The Terrors of War

War hasn't changed for the better. It is still what Sherman said it was—and more.

We have all been sickened with the horrors of it all, the death, destruction, despoilation, all the careful conservation of years of peace gone in a few brief months. But the war is over. It is time for reconstruction, a time to save, to build up again. Our bank stands ready to do its share in this work. Can we be of service to you in any way? We want our bank to be YOUR bank.

"Special Notice!"

To Our Friends and Customers:—

Our buyers left on Monday January 19th for Chicago, where they will be all week attending the "R. C. U. SEMI-ANNUAL BUYING CONVENTION" and will now buy Spring and Summer merchandise.

We are members of a buying organization, known as the RETAILERS COMMERCIAL UNION, having a membership of 800 merchants, conceded the largest of its kind in America. Just think of it—800 merchants buying together, think of the immense buying power. Belonging to this great organization, affords us great advantage in buying, because we meet the Manufacturers and purchase our merchandise DIRECT from them, and are in a position to select the earliest productions on the market at the lowest possible prices.

At these Conventions we see new goods exhibited by the manufacturer when first manufactured; therefore our store is always in position to offer EARLY SHOWINGS—bought right and priced right.

We will welcome your early inspection of our SPRING SHOWINGS, come to our store and examine the latest styles at the lowest prices.

Sincerely Yours

CRONE BROS.
