**HEAVY MEAT EATERS HAVE SLOW KIDNEYS**

Eat less meat if you feel Backachy or have bladder trouble—Take glass of Salts.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which excites the kidneys, they become overworked from the strain, get sluggish and fail to filter the waste and poisons from the blood, then we get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, dizziness, sleeplessness and urinary disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, stop eating meat and get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast and in a few days your kidneys will act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate the kidneys, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder weakness.

Jad Salts is inexpensive and cannot injure, makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active and the blood pure, thereby avoiding serious kidney complications.

Twenty-five cans of sunfish and crappies, 10 cans of black bass, and 18 cans of pike have been placed in Lake Emily. Aside from this he has seined a number of pot holes, filled with fish which got into them during high water. In this manner he has secured a large number of pike and small mouth bass which he also placed in Lake Emily. Eighteen cans of brook trout were also placed in Seven Mile Creek. 17 cans of stub bass in Spring Lake and 8 cans of sunfish, perch and carfish in Swan Lake. **A Self-Made Girl.**

Miss Amy Ellerman, the famous contralto who will appear at a concert here next week, is noted among her many friends and admirers as the "self-made girl." She is thoroughly typical of the great Mid-West and all who know her say it is impossible not to fall in love with her at sight. Her remarkable character is as winning as her fine voice.

Born and reared on her father's ranch near Yankton, S. D., at three years old she was so completely at home on the back of a horse she would ask to be put on the wildest bronchos and would outgallop her father in rounding up the herds.

Before she had reached her teens she could cast a lariat and throw a steer as intrepidly and neatly as the best of the cowboys. She could also be as quick with a pistol and deadly with a rifle as the coolest and oldest hand.

Her unusual independence of character became evident equally early. She always preferred boy's clothing and dressed as a girl only at home in the evening or when visiting. Rather than accept "pin money" without earning it she obtained all the money she needed by following the huskers during harvest and selling

her gleanings to her father at so much a bushel.

One of her greatest pleasures now, outside of her music, is to return for a vacation to the old ranch life and, dressed as a man, put in a spell at broncho busting or, with big hip boots on, go duck hunting.

The Fleming Sisters Trio appear jointly with Miss Amy Ellerman at the concert in the New Ulm Armory Friday, Dec. 5.

"The Little Princesses of the Navy" are the Fleming Sister Trio, according to the gobs who visited New York harbor, or were stationed thereabouts.

During the war the Sister played on every battleship, cruiser and gunboat that entered the port. They appear Friday evening, Dec. 5, in a joint recital with Miss Amy Ellerman at the Armory.

The Gabriel Gebhard family of Milford township has removed to New Ulm and has taken possession of the residence on North State street, recently vacated by the John Franta family, and which Mr. Gebhard purchased of Jos. Tastel several months ago.

Roman Penkert was fined \$2.00 and \$4.05 costs in Justice Geo. Hogen's court recently, for riding on the sidewalk with his bicycle.

The old Lars Peterson farm in New Sweden township was sold last week to Ole Peterson of Minneapolis. The consideration was \$160 per acre.

Mr. and Mrs. Nick. Nenno of Clinton, Iowa, are visiting at the home of their son, Albert, in this city. The latter's wife is recovering from the effects of a serious operation performed upon her at a local hospital several weeks ago. Mr. Nenno submitted to an appendicitis operation some time ago.

Philip Filzen has purchased the livery stable on South Minnesota street, conducted by Dr. J. P. Graff for the past sixteen years. The new owner has already taken possession. Dr. Graff intends to devote his entire attention to his garage business on First South street.

The card party given at the St. George hall by the Altar Society of the Catholic church there, Sunday evening, was largely attended and proved a good social success. Prizes were awarded as follows: Star, Miss Elsie Brown; ladies' punch, Miss Veronica Hostetka; ladies' low, Roman Franta; gents' punch, Jos. Matsch, and gents' low, John Liehl. A delicious lunch was served and the event was greatly enjoyed by all those present.

**HOLIDAY OPENING**

**FRIDAY and SATURDAY, NOV. 28 and 29**

On Friday Morning at 9 O'clock the Doors to Toyland Swing Open And You Are Invited to Come And Take a Peep at Fairyland

Our whole force has worked to full capacity for over two months to make your visit to this store on Friday and Saturday one of the most interesting experiences of your life.

For over nine months we have been busy placing orders here, there and everywhere for Holiday goods; and for the past two months they have been coming in a steady stream from the work shops of America, Europe and the Orient

It surely is a wonderful array of the Toymakers Art. To us it seems like a dream that we have been able to gather together so many different kinds of beautiful articles.

It has been a long hard job but now they are here for your inspection and we are sure you will be delighted with the many beautiful articles suitable for gifts for father, mother, wife, husband, sister, brother and the baby.

It is no use for us to attempt to mention each article and describe it for it is impossible to do each justice so the best thing you can do is to come and see them.

This year we all feel more like having a real old fashioned Christmas.

Our Soldier Boys are home again, so let us celebrate Christmas in the good old fashioned way with gifts and good cheer. We have lots of gifts suitable for Our Boys.

For the past several years you have been asked to do your Christmas shopping early but it really was not necessary to shop early for stocks could be readily filled in any time. But this year when you see something you want you had better buy it then and there for the next minute it may be gone and no more to be had on the market at any price.

We have a large stock of Holiday goods but we do not think it will be sufficient to last until the end of the season. So do your Christmas shopping early.

On the two opening days the store is liable to be crowded so we respectfully ask that children be accompanied by one of their parents or an older person. We ask this for the protection of the little folks. Parents should bring their little folks along to see our display as it will be a delight for the little folks to see it. Each little tot will be presented with a Santa Claus pin on the two opening days.

Do your Christmas shopping early this year. Do it in the morning before the crowds come. You can't take more time to decide. And we can give you better service.

Meet your Friends Friday and Saturday at
