Miss Rose Beetle has returned to her home here, following a several days' visit with her friends, Miss Rose Sherman, at Sleepy Eye. The latter accompanied Miss Beetle to New Ulm upon her return.

Mrs. Otto Schneider arranged a surprise party for her husband, last Sunday evening. The occasion was an advance celebration of the latter's birthday anniversary. A fine supper was enjoyed by those present and card playing and music formed another part of the entertainment.

Mr. and Mrs. W. G. Alwin were surprised by a group of friends last Saturday evening. The occasion was the china wedding anniversary of the Alwins and about 15 persons were present. The jubilarians were presented with a fine breakfast set. Lunch was served and the evening was very much enjoyed by all.

At the weekly Skat tournament at Turner Hall last Monday, first prize was won by Henry Ahrens, with 24 net games. Wm. A. Pfeffler took second, with 760 net points and Geo. Liesch third, with a club solo against four matadores. A feature of the evening was the unusually high record of Henry Ahrens. He was entitled to all three prizes if it was not for the rule of the organization that a player shall not receive more than one prize. He had 896 points in his favor and won a club solo against six matadores.

Have a Health Heated Home This Winter

Modernize the Old Home—Make the Change in a Day
No Pipes to Run—No Cutting or Marring

There is an interesting story back of this sale — the Donald B. Howard Heater Co., of Des Moines, Iowa, has succeeded, the Wrot Iron Heater Co., and is celebrating the event by allotting to selected dealers one carload each of Life-Savers for a special demonstration of their advertising and sales plan. The Howard Company has the most modern boiler riveted furnace factory in the world and is shipping over 200 furnaces a week — an enormous output, proving the popularity of Wrot Iron resign and construction. Donald B. Howard is the originator of Wrot Iron ideas of Health Heat and continues the active management of the company, with greatly enlarged capital and factory facilities.

Thousands of pipeless heaters are in satisfactory use.

Remember you can leave up the old Base burner until the Life Saver is installed as all the work is in the basement.

See us immediately — only 40 houses can benefit — they will probably be gone before another week. Come now, while the factory expert is here to demonstrate these modern heaters and answer every question you care to ask. Enjoy a health heated home this winter — don't roast, freeze and wade snow-drifts with stoves another season.
