AMERICAN THEATRE

"The Turn In The Road."

Who and what is God? Does he visit upon man afflictions as well as blessings? Paul Perry's faith in the orthodox God was blasted when his young wife died, and he went in search of the True God and sank to the depths of degradation. How his own child led him into the light of Truth is told in a drama of pathos and humor, thrills and climaxes that stir the deepest emotions.

A beautiful story of the power of love over hate, and the simple faith of a child that overcame Fear and Unbelief.

What you will see in "The Turn of the Road."

A Child Playing with Wasps.

A Realistic Storm with Death on Watch.

A Bride of a Year Telling Her Husband the Secret.

A Money-Mad Tyrant at the Mercy of His Victims.

Little Ben Alexander and His Gang of Educated Pups.

How a Child Saved a Capitalist from Death at the Hands of Desperate Strikers.
