

VIVIAN MARTIN in "His Official Fiancee"
A Paramount Picture

Their make-believe engagement went very well until others took it seriously. Then things began to happen. And when she ran away, and another man and another pretty woman took a hand, the affair got so muddled that—well, they thought they'd better call the parson after all. One of Vivian Martin's most delightfully appealing pictures. A splendid cast, too. You'll be mighty glad you came.

BIG FIRE IN SIGEL.

Chief Engel's Blacksmith Shop Totally Destroyed.

The workshop and blacksmith shop of Chief Otto Engel in Sigel Township, on the old Christ Engel farm, was totally destroyed by fire Saturday afternoon. The same had been built new last sum-

mer and served many of the farmers in Sigel township who together with Mr. Engel feel the loss very much. No insurance was carried except on the tools. Only the timely arrival of many of the neighbors saved the other buildings on the farm from destruction as a high wind was blowing at the time.

Grant Bridge Requests.

A petition signed by 83 voters of the county requesting the Board to issue the necessary bonds to provide for the payment of the costs and expenses of constructing a good substantial bridge across the Big Cottonwood river near the old Iberia crossing in the Town of Stark was granted by the commissioners. A similar petition for the building of a bridge across the Big Cottonwood river at the crossing known as the Burns Crossing in the Town of Burnstown was also granted.

Dangerous Crossing.

C. N. Robertson, assistant engineer, was instructed to notify the Railroad and Warehouse Commission that there is a dangerous railroad crossing on State Rural Road No. 54 in the City of Sleepy Eye and that some action should be taken by said Commission for the safety of the public. Mr. Robertson also was instructed to prepare plans and specifications to widen the bridge across Judicial Ditch No. 1, Brown and Redwood, which is located west of Sleepy Eye on State Rural Road No. 54, and also to widen the bridge at the outlet of County Ditch No. 4 which is located east of Sleepy Eye on the same rural highway, to 24 feet, with railings on both bridges, and submit them to the Board at their next meeting.

The Springfield Free Press was designated as the official county organ.

Commissioners Johnson and Palmer were appointed as delegates to represent Brown County at the Minnesota Farm Bureau Conference which is to be held at St. Paul, January 27 to 31. Chas. Stolz of New Ulm, Theo. Thormodson of Linden and Fred. Prahl of Mulligan were appointed as delegates to the Minnesota Tax Conference which is being held in Minneapolis, January 21 and 22.

ALONG ROUTE THREE.

Henry Diepolder recently had a Western Electric farm lighting plant installed.

Mr. and Mrs. Fred. Reuter and Mr. and Mrs. Frank Weier recently visited at the John Ries home. Henry Weier and the latter also at the Alf. Schmaus home.

Anton Meidl is busy hauling material for a new hog barn. As near as we can learn, it will have the windows in the roof.

Fred Meyer recently hauled concrete blocks from Courtland for a new barn. This material is the product of the Judson Concrete Co., and was shipped by rail from there to Courtland.

Anyone in the market for hogs should get the Jos. Schiller type. They increase while enroute to market, as witness the following brief narrative. Herbert Meidl, who is working for Mr. Schiller, took a load of the latter's porkers to town the other day, and when he arrived there found that the number had increased by one—at least there was one more than he thought he had loaded onto the sleigh.

Talk about surprises! Well, Jos. Meidl and Miss Susie Wild surely did "put one over on us." It rivals the speed of our Doughboys in France.

Miss Anna Weier is visiting at the Alfred Schmaus and Henry Weier homes. She expects to extend her stay for two weeks or so.

Mr. and Mrs. Peter Preisinger were guests of the John Ries and Jos. Traurig families recently.

Henry Roth is hauling building material and says that if he is able to get enough of it home, he will build a new hog barn. Last summer he placed new stanchions in his barn.

Mrs. Eugene E. English and son, Eugene from Springfield are visiting a few days with Mr. and Mrs. F. E. English.

WORKING MEN MEET AND TALK POLITICS.

Preliminary Gathering Was Held at Turner Hall, Sunday Afternoon—Future Plans.

About fifty local workingmen and their friends and supporters gathered at the lecture room at Turner Hall, Sunday afternoon, to discuss the political situation in Minnesota, with a view to organizing a large branch of the new Working Peoples' Nonpartisan League in this city. Considerable interest was manifested and the brief addresses held by a few of those present were listened to attentively.

Among the more important matters to be discussed was the formation of a local branch of the league, and it is anticipated that a membership of several hundred can be secured. A meeting for this purpose will be held at Turner Hall in the near future, the date to be announced in due time in the columns of the Review.

Membership in the Working Peoples' Nonpartisan League is not confined to Union workers, but all working people—men and women—who have tired of the maladministrations of the old parties and the chicanery of the shrewd professional politicians are eligible to membership. This also applies to professional and business men who have become disgusted with the past political performances in Minnesota, and who are friendly toward the working people.

At the meeting Sunday afternoon, seven new members were taken into the party, and it is proposed to inaugurate an intensive and aggressive campaign for new members from now until the next meeting. The annual dues are only \$3.00, whereas, if a Union joins the party as a whole, the dues are only 25 cents per Union member.

O. R. Dingler was chairman of the meeting and Martin L. F. Eyrich was chosen temporary secretary. Permanent officers are to be elected at the next meeting.

Inasmuch as the women will have an

opportunity to exercise their suffrage at the next election, it is hoped that those of them who are in sympathy with the working people in their political fight against the plunderbund and the professional politicians in general, will attend the next meeting and take an active part in the discussions. Everybody is welcome to attend and express their opinions.

Herman Hein, Dr. Kurt Bell and Frank Niemann represented the local Turn Verein at the District Turntag held at St. Paul on Sunday. They returned to this city on Monday.
