Buenger of Sleepy Eye, were all present for the occasion, besides the many local relatives. A birthday dinner was served at the F. J. Backer home.

Cheerful Charlie says. "The colors in the new Fall furnishings have gone the limit in artistic camouflage. And certainly in our 20 years of experience in this "necessary industry" we have never been able to gather a more beautiful assortment of neckwear, shirts, handkerchiefs and socks. Good taste withal. In underwear comfort is the keynote. Your size and the fabric you fancy are here. New arrivals. More Fall Suits and some overcoats. Come in.

You'll Get Wet

Don't wait until it begins to sprinkle before laying up money for a rainy day. You'll get wet sure.

The "rainy day", the day of adversity, the day of trouble and misfortune, comes to every one of us sometime. If yours hasn't arrived yet, consider yourself lucky, but it will come. Be prepared. Start a bank account at our bank now while the outlook is good. Don't put it off till trouble comes. We will help you in every way we can, but for your own good we would rather help you start a bank account than to make you a loan.

FALL WORK

How are your plows and other machineries in condition for doing your fall work? If you have broken parts bring them to us and we will weld them, making them as good as new in our first class repair shop.

Come and see us about the Moline tractor.
