

COUNTY SEAT CONTEST.

A county seat contest is on the boards in Carver county, a movement having been inaugurated, favoring removal of the county seat from Chaska to Waconia, which is the geographical center of the county. One of the principal arguments put forth by those favoring removal is that the county is sorely in need of new buildings and that Waconia has a modern and adequate municipal building to temporarily house the county officials until building material decreases sufficiently to warrant the erection of the necessary county buildings. Petitions, addressed to the county board with the request that the question of removal of the county seat from Chaska to Waconia be submitted to the voters at a special election, will be circulated between April 19 and 30. No election can be held unless signers equal to 60 per cent of those voting at the last general election join in the request for a special balloting.

Walter Grueber of Minneapolis was a business visitor here a few days recently.

STATE-OWNED MILL MAKES UNION FOUR.

Bismarck, N. D.—Union made flour is now being turned out by the small state-owned mill at Drake, as the result of an agreement entered into last week by the industrial commission with the International Union of Four and Cereal Mill Employers through International Organizer John Chubbick. According to Mr. Chubbick the state's mill is the only one in North Dakota permitted to use the union label on its sacks. While unions are organized in a number of towns throughout the state the employers have not recognized the union. Union men are being urged to purchase union made flour, says Mr. Chubbick.

The agreement entered into with the industrial commission is the result of an invitation extended to the State Federation of Labor last fall by the commission to unionize the Drake mill. A wage scale, the eight hour day and other conditions of labor are covered by the agreement.

OBITUARY.

MRS. JOS. HEGLER.

Mrs. Jos. Hegler, nee Dorothea Schneider, died at her home on North Spring street last Wednesday morning at 4 o'clock. She had been troubled with heart disease for the past three years suffering several attacks during this period. The last attack occurred about a week ago, but she was able to rally again until last Wednesday's fatal attack made an end to her worldly career.

The deceased was born at Herltheim, Bavaria, Germany, July 19, 1848, and she was almost 72 years old at the time of her death. She was married to her late husband in Germany, and their union was blessed with ten children, of whom eight are still living. They came to America about 35 years ago and settled at Buffalo Grove, Illinois. Ten years later they came to Cottonwood township in this county and later lived for about seven years in Sigel township. Thirteen years ago the deceased came to New Ulm where she remained until she died.

The surviving children are: Martin, whose whereabouts are unknown; Mrs. Eva Lemke, Chicago; George, Searles; Valentine, Springfield; Mrs. Rosa Kappelmann, New Ulm; Mike, Cottonwood township; Albert, Linden township; and Clarence, at home. Besides, there are two surviving brothers, who live in Germany, and eight grand children.

Funeral services were held at the Catholic church on Friday morning at 9:30 and interment was made at the Catholic cemetery. Mrs. Hegler was a member of the Christian mother society.

MRS. ELIZABETH FEHLHABER.

Mrs. Elizabeth Fehlhaber nee Weigert, passed away at the farm home of her nephew, Tobias Riedl, in the town of Milford, Sunday morning early, at four o'clock. Death came as a relief, after a protracted illness, from which there was no hope of recovery.

Deceased was born in Khenish Palatinate, Germany, in 1853 and came to America about 40 years ago. After

remaining in New York for a short time, she removed to Minnesota and Brown county has since been her home. She was twice married. Some years after the death of her first husband, a Mr. Schultz, she became the wife of her surviving husband, Fred. Fehlhaber, in May, 1905. Their union was childless. Aside from her husband, deceased leaves a sister, residing in Northfield, to mourn her demise.

Funeral services were conducted at Forster's undertaking parlors, yesterday afternoon at 2:30 o'clock, interment being in the City cemetery. Rev. G. Mayer of the Ev. Frefdens church officiated.

ENJOY ANNUAL SOCIAL.

The annual social afternoon of the Union Hospital Aid Society was held at Turner hall, Monday afternoon at 2 o'clock. A large number of members and their friends took part in the affair which was held in the Dutch room. A program of musical numbers and readings had been prepared, which was greatly enjoyed by all. Mrs. Herman Hein elicited much favorable comment by her readings from the life of Joseph Haydn, the great Austrian composer. Miss Ruth Reim rendered several solo songs in a very pleasing way. A comical one-act playlet in German was given by Mrs. L. G. Bell and Mrs. F. Belm. Mrs. C. W. Miller followed with a piano solo which was well received by those present. The program was preceded by a business meeting which was taken up by a discussion of the more important needs of the Union hospital. A delicious lunch was served.

Miss Bertha Oswald has returned to Gibbon after a brief visit at the John H. Weddendorf home in this city.

John H. Forster won first prize at the weekly skat tournament at Turner hall, Monday evening. He had 17 net games to his credit. Chas. Heers won second with 540 points net and Julius Kratze third with a club solo against four matadors.

EDEN TOWNSHIP NEWS.

Hillary Dittbenner, daughter of Mr. and Mrs. Hugo Dittbenner, met with an unfortunate accident last week. While playing on the school grounds she fell and broke her right arm at the elbow. Her many friends hope that she will soon be able to return to school.

School will open again tomorrow in district 35, after a several days Easter vacation.

Otto Greenberg has returned from the Twin Cities where he spent several days. Elmer Kohls, student at the D. M. L. C., spent the Easter vacation visiting at the home of his parents.

A class of five were confirmed at the Lutheran church on Palm Sunday, namely, Luella Otto, Alice Belke, Elsie Ziebarth, Edwin Hasse and Wilbert Steinhans.

The majority of the farmers in this community have commenced seeding. Victor Jensen is assisting with the work on the Rob. Dittbenner farm.

Ernest Ott will begin the building of a new barn in the near future.

Rev. Paul E. Horn left Monday on a trip to California where he will make a six weeks' visit at the home of his parents. On his return trip he will make brief visits in several of the western states including the Indian Mission in Arizona. Mrs. Horn and children have left for Buffalo, Minn., where they will visit with relatives for several weeks. Rev. Albrecht of Sleepy Eye, will take charge of the services on alternate Sundays during Rev. Horn's absence.

The election and salary of teachers was taken up with the result of raising their salary to the amount of 30 per cent from their present salary and allowing \$5.00 additional pay for every year's experience and service as teacher. All the teachers who were willing to stay were re-elected.

A motion was made and passed that a special teacher be employed to teach German in the 6th, 7th and 8th grades. The Board then adjourned.

TO IMPROVE EXCHANGES.

As soon as the weather permits the Nicollet County Telephone Co. will begin work on the different exchanges that will greatly improve them in many ways. A new switchboard will be installed at Gaylord and all underground cables installed in town. After completing this work the Lafayette office will be taken care of by installing underground cables, and, if the company does not get permission to cable Kasota, as they are planning to do, the cable which has been purchased for that place will be used for cabling Nicollet. According to the present plans of the company, the entire number of exchanges will be cabled in the near future. The company is also arranging to patrol the country lines. The work of patrolling such lines will be started around Nicollet and New Sweden. This will greatly improve the service to the farmers as well as the condition of the system.—Nicollet Leader.

Otto R. Kohn, former manager of the New Ulm Rural Telephone Co., is making good in the same capacity for the Nicollet County Telephone Co. The improvements mentioned above will be made under his supervision.

IVERSON FOR GOVERNOR.

S. G. Iverson of St. Paul entered the race for governor on the Republican ticket last Saturday. He declared his willingness to abide by the decision of the elimination convention of the party in May. The new candidate served as state auditor from 1902 to 1914 and prior to this was a member of the state legislature. During the war he served in France as captain in the Adjutant General's department. His running mate for lieutenant governor will be Louis L. Collins, a former newspaperman of Minneapolis.

BOTH LIMBS BROKEN.

John Dannel, aged 53, employed as pitman at the steam shovel in the plant of the A. C. Ochs Brick & Tile Co., at Springfield, suffered the fracture of both of his limbs, when a car of clay, which had been released at the plant, ran him down while he was walking along the

track. The car passed over both of his limbs, rendering him helpless. His left limb was crushed so badly above the knee that it is feared he will lose the member. The right limb was severely injured above the ankle.

Sulky Plow Economy

When you buy one of our John Deere Sulky Plows, you buy no unnecessary parts. The Stag is all plow. Every one of its few parts aid directly in making it easier for you and the horses to do better plowing.

Because of its simplicity and great strength the Stag stays serviceable longer than any other plow of its type and requires fewer repairs.

Freedom from unnecessary parts, perfect balance and the absence of drag on the furrow

bottom make the Stag the lightest running sulky plow. It does more work in the same time with less horse power.

The Stag has extreme clearance—four inches more than ordinary—between beam and share point and six inches more than ordinary between front wheel rim and moldboard.

It is easy to operate the Stag—a boy can do it. By means of the landing lever, the operator can easily guide the plow around stones or other obstructions, or hold the plow on side hills, maintaining a full width cut.

The Stag's advantages have all been fully demonstrated. It is a favorite in all great farming sections because of its real economy. We want you to investigate these advantages.

NEW ULM SAVINGS AND LOAN ASSOCIATION

WM. PFAENDER, JR., SECRETARY  
WEISER BLOCK NEW ULM, MINN.

52¢

How would YOU like a raise like this?

—and for 34 Years Work

THAT is the kind of increase in salary the minister has received. His living expenses have risen just as fast and as far as yours.

But he is paid on the average just 52 cents more per church member than he was paid 34 years ago.

The Minister Never Fails You

Every officer of the Government with a war message to deliver appealed to the ministers first of all.

But 80% of the ministers receive less income than government economists figure as a minimum for the support of an average family.

When hospitals need money they enlist the support of the ministers—and receive it.

But when sickness visits the minister or the members of his family they must be treated in a charity ward. His pay is less than a day laborer's.

8 out of every 10 ministers receive less than \$20 a week—about half the pay of a mechanic.

We Pay Him Half the Wages of a Mechanic

And of these pitifully inadequate salaries, how much do you contribute? Nothing if you are outside the church; an average of less than 3c a day if you are a church member.

All of us share in the benefits of Christian ministers to the community. They marry us; bury us; baptize our children; visit us when we are sick. In their hands is the spiritual training of the youth.

We Are All Profiteers at Their Expense

Part of the Interchurch World program is this—a living wage for every minister of Jesus Christ; an efficient plant, and a chance to do a big man's job.

If you want better preachers, help to pay the preachers better. It's the best investment for your community—and for your children—that you can ever make.
