

WHY SAFE?

There are two reasons why our Mortgage Certificates are safe.

FIRST, because all money received on same is invested in First Farm Mortgages.

SECOND, because they are issued under rigid State regulations.

Come in and see us about them.

STYLE QUALITY DISTINCTION

CLOTHES FOR MEN AND YOUNGER MEN

Our greatest asset—our reputation,—is dependent on the style and quality of the merchandise we handle.

We merely sell a garment—the manufacturer behind the garment is responsible for its fashion and durability.

Logically then, it is to our best interests to select the merchandise manufactured by the most reputable house.

We have done this in Our Clothes.

Our Clothes are everywhere conceded the style forerunners in younger men's attire.

Exclusive in design—

—Of the finest material obtainable—

—Clothes that are distinctively different with no suggestion of the "freakish".

The present clothes situation is unusual—without precedent in the lifetime of most of us. Face it with the intelligent belief that clothes that have stood the test of years will not fail you now.

Our Clothes stand pre-eminent as faultless quality clothes for well dressed younger men—the real economy clothes under present conditions.

We invite your inspection of our wide selection of latest models.
