Reports from the Red Cross drive for this District altho not complete, indicate that the quota was fully subscribed and this seems to be the general situation all over the country.

Reports Still Lacking

New Ulm's quota was \$5,000 and at the present time \$5,200 has been reported. A number of sections of the outlying districts have not yet sent in their full reports but most of them have reported the major part of their subscriptions. Milford is the only one whose report at the present time is altogether incomplete. Only two districts from that town have reported and the amount they have turned over is \$160. This is only a small part of what the town is expected to furnish.

The other towns in the district and the amounts they have so far reported are as follows:

New Ulm	\$5,200
Linden	\$1,030
Lake Hanska	\$1,123
Albin	600 plus
Cottonwood	656 plus
Sigel	500

The local post office will be closed all day Memorial Day with the exception of one hour between 8 and 9 o'clock when the Carriers' and the General Delivery windows will be open. No deliveries, either city or rural will be made.

SUGGESTIONS FOR PRESERVING FOODS

CEREAL SUBSTITUTES LIKELY TO BECOME INFESTED WITH WORMS

SAVE THEM BY HEATING THE MEAL AS SOON AS IT IS PURCHASED

Heating of sacked cereals to prevent the cereals from becoming infested with insects, causing a serious waste of food and serious trouble to the housewife to rid her house of pests, is a precaution urged by the state food administration. The heating should be done immediately after the arrival of the cereals from the store. The cereals which are being used as substitutes for wheat flour are very attractive to certain insects, especially during the warm weather.

Buy Substitutes With Care

Royal N. Chapman of the University of Minnesota, makes these suggestions: Buy small quantities of wheat flour substitutes which can be used without storage; insist on fresh clean cereals, and be sure that package cereals are tightly sealed, are not broken, and contain no holes. Before you store them, heat the sacked cereals in the oven.

Control Heat Quantity.

The heating is done by placing the cereal in a dripping pan not more than two inches deep, placing the pan on the upper grate of the oven. A heat-testing wax, which melts down at 185 degrees F. can be secured from the grocer and five cents supplies enough wax for 20 tests. Heat the cereal until the testing wax melts, and leave in the oven 45 minutes after it melts. If the heating is done in a coal or wood stove the oven should be opened after the wax melts. If a gas, gasoline or kerosene stove is

used, turn out the fire and leave the oven door closed during the 45 minutes.

ARMORY BOARD APPOINTED

Phil Liesch, H. L. Beecher and Joseph M. Arbes were last week appointed as the New Ulm Armory Board by Adjutant General Rhinow. Adolph Klause who has been custodian of the Armory for some months will be retained but in the future he will perform his duties under the direction of the local board.

CONTESTS DEVELOP AT LAST MINUTE

LATE FILINGS INDICATE NEW CANDIDATES FOR SEVERAL OFFICES.

ALL OF PRESENT INCUMBENTS EXPRESS DESIRE TO BE REELECTED.

Yesterday was the last day for filing for nomination for the different county offices. In a great many counties there has been a spirited contest going on for the majority of the county offices but in this county very little has been stirring in a political way up to the present time. There was a contest on only for the office of representative for which John Ahrens, Louis Spelbrink and Anton S. Dorn have filed and for the office of Register of Deeds for which Fred Christiansen, Ed McGowan and H. C. Peterson are in the race. There is also quite a contest on in the Second Commissioner's District where Christ Roland, the present incumbent, of Lake Hanska, Clement Halverson of the town of Linden and John S. Aspelund of Albin are in the race.

Present Incumbents File

All of the present incumbents for office filed May 15 as follows: County Auditor, Louis G. Vogel; County Treasurer, Henry J. Berg, Register of Deeds, Fred Christiansen; Clerk of Court, Carl P. Manderfeld; Judge of Probate, Wm. B. Mather; County Attorney, Adolph Fredrickson; Sheriff, W. J. Julius; County Superintendent, R. B. Kennedy; Coroner, George F. Reineke; Surveyor, F. D. Minium.

Opposition for Vogel.

Yesterday (Tuesday morning) County Auditor Vogel found opposition in the person of Chas. N. Robertson, the present District Engineer who filed for this office. There are rumors current that there are candidates being groomed for the office of Clerk of Court and also for Judge of Probate. At the time of going to press, however, no other \$10.00 bills had been left with the County Auditor as filing fees.

RED CROSS FOOD SALE

The Red Cross ladies are preparing for a sale of home baking Decoration Day which will be held in the building formerly occupied by the Rawson Variety Store. All sorts of home made cakes, cookies and pies and other good things to eat will be on sale to help swell the \$100,000,000 fund.

RED CROSS CONCERT AT ARMORY

- As previously announced in last week's Review, Prof. Reuter is preparing the college and St. Paul's choir to give a concert for the benefit of the Red Cross at the Armory, next Tuesday evening, June 4th. Hofmeister's band will also assist in the program which is as follows:
1. Overture "William Tell".....G. Rossini
 2. America (to be sung by the assembly)
 3. How Lovely are the Messengers..... Mendelssohn
 4. The Last Hope, Meditation..... L. M. Gottschalk
 5. Es waren Hirten auf dem Felde..... F. Reuter
 6. Jubel-Overture, Duet for 2 pianos, 8 hands.....C. M. Weber (At the end: My country, 'tis of Thee)
 7. See the Sun in Splendor Shining..... A. Zedler
 8. Motherland.....E. Johnston
 9. a) Greenwood Song } H. Sattler
b) Im Frühling } F. Reuter
 10. America, A national Anthem (New!)..... F. Reuter
 11. Jauchzet dem Herrn, alle Welt (mit Kinderchor).....F. Reuter
 12. a. Spirit of America, March J. Haszel
b) Star-Spangled Banner.....S. Arnold

A large audience attended the concert given at St. Paul's Lutheran Church Sunday evening by the choir of the church and college and the children of the parochial school. The music for the occasion was composed by Prof. Reuter. The program consisted of several cantatas.

LAST CONTINGENT ARRIVES AT CAMP

BOYS WHO LEFT HERE SATURDAY EXPECT TO BE IN CAMP LEWIS TODAY

GREAT DEMONSTRATION SENDS THEM ON THEIR WAY WITH GOOD WISHES

When the ninety men called to the service last Saturday left New Ulm over the M. & St. L. at noon they were escorted to the station by the greatest assembly of friends who have yet attended the drafted forces. The number leaving here was the largest yet drawn from Brown County and that accounted partly for the big demonstration and besides the fact that they left on Saturday also had something to do with it as a great many from the outlying districts found it convenient to come to town at that time and thus helped to swell the crowd. People from the west end turned out in great numbers, Sleepy Eye, the Home Boosters, Eden, Leavenworth and Stark farmers' clubs and the East Side progressive clubs furnishing bands and Red Cross contingents.

West End Clubs Splendid

The parade took nearly half an hour to pass a given point and the last end of it had hardly reached the station before the train pulled out. First North Street from Minnesota to the station was one seething mass of humanity, all anxious to get a last word with the boys before they left. The various West End clubs were in uniform and made a very good appearance. They were also accompanied by the ladies who belonged to the Red Cross units in their sections of the county, some of them in uniform, all of them carrying flags. The Sleepy Eye delegation was headed by Alonzo Pickle as flag bearer, the only survivor in this section of the county of the First Minnesota Regiment which took part in the battle of Gettysburg.

The band from the East End of town was out with a full complement of citizens and escorted their men gallantly to the front. Essig also was well represented and took an active part in the days doings.

Red Cross Takes Active Part

The parade formed at the Armory after the men had been given their early dinners at the various hotels and proceeded down Broadway to Second South Street, turning there to Minnesota and marching north on Minnesota to Third North, then to German and south again on German to First North Street to the station. The boys were given their Red Cross kits by the ladies before leaving the Armory. The local Red Cross members marched in uniform following the citizens in the parade.

Boys Reach Camp Today

These men will be at Camp Lewis at American Lake, Washington, ten miles south of Tacoma by the time the Review reaches its readers this week. They were scheduled to leave the Twin Cities Saturday evening and expected to make the trip in three days and arrive Tuesday night. It is hardly probable that the long trip could be accomplished so quickly but they would probably arrive some time during the night. Towns along the route were preparing to give the boys the glad hand as they went thru and the trip was certainly a fine one for many who have never been West before and all of the boys were united in rejoicing that they were not to be sent to Camp Dodge, but would be given a chance to "see America first" before leaving for France.

FORT RIDGELY CELEBRATION

Memorial Day services were held at Fort Ridgely, Sunday, May 26th, and there was a large attendance from the surrounding country. From here there were strong delegations of the Hecker Post and Hecker Circle. It is estimated that over 500 cars were parked on the grounds.

The speakers were Governor J. A. A. Burnquist, State Auditor A. O. Preus, Hon. Frank Clague, candidate for judge of District Court of the 9th Judicial District, Senator Henry N. Benson of St. Peter, Senator L. E. Potter of Springfield and Representative John L. Boock of Gibbon. According to reports received from those attending from here, the Memorial Day part of the program was shoved into the background and it really developed into a political meeting, the different candidates taking occasion to pass the usual bouquets of political gatherings. The speech-making lasted nearly three hours.
